THE PRINTER has been received for September. This publication is useful among the carft and all should have it. We hope it is liberally supported. It is published in New York

Religious Norice.-We are requested to give notice, that there will be preaching in the Baptist Church of this place, by the Rev. J. R. Shanafelt, on next Sabbath at half past 2 o'clock in the afternoon and early candle light in the evening.

Day .- The dearth of local materials still continues, and is almost to impossible to hunt up the wherewith either to amuse or instruct our readers. Unless there is an improvement in our town soon, we shall have to cave. We don't mind drinking out of an empty jug occasionally; but to be compelled to do so continually is rather dry work.

REAL ESTATE FOR SALE .- The Executors of the estate of Cornelius Reinbold, late of Columbia county, deceased, offer for salein the STAR-a Tract of land containing one hundred and ten acres, with necessary buildings. This sale will take place on Saturday, the 27th day of October, next, on the premises in Locust township. The land is valuable, the larger portion of it being cleared and in a good state of cultivation.

Are You Assessed?

Democratic voters! if you have any doubts about your name being to the assessor's list, go and see to it without delay. It is often the case that even the names of old residents are inadvertently lest off the list -Remember that all who desire to vote on the 9th of October next, must be assessed ten days before the election.

FISHERMEN'S HOTEL -This is the name of a public house, under the supervision of Mr. Ezekiel Cole, located in Sngarloaf twp., Columbia county, close by Big Fishingcreek, and upon the public road. Mr. Cole keeps a tolerably good hotel-for that section of country it does first rate. He has a handsome new house, and from what we know is doing a snng business. The most important items about a public house are these : good beds, good and plenty of eatatles and drinkables; all of which can be found at the Fishermen's Hotel, and that of the first order. Those going in his direction STOUT; all of which he will sell at the are developed in the science of lexicowill please give him a call.

Congressional Conference.

We have been credibly informed that the Congressional Conferees of this District, composed of the Counties of Wyoming, Luzerae. Columbia and Montour, will meet at the Exchange Hotel, in this place, on Friday next, for the purpose of making a Congressional nomination. There will be three candidates before the Conference, Hon. Geo. Scott, Hon H. B. Wright, and W. M Piatt, Esq. We will not speculate any in this no tice as to the chances for a nomination of either of the candidates. Nominate a good man and he can be elected this fall without a doubt. We'll trust in the deliberations of

ABUSE OF PUBLIC MEN .- If those who are daily railing the President, or some member of his Cabinet, find themselves likely to exhaust their stock of invectives, they can renew their supply by the study of certain productions of their predecessors in now before us, issued in 1800, we find exclusively. He has just received and of-WASHINGTON charged with having "embezzied the public money," with being "knowingly perjured," being "a hypocrite," and with having "sacrificed the dearest rights of his country;" while the incumbent President was assailed for "having completed the scene of ignominy which Washing ton begun." Here is an array of epithets ready made, and quite as ingenious as any which now blacken the pages of the Re publican press.

"EVERYBODY'S LAWYER," AND "THE FAMI-LY Doctor."-The above works which are advertised in another part of our paper, are decidedly the best books of their class that have ever come under our notice. The publisher aiming to meet the wants of the million, and to supply them with books not of transient interest, but, of real and permanent value, has spared no expense in the which are of constant recurrence in "everybody's" business and family. By the aid of judicious advertising they have already reached an enormous sale, and are now being anxiously sought for in every part of

"Everybody's Lawyer," By FRANK CROSBY, Esq., of the Philadelphia Bar, is a hand some 12mo, volume, containing 384 pages, beautifully printed and illustrated. It gives full and complete forms, with directions and advice not only reliable, but written in so clear and distinct a style that it is hardly possible for a misuaderstanding to occur.-There is scarcely any business contingency all persons having claims are required to that it is not fully calculated to meet. It is equally adapted to all the States, and no one who consults its pages with care, can fail to become well posted in the laws of his country. We advise "Everybody" to bay it, for "Everybody" says it is a great k, and so say we.

"The Family Doctor," By Prof. Henry S. Taylor, contains simple remedies easily btained for the cure of Disease in all forms. The great charm of this work also, is its complete simplicity, and the entire absence of all medical technicalities. It is appropriately illustrated, and gotten op in excellent siyle, and like the other, should be in "Everybody's" bands.

Two Dollars sent the Publisher will secure single copies of each book by return REVIEW OF THE MARKET.
