HOLLOWAY'S OINTMENT

BAD LEGS, BAD BREATS, SORES AND ULCERS.

All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attmpt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased dondition remains underneath to break out with tenfold fury in a few days. The only rationanl and successful treatment, as indicated by nature, is to reduce the influmation in and about the wound and ic soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

DIPTHERIA, ULCERATED SORE THROAT, AND SCARLET AND OTHER FEVERS.

Any of the above diseases may be cured by well rubbing the Ointment three times day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Omment will do its work at once. Whoever tries the unquent in the above manner of the disease named, ever brought to this place, all of which or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

PILES, FISTULAS, STRICTURES. The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectnally rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will re move any hidden sore or wounders effectually as though palpable to the eye. There again bread and water poultices, after rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or

INDISCRETIONS OF YOUTH ;-SORES AND ULCERS.

Blotches, as also swellings, upo, with certainty, be radically cured if the Ointment be used freely, and Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another ; whereas this Ointment will remove the humor from the sys. his New Store, on Main street, the use of the Pills to ensure a lasting cure DROPSICAL SWELLINGS, PARALYSIS AND STIFF JOINTS.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases, of such diseases, will yield in Old Rye gray with age, fine Old Bourbon, a comparatively short space of time when Old Folks Whiskey, and any quantity of this Ointment is diligently rubbed into the parts affected, even after every other means have failed.
