The Cheapest and Best Family and General News-paper in the United States.

The NEW-YORK WEEKLY TIMES is a large and elegantly printed quarto sheet, of eight pages, or forty eight colums,-de voted to Politics, Literature and General News, and intende! to be the BEST as well as the CHEAPEST Family Newspaper in the United States.

The first aim of the Times is, and will always be, to keep its readers thoroughly and reliably posted up, as to everything which may happen, of general interes, in any part of the world. It comments fully and freely upon all topics in every departmert of public action, and always in the interest of Freedom, Order, and the Pub lie Good. While its influence will be uniformly conservative, it advocates every measure of just and beneficient Progress, and resists the increase, extension, or perpetuation of Slavery, as of of everything else incompatible with the highest welfare of the whole community. While it reports promptly and accurately all intelligence of general interest in every department of human activity, it never panders to vicious tastes, and excludes from its columns everything that might render it unsafe or improper for general Family perusal. It seeks the claims of EDUCATION, MORALITY AND RELI-

GION upon the masses of the people; and in all its discussions, it endeavors constantly to beignided and controlled by the spirit of MODERATION, PATRIOTISM, AND COM

MON SENSE. In its Correspondence, both Foreign and Domestic the Times is confessed to be superior to any other American Journal. Its Renocts of Congressional and Legislative proceedings, of Financial, Commercial and

GENERAL INTELLIGENCE, of important Legal and Criminal Trials, and of whatever may have special interest for all the necessary Forms for Application.
