Resolved, That the convictions of the Democratic party of Pennsylvania remain unshaken in the wisdom and justice of adequate protection of iron, coal, wood, and of the great staples of our country, based upon the necessities of a reasonable revenue system of the General Government; and of approving of the views of President Buchanan upon the subject of specific duties, we earnestly desire our Representatives in Congress to procure such modification of the existing laws as the unwise legislation of the Republican party in 1857 renders absolutely necessary to the prosperity of the great industrial interests of the State of Pennsylvania.—Passed at the Reading Convention, March 2, 1860.

The Convention—Our Nominees.
The object and design of a political Convention must be to consult as to who are the most proper and unexceptionable persons in a party to be its candidates. Strength, fitness and consistent political character, must be the elements to make up the result, if the work of the Convention is to inspire confidence and respect. The Convention of last Monday seems very well to have answered this design. The delegates represented a very full and fair expression of the popular will, for the township elections were never before to our knowledge so well attended. The delegates, as they came in, understood every subject, and but very few votes were changed by persuasion, during the day. The ticket comes as near pleasing every reasonable desire as any ticket could do, when so many various minds are to be suited. As all cannot think alike, so of course all cannot be gratified in every wish, and each will see the propriety and necessity of abiding the decision of the majority. None of the offices in this county are a source of much profit, and it is of more importance to the people that they should be filled by competent men than that any one individual should be favored.

For Congress—there was no opposition shown to the conferees who are chosen as the known friends of Hon. George Scott, of this county. They are instructed to use all fair and honorable means to secure his nomination, which we sincerely trust they will carry out. This nomination was an act of good policy to the usages of the party, as well as of justice to a faithful representative. It is not necessary for us to state that he has filled several responsible positions with credit to himself as well as to the party to which he belongs. He represented his constituents when holding State office, say nothing about his official career in the State Legislature, like a true Democrat, with honor to his constituents and himself. We trust that the other counties in the District will concede the nomination to Mr. Scott, as his nomination and election in the District will do as much honor to the voters as to the office. Columbia county would poll a larger vote for him than any other man spoken of for this nomination.

For Senator—it will be seen by a glance at the proceedings of the County Convention, in another column of the Star, that M. E. JACKSON, Esq., of Berwick, received the nomination of this county, for this responsible and important office. We hope the claims of Columbia will be given due consideration and fairly dealt with by the Conferees, as it must be conceded by all, at this time, that the claims of Columbia are equal, if not stronger, than any other county in the district. We present a man in every way eminently qualified for the position, and if nominated would be an honor to the office instead of the office honoring him.

of the Senatorial conference, after which we shall say something further upon the subject.

ASSEMBLY—Col. Hiram R. Kline received the nomination of this county, over his opponent, John G. Freeze, for this highly important and honorable position. We hope the other counties composing the District will concur in his nomination. According to all rules and party usages Columbia county is entitled to one of the Members, Wyoming the other, as Montour and Sullivan had the Members the last two terms.

The candidate presented by this county for Representative is known as a man of integrity and ability, who will serve the public with intelligence and fidelity. His past course in public life has been such as to offer a guaranty of future conduct; and the knowledge and experience of public business which he has acquired, qualifies him the more perfect for efficient public service. He will make an honest and safe Legislator, and if nominated, be triumphantly elected.

For Prothonotary Mr. EYERLY was nominated again, because the general speech was that he had made a good officer, and he "might as well be elected for life;" and it is no small thing to have this said of a man for over a quarter of a century. A man who wears so well in the public judgment, must have more than common traits of character, and be a safe depository of the public trust. As he has never been defeated before the people, the presumption gains strong ground that he never can be.

Mr. LEE, the nominee for Register and Recorder, is a gentleman of correct business habits, who will make, as he has already proved himself, an attentive and obliging officer. All men, for, and with whom he has done business, speak well of him, and many can bear witness to his kind favors. He is an excellent penman, and a number one accountant. His papers and business are always found in perfect order, and by every qualification and circumstance of life, he deserves the office for which he is nominated. He is a Democrat, consistent and honest, but never noisy or violent. He is the right man for the place which he is nominated, and the people of Columbia county owe him their undivided support.—He has filled this office for several years with an eye single to the interests of his constituents, as well as kept a close watch on his official duties that they were not in any manner neglected, but faithfully and carefully attended to.

