

**MARK THESE FACTS!**  
**THE TESTIMONY OF THE WORLD.**

**HOLLOWAY'S OINTMENT.**  
**BAD LEGS, BAD BRUISES, SORES AND ULCERS.**

All descriptions of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold successful treatment, as indicated by nature, is to reduce the inflammation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

**DIPHTHERIA, ULCERATED SORR THROAT, AND SCARLET AND OTHER FEVERS.**

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the throat, and the neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever tries the ointment in the above manner of the disease named, or any similar disorder affecting the chest and throat, will find themselves relieved as by a charm.

**PILES, FISTULAS, STRICTURES.**

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will move any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poultices, after rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

**INDISCRETIONS OF YOUTH;—SORES AND ULCERS.**

Bleaches, as also swellings, use, with certainty, be radically cured if the Ointment be used freely, and in the manner directed in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humor from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.

**DROPSICAL SWELLINGS, PARALYSIS AND STIFF JOINTS.**

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases, of such diseases, will yield to a comparatively short course of time, when this Ointment is diligently rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

Ague, Dropsy, Bilious Complaints, Erysipelas, Bleaches on the Face, Scit, Bowel Complaints, Fevers of all kinds, Colic, Constipation of the Bowels, Consumption, Debility, Inflammation, Jaundice, Liver Complaints, Lambago, Piles, Rheumatism, Retention of Urine, Scrofula, or King's Evil.

**CAUTION!**—None are genuine unless the words "Holloway, New York and London," are discernible as a Water mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

\* Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in pots, at 25c., 50c. and \$1 each.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients, in every disorder, are affixed to each box. October 10, 1860.
