

omsburg, Wednesday September 12, 1860.

On motion of Col. Freeze, Solomon B. Boyer, Esq., a member of the Bar of Northumberland county, was admitted to practice as an Attorney, in the several Courts of the county of Columbia.

MISS SUSAN E FRY, of this place, has our grateful thanks for that fine lot of Isabella Gropes she sent us, a few days since. They were splendid and very palpatable. This is an evidence that the Printers are not always forgotten. May her shadow never diminish, and the gropes continue to come.

WE learn that Morrison Contright, son of Andrew Cortright Esq, of Beach Grove, Luzerne county, in attempting to jump from the coal train while in motion, was caught gers, Walker of Harvard, Hopkins of Wil- ification not known to all kinds of Sewing under the wheels of the cars, and had his arm and leg cut off besides being otherwise horribly mutilated. The accident we understand occurred not far from Shickshin-

last Friday evening passed a resolution per- Reynolds of Illinois, Collins of Wilkinson, chine is adapted to all kinds of work as 2d mitting visitors to be present. The next question for discussion is: Resolved, that the sale of intoxicating liquors should be prohibited by law. We think that a union between the Society and the Young Men's authority.' 'Never found any work which Christain Association at this place would prove beneficial to both parties.

THE editor of the STAR is on leave of absence for a few days, and unwittingly placed this edition under our charge. As he required no pledges from us as to our political proclivities, we are strongly tempted to haul down "Breckinridge and Lane" and hoist the name of some other candidates, in order to punish him for his thoughtlessness. We should do so most assuredly, if we could find better men. Any unusual excellence in this week's paper may safely be attribu- 'A complete apparatus for all purposes of unfastened or open, there is a way for it ted to the editor's absence.

OUT AT NIGHTS .- Look out for your boys, fathers and mothers, when night comes .-There is nothing more ruinous to their morals than running about at that time. Under cover of darkness they acquire their education of crime; they learn to be rowdy- accepted Webster as the Standard in our all necessary instruction ish, if not absolutely vicious; they catch | College, and the experience of every term up loose talk, they hear sinful thoughts, they see obscene things-they become reckless and riotous. If you would save are developed in the science of lexicofrom vulgarity, save them from dissipation, graphy,' &c., &c.' save them from ruin, save them from prison, see to it that night finds them at home

WANTED !- COMPETENT BUSINESS MEN .-The demand for skilful and accomplished accuntants is perpetual, and constantly in creasing with the increase of production and trade. Young men wishing to prepare themselves for commercial pusruits will find no Institution in this country possessing advantages equal to those afforded by the Iron City College, of Pittsburgh, Pa. which is now patronized by every State in the Union

THANKS .- Mr. Henry Zuppinger, of this place, will please accept our profound thanks for the presentation of some most superior peaches, which he raised upon his lot. They were of a large size and altogether of a superior kind. Mr. Zuppinger is truly a Horticulturist and a fruit-grower, and but one visit to his lot is necessary to fully convince any person of the fact. He has the best and most profitably cultivated lot for fruit, in Bloomsburg. He has had Berwick. peaches and other fruit for sale, during the early part of the season, and all probabilities are, he still has more, which he wishes to dispose of. Those in want of peaches for preserving, or other purposes, would do well by purchasing of our townsman, Mr.

In Town .- Dr. Jacob Horlacher, the ercentric "mediator" between the North and the South, will lecture at this place in the Court House, on next Monday evening, at early candle-light. The Doctor will prove his political opinions to be in accordance with truth and righteousness, and that they are sustained-fully sustained by the authority of the Bible. His lectures are highly spoken of by the Democratic papers, wherever he has spoken them to the people .-His facts and arguments are conclusivehe invites all parties, persons and sects.

Mr. Horlacher will also deliver a lecture in Mifflinville, this county, on Saturday the 15th inst., in the evening, hoping that the friends will make preparations for him.

He also has Charts for sale which he sells for twenty-five cents. We commend the Doctor to the people of the State, every one of whom should be in possession of one of his platforms.

NEWS OF THE LATEST DATE-There is a rumor steadily circulating which is scarcely dreamed of outside the suburbs of this town. It has quite inundated all gossip and excitement on the course, and fairly brought commotion to a perfect jar. Printers are expected to learn the latest news first, and then communicate it to the world, thereby millions. As we have had nearly three year's experience in the editorial life, the matter of which we are about to speak, does not startle us, knowing it to occur periodically. The whole rumor grew out of the arrival of a large and splendid stock of Fall and Winter Goods at the Clothing Emporium of our townsman, DAVID LOWENBERG, on Main Street, Bloomsburg. He has the largest and best assortment of cloths and casimeres ever brought to this place by him, all of which he is prepared to make up and sell cheap for cash. He also has a case of lendid Jewelly to which he lavites atten-

RAYMOND'S FAMILY SEWING MACHINE! PATENTED MARCH 9, 1858.

MESSRS. ZUPPINGER & ROBBINS, of Bloomsburg, having purchased the exclusive right of the above valuable Impro ved Chear Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and lamilies. The following are some of the superior advantages this implement possesses, viz:

PRICE \$10 EACH.

1. It sews from 400 to 600 tight stitches per minute. 2 Double thread Machines are from the more complicated character of their mechanism invariably managed and threaded with more or less difficulty; not so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a com

mon needle. 3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism. 4. It can be attached to a hoard, table or siand, in operating order, and removed in

5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for are from Presidents Frelinghuysen of Rut- any work for which it is intended, a qual-

6. No human hand is capable of producing a seam so regular and systematic .- Best Bull 3 years and upwards Brunswick, Lord of Dartmouth, Pease of The seam is so strong if well done, that the strongest material will tear before the seam will give way.

7. Among the array of Patent Sewing Machines, there are none so cheap and Anderson of Rochester, Wallace of Mon experience has proven. There are perhaps mouth, Curtis of Knox, &c. In them are none so realy useful, doing such a variety of wore for the immediate use of the family circle, and at such a moderate price as 8. The operator can shape his seam just

etc., can be represented or imitated. 9. It is particularly adapted to all kinds

of stitching-such as gentlemen's shirts, it a sale counsellor, and an indispensable bosoms, ristbands, collars, etc.,-and all kinds of ladies' sewing, including silks, cases.' 'For the sake of my country and lawns, delaines, calicoes, dusters, etc., excepting for men's heavy wear, this Machine is rather too light of construction.

10. But we all admit, that the advantage eyesight, incored by the use of Sewing Ite. There seems every prospect that it will be | Machines, surpasses infinitely all other ad-

11. This Machine fastens the seam always itself, but if the operator wishes it best native " reading and understanding American and 100, thus you can have it fastened or not, best blooded ewe English literature.