WILLIAM LAMON, who is nominated for Commissioner, is an honest Democratic farmer of Briarclark. He has always been a faithful hard working member of the party which placed him in nomination, and never sought office. He has managed his own business well, and knows the wishes and feelings of the laboring man and the taxpayer. His neighbors all respect him, and he has just the common sense and practical experience which fits him to make a good Commissioner. He is not one of your extravagant and speculative kind of men, but a careful and correct business man. In the nomination of this man the Democracy of Columbia have made most an excellent choice. He will be handsomely elected.

Mr. KNITTLE, the unanimous nominee for Auditor, is one of the most intelligent citizens of Franklin township. He will if elected make a good accountant. He is a man eminently fit for the position which he is chosen. His election would insure to the people of this county a good and competent Auditor.

Our Candidates for President.
We this day place at the head of our paper the names of JOHN C. BRECKINRIDGE and JOSEPH LANE for President and Vice President, expressive of our choice. We have long since named our preferences for President, but until the present put up no man's name. When the Union Ticket was first proposed, we resolved at once to give it our hearty support as the only true means for the Democracy to succeed in carrying the election over the common enemy in the State of Pennsylvania. And, as there were two candidates claiming to be Democratic nominees, we thought not to have either man's name at the head of the Star, but to battle assiduously for the election of the Union Electoral Ticket. But to have trouble of explaining nearly each week, either by editorial or copied articles, which of the four candidates are our preference, we have hung out the flag, with the names of JOHN C. BRECKINRIDGE and JOSEPH LANE, our standard bearers, inscribed thereon.

It would be absurd, under such circumstances, to speak of either of the candidates as being really national nominees; they may be national in their principles, but certainly are not in their nominations. Having to make a choice between them, we shall support that one, as we have ever done, who most nearly approaches our principles, and promises equality of rights to all the country. And, however much some few of our friends may censure the course which, upon a candid view of all the circumstances, we have felt compelled by our convictions of duty to take, we trust that when the excitement shall have subsided, and reason resumed its sway, they will unite with us in approving it, and say that we have done right.

STATE POLITICS—The Constitutional Union Party—Meeting of the State Central Committee—Harrisburg, Aug. 22.—The State Executive Committee of the Constitutional Union party met here to-day, Hon. Henry M. Fuller in the chair. Every Congressional district was represented.

Columbia County Democratic Convention.

In pursuance of the notice given by the Democratic Standing Committee, the Delegates elected by the Democratic voters of Columbia County, met in Convention, at the Court House, in Bloomsburg, on Monday, the 27th of August, 1860, at 1 o'clock, p. m., for the purpose of forming a county ticket, to be supported at the ensuing election, and transacting such other business as might be brought before the Convention. The townships were all fully represented except Conyngham, which sent no delegates.

The Convention being called to order, on motion of Peter Billmeyer, of Bloomsburg, the following named gentlemen were appointed President of the Convention; and on motion of John McReynolds, Peter Ent, of Scott, and Benjamin F. Fruit, of Madison, were chosen Secretaries, who took their seats, when the Convention proceeded to business.

On motion of John McReynolds, the townships were called over in alphabetical order, and the Delegates presented their credentials as follows:

Berwick—Hudson Owen, Jacob Moyer, Isaac Bower. [It appeared that two sets of Delegates had been run in this Borough, and that the two latter, being of opposite sets, were both claiming the seat. After some considerable discussion the matter was left to a vote of the Convention to decide, which resulted in the election of Bower to the seat.]
Bloom—Peter Billmeyer, Aaron Hender-shot.
Benton—Samuel R. Kline, Robert L. F. Colley.
Beaver—Jonas Breubender, John Hoats.
Briarclark—Wm. Arwine, Isaac Bower.
Centre—Henry D. Knorr, John Hill.
Catawissa—George Manhardt, Reuben Rohrbach.
Conyngham—
Franklin—Wm. Mensch, Reuben Knittle.
Fishing Creek—John Wenner, M. A. Ammerman.
Greenwood—Isaac A. Dewitt, David Demott.

Hemlock—John McReynolds, Seth Shoemaker.
Jackson—John McHenry, Jacob Young.
Locust—John Harner, Henry Fink.
Maine—Isaac Yetter, John Harmany.
Mifflin—Stephen Poe, Stephen Dieterich.

