RAYMOND'S FAMILY SEWING MACHINE! PATENTED MARCH 9, 1858.

PRICE \$10 EACH. MESSRS. ZUPPINGER & ROBBINS, of Bloomsburg, having purchased the exclusive right of the above valuable Improved Chear Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families. The following are some of the superior Best pair of Draft Horses, advantages this implement possesses, viz: 1. It sews from 400 to 600 tight stitches Best 4

2. Double thread Machines are from the Best " more complicated character of their mechanism invariably managed and threaded Best with more or less difficulty; not so with 2d RAYMOND'S, a child can manage it in two | Best hours, and it is threaded easier than a common needle.

3. One of the most valuable features of Best this Machine, is the smallness and the compactness of its mechanism. 4. It can be attached to a board, table or stand, in operating order, and removed in

less than half a minute. 5. It greatly economizes the thread, and | Best single yet produces a seam, sufficiently strong for Best any work for which it is intended, a qualification not known to all kinds of Sewing Rittenhouse, Briar Creek; Isaac Yetter, Machines.

6. No human hand is capable of producing a seam so regular and systematic .-The seam is so strong if well done, that the fore, I. JOHN SNYDER, High Sheriff of strongest material will tear before the seam will give way.

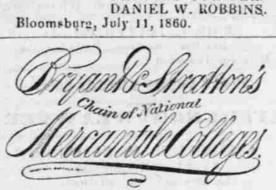

7. Among the array of Patent Sewing Machines, there are none so cheap and NINTH DAY OF OCTOBER, being the durable as Raymond's Patent, but no Masecond Tuesday in said Month, at the seve. | chine is adapted to all kinds of work as experience has proven. There are perhaps none so realy useful, doing such a variety of wore for the immediate use of the lamily circle, and at such a moderate price as RAYMOND'S PATENT. 8. The operator can shape his seam just

as he pleases, waves, leaves and flowers, etc., can be represented or imitated. 9. It is particularly adapted to all kinds of stitching-such as gentlemen's shins, bosoms, ristbands, collars, etc.,-and all kinds of ladies' sewing, including silks, lawns, delaines, calicoes, dusters, etc., ex-

is rather too light of construction. 10. But we all admit, that the advantage to health, and principally to the vision or eyesight, incuced by the use of Sewing Machines, surpasses infinitely all other ad-

11. This Machine fastens the seam al. Best blooded buck ways itself, but if the operator wishes it unfastened or open, there is a way for it too, thus you can have it fastened or not, as you please, which is, sometimes, espe- best blooded ewe cially for beginners, a very favorable circomstance.