Orange—John Herring, Abner Welsh.
Pine—John F. Fowler, Valentine Wintersteen.
Roaring Creek—Philip Cool, Peter Levan.
Sugarcreek—Ezekiel Cole, Almas Cole.
Scott—Bonf. F. Reighard, Peter Ent.
On motion the Convention proceeded to make Congressional, Senatorial and Representative nominations, when Peter Ent offered the following resolutions, which were unanimously adopted:

Resolved, That Emanuel Lazarus, of Orange, and John K. Robbins, of Catawissa, be, and they are hereby appointed Congressional conferees to meet similar conferees from the several counties in this Congressional District, at such time and place as may be fixed upon, for the purpose of nominating a candidate for Congress, for this District, with instructions to support Hon. GEORGE SCOTT, of Columbia county, and to use all fair and honorable means to secure his nomination.

Resolved, That Hudson Owen, of Berwick, William H. Shoemaker, of Hemlock, be, and they are hereby appointed Senatorial conferees to meet similar conferees from the Senatorial counties in this District, to nominate a candidate for State Senator, and that they be instructed to support the nomination of M. E. JACKSON, Esq., of Berwick, this county, as the candidate for Senator, and to use all fair and honorable means to place him in nomination.

On motion, the Convention proceeded to nominate a candidate for Assembly.
Peter Ent nominated Hiram R. Kline, of Orange.
John McReynolds nominated John G. Freeze, of Bloomsburg.

The nominations closed, and on balloting Hiram R. Kline received 29 votes, and John G. Freeze 17, thus it will be seen that Hiram R. Kline was duly nominated.

For KLINE—Bower, Owen, Colley, Kline, Arwine, Bower, Mouser, Heimback, Deierich, Pohe, Ent, Reighard, Welsh, Herring, Shoemaker, Johnson, Howell, Breubender, Hoats, Yetter, Harmany, Wenner, Ammerman, Dewitt, Demott, Fowler, McHenry, Young, Allen.—29.

For FREEZE—Billmeyer, Hendershot, McReynolds, Manhardt, Rohrbach, Fink, Harner, Knorr, Hill, E. Cole, A. Cole, Wintersteen, Mensch, Knittle, Cool, Levan, Fruit.—17.

The following resolution was read and passed on motion of Peter Ent.
Resolved, That Alfred Howell, of Orange, and William T. Shuman, of Maine, be Representative conferees from this county, to meet similar conferees from other counties in this District, at Danville, on Friday, the 14th of September next, to nominate two candidates for Representatives in the State Legislature, to be supported at the coming election, with instructions to support Hiram R. Kline, of this county.

The Convention then proceeded, on motion, to select a candidate for the office of Prothonotary.
Peter Billmeyer nominated Jacob Eyerly, of Bloom.
Peter Ent nominated Jesse Coleman, of Orange.

No other nominations for this office were made, and upon taking a vote Jacob Eyerly was duly chosen. The vote stood 25 for Eyerly, and 21 for Coleman.

Peter Billmeyer moved that the Convention now proceed to the nomination of a candidate for Register and Recorder, who nominated Daniel Lee, of Bloom.
John Herring nominated Jacob H. Fritz, of Sugarcreek.

The nominations here closed, and Daniel Lee was duly chosen, having received 30 votes, while his opponent 16.

Next in order was the selection of a candidate for County Commissioner.
Peter Billmeyer nominated John Doak, of Berwick.
Isaac Bower nominated William Lamon, of Briarclark.
The nominations closed, and the Convention then proceeded to vote. By the follow-

ing a majority of the votes and was declared the nominee of the Convention.

For LAMON—Arwine, Isaac Bower, Kline, Colley, Breubender, Hoats, Isaac Bower, Ammerman, Wenner, Knittle, Mensch, Dewitt, Jr., Demott, Yetter, Harmany, Fruit, Allen, Fowler, Dewitt, Mouser, Heimback, Johnson, Welsh, Ent, Reighard.—25.

For DOAK—Billmeyer, Hendershot, Owen, Knorr, Hill, Manhardt, Rohrbach, McReynolds, Shoemaker, McHenry, Young, Harner, Fink, Howell, Herring, Wintersteen, Fowler, Levan, Cool, E. Cole, A. Cole.—21.

The Convention nominated Joseph B. Knittle, of Franklin, for Auditor by acclamation.

On motion of Benj. F. Fruit, of Madison, the following named gentlemen were appointed as the Democratic County Standing Committee.

Hemlock—Jacob Harris, Benton—Richard Stiles, Bloom—M. C. Woodward, Mifflin—Samuel Cressy, Catawissa—Peter Campbell, Orange—William Fritz, Briarclark—Samuel Kuchner, Maine—William T. Shuman.

On motion of Peter Ent the following resolutions were read, by Benj. F. Fruit, and adopted unanimously by the Convention:

Resolved, That while the division which at present exists in the Democratic party, is sincerely to be regretted, yet having unshaken confidence in its principles which principles we believe to be as eternal as truth; and having equal confidence, notwithstanding the sectionalism which exists in certain portions of the Union, in the integrity of the people, we are as ready now, as ever before, to meet the common enemy in whatever guise it may assume, trusting in the right, and confident of victory.

Resolved, That the action of the State Committee, at Cresson, in the formation of a Union Electoral Ticket, in this State, meets our hearty approval, and it is the obvious duty of all Democrats to rally to its support.

Resolved, That in Henry D. Foster, we hail as a candidate for Governor, the man sought by the people on account of his eminent talents, inapproachable character and unwavering integrity; and we pledge to him, as well as to the Union Electoral ticket, the undivided support of the Democracy of Columbia county.

Resolved, That we are now, as we ever have been, in favor of a tariff for revenue, and affording reasonable protection to the industrial interests of the country; and that we have no confidence in the Opposition as a tariff party, inasmuch as in 1857, when in power, the tariff was reduced.

Resolved, That we pledge to the ticket this day formed our undivided support.

Resolved, That the proceedings of this Convention be published in the Democratic papers of this county.

On motion the Convention adjourned sine die.

A Constitutional Objection.
The Doylestown Democrat has made a fresh discovery. After the meeting of the State Committee in Philadelphia on the 2d of July, it made the astounding discovery that the resolution then adopted had been altered, whereby the conspirators spoiled their own contrivance. The new discovery is even more alarming, it being nothing less than that the Cresson compromise is unconstitutional. This idea was first advanced in the resolutions of the committee that met at Buehler's to purge the electoral ticket, but the Democrat proceeds to the extremity of quoting the Constitution. We will quote a portion of this article for the purpose of exposing its absurdity:

"In the second paragraph of the 1st section, of the 2d article, that instrument provides as follows in the matter of an electoral ticket:

"Each State shall appoint, in such manner as the Legislature thereof may direct, a number of electors, equal to the whole number of Senators and Representatives in Congress; but no Senator or Representative, or person holding an office of trust or profit under the United States, shall be appointed an elector."

"This appears as plain as the nose on a man's face; but the State Committee very boldly proposes to violate the clear provisions of the Constitution by striking off two electors, and inserting in their places the names of two candidates both of whom are 'SENATORS.' This arrangement violates the Constitution in a double sense, for it leaves the electoral ticket with less electors than are required, and places those on it, who cannot be electors. In the case of the election of the ticket, Douglas or Breckinridge would stand in the place of an elector, and of course would be absent when they should come to meet at Harrisburg. The State law provides for filling vacancies, but in this case there would not be such an one as contemplated, and the arrangement would be unconstitutional, because not full. We would like to hear the Democratic journals of the State upon the subject, as this is the first time the question has risen. It strikes us that the Cresson arrangement would be unconstitutional."

This furnishes additional evidence that the straight-outs don't or won't comprehend the Cresson compromise. It does not propose to strike off two electors. It proposes to drop but one elector and allow the name of Douglas or Breckinridge to be substituted, according to the preference of the voter. But it is objected that neither Douglas or Breckinridge are eligible. Grant it. Neither of them can possibly be elected. The election officers not being the judges of eligibility will be obliged to return the number of votes cast for Douglas and Breckinridge, as they did in 1856 between Fremont and Fillmore, and after that is done the object in voting for them is accomplished by ascertaining their relative strength.

The Democrat falls into another error in supposing that there might be a vacancy in the Electoral College. This is impossible. As the Democratic vote will be divided between Douglas and Breckinridge neither can be chosen an elector, and of course the highest candidate on the Republican ticket would slip in between them. Should the Union ticket be elected, the Electoral College of the State would be composed of twenty-six Democrats and one Republican, which is preferable to twenty-seven Republican and no Democrat. The Doylestown Democrat should at least make an effort to understand the meaning of the Cresson resolution before demolishing it with the Constitution.

A. J. A. CUMMINGS is at present delivering his Maps of Columbia county in this section. They are splendid—well gotten up indeed. Every citizen of the county

Proceedings of the Democratic County Convention.
The delegates elected by the Democratic voters of Montour county, on Saturday, the 18th inst., in pursuance to the notice given by the Democratic Standing Committee, met at the Court House, in the Borough of Danville, on Monday, the 20th of August, at 2 o'clock, P. M., for the purpose of nominating candidates for the several offices in Montour county, and to appoint Congressional, Senatorial, and Representative conferees, to nominate candidates for Congress, for Senator and for Representatives in conference with the conferees from the counties composing the Congressional, Senatorial and Representative District, in which Montour county is embraced, and to do such other business as might be brought before the Convention.

On motion John Shearer, Esq., of Limestone, was chosen President of the Convention, and Mayberry Shultz and William McNinch, were elected Secretaries.

On motion the Districts were called in alphabetical order, and the delegates presented their certificates of election as follows:—

Anthony—John Cary, Charles Reeder, sen.
Cooper—William McNinch, Michael Breckbill.
Danville, S. W.—James Woodsides, G. W. Freeze.
Danville, N. W.—William Mourer, Daniel Woodsides.
Derry—Samuel Smith, Daniel Butler.
Liberty—William Cornelison, Robert Auten.

Limestone—John Shearer, George Butler.
Mayberry—Robert Davidson, Mayberry Shultz.
Mahoning—Anthony Foust, Benjamin Rudy.
Valley—Samuel Curry, Cyrus Childs.
West Hemlock—John K. Shultz, Franklin Siler.

The Convention then proceeded to the nomination of a candidate for the Senate, when Robert Davidson, of Mayberry, nominated Dr. L. F. Caldwell, of Derry. No other nomination being made, he was nominated by acclamation. On motion the Convention proceeded to nominate a candidate for County Treasurer. Daniel Woodsides, nominated Edward Morrison, of Mahoning. There being no other nomination he was likewise nominated by acclamation. On motion the Convention proceeded to nominate a candidate for County Commissioner, when John McWilliams, of Liberty, was nominated. No other nominations being made, the nomination was made unanimously. On motion the Convention proceeded to nominate a candidate for Prothonotary and Clerk of Court. Daniel Butler of Derry, nominated George D. Butler of Danville. On motion of William McNinch, of Cooper, he was nominated by acclamation. On motion the Convention proceeded to nominate a candidate for County Auditor, when William Blee, of Derry, was nominated by acclamation.

The following resolutions were passed on motion of Robert Davidson:—
Resolved, That William McNinch and Hiram A. Childs, be, and they are hereby appointed Congressional conferees, to meet similar conferees from the several counties in their Congressional District, at such time and place as may be fixed upon for the purpose of nominating a candidate for Congress for this District.

Resolved, That Hiram Antrim and Wm. A. Dean, be, and they are hereby appointed Senatorial conferees to meet similar conferees from the Senatorial counties in this Senatorial District, to nominate a candidate for State Senator, and that they be instructed to support the nomination of Dr. L. F. Caldwell, as the candidate for Senator, and to use all honorable means to secure his nomination.

Resolved, That Adam Gerringier and Robert Davidson, be, and they are hereby appointed Representative conferees to meet similar conferees from the several counties of this District to nominate a candidate for Representative.

NOTE.—We deem it proper to state that the Representative Conferees were first instructed to vote for Getulius Snyder, Esq., of Valley township, for Member of the Legislature, but these instructions were afterwards stricken out by the Convention with the concurrence of Mr. Snyder, he believing, with many others, that Montour is not entitled to claim a Representative at this time, and that instructions might have the effect to embarrass the action of the Conferees.

On motion a committee of three were appointed to draft resolutions, when the President appointed Robert Davidson, of Mayberry, John Carey, of Anthony, and Wm. Mourer, of Danville, the committee, who after a short absence returned into the Convention, and the Chairman reported the following resolutions:

Resolved, That we sincerely regret the unfortunate division which at present exists in the Democratic party of the Union, and deprecate the conduct of those whose injudicious zeal for the advancement of their own candidates, impels them to a course of conduct which can only have the effect to widen the breach and increase the distraction in the Democratic ranks, and aid to elect the Republican candidates for President and Vice President.

Resolved, That we have full and abiding confidence in the great principles of the Democratic party—and that notwithstanding differences of opinion may exist in relation to local questions and sectional issues yet on the great and fundamental principles which have ever distinguished the Democratic party from the "Opposition" under the various names which it has assumed, we are united and firm, and are ready now as heretofore to march shoulder to shoulder in solid phalanx against the Republican forces.

Resolved, That we fully endorse and approve of the action of the State Central Committee in their recommendation of a Union Electoral ticket in the State of Pennsylvania in such manner that while each voter can express his individual preference yet the whole Democratic vote of the State shall be concentrated against the Opposition, and that with a Union ticket and a united Democracy we shall achieve an easy victory over the sectional Republican candidates.

Resolved, That the Democracy of Montour County will give to a Union Electoral ticket, for President and Vice President, their undivided support, and hereby pledge to the Democracy of the State, the whole Democratic vote of the county.

Resolved, That in the nomination of Henry D. Foster, the Democratic candidate for Governor, we have presented to the people of the State a man whose eminent talents, and irreproachable character entitle him to their entire confidence and that we pledge him the Democratic vote of Montour county.

Resolved, That we are now as heretofore in favor of such an alteration of the present tariff laws as will ensure a revenue sufficient to defray the expenses of the Government, and at the same time afford reasonable and just protection to the industrial interests of the country.

The following persons are the Standing Committee for the ensuing year:—

Anthony—John C. Ellis.
Cooper—A. M. Breckbill.
Derry—Samuel Smith.
Danville, S. W.—Isaac Hughes.
Danville, N. W.—William Mourer.
Liberty—Robert T. Auten.
Limestone—W. D. Weidenhamer.
Mayberry—Jacob Shultz.
Valley—Thomas Crossley.
West Hemlock—John Moore.

Resolved, That we pledge to the ticket this day formed, our undivided support.

Resolved, That the proceedings of this Convention be published in the Danville Intelligencer.
On motion adjourned.

JOHN SHEARER, President.
Wm. McNinch, John K. Shultz, Secretaries.

In Favor of Union.
The Chambersburg Valley Spirit, an able and spirited advocate of Judge Douglas, and which strenuously opposed the action of the State Executive Committee of the 2d of July, has thought better of the proposed arrangement and now warmly advocating the plan adopted by the Committee at their late meeting at Cresson. In addition to an elaborate and able article endorsing the compromise, the last number of that paper has the following truthful and significant allusion to the gentleman who assumes the leadership of the Douglas forces in Pennsylvania, and to the bogus Committee which met at Harrisburg on Wednesday last:—

"A Snake in the Grass—Forney's Press is opposing, with all the subtlety for which it is noted, the union of the entire Democratic party of the State on the Electoral ticket formed by the Reading Convention. It is in a degree presumptuous on the part of Mr. Forney to step back into the Democratic party, uninvited, and attempt to control its action. It is becoming more and more apparent every day that the Press is secretly working for the overthrow of the Democratic party in this State. The signs of the times clearly indicate that the period is not very remote when Forney will follow in the footsteps of his illustrious leader, Hickman, and land openly and above-board in the Black Republican ranks. It will be a lucky day for the Democracy when they get rid of him and his treasonable scheming. While he professes to support Judge Douglas, he is straining every sinew to circumvent him, and hopes the party will be 'gratified' with a 'clean victory or a clean defeat,' he is not at all particular which it may be. In order, however, to make sure of a 'clean defeat' for the party, he publishes a call in the Press for a meeting at Harrisburg, on the 15th inst., to get up an electoral ticket in opposition to the regular ticket formed by the Reading Convention.—If he secures the attendance of a baker's dozen of Democrats, other than of his own kidney, at the bogus meeting, called for the 15th, we will have a poorer opinion of the Democratic party of Pennsylvania than we ever expected to entertain."

JUST WHAT FARMERS WANT! The undersigned respectfully informs the citizens of Columbia county and the public generally, that he manufactures and offers for sale, at his establishment in Esbytown, the revolving hay rake, made of the best material, in excellent style, and will be sold at a low figure. Farmers will find it greatly to their advantage to secure one of the above Rakes, by which they can rake as much in one day as can be done by ten hand rakes.
