

Wednesday Morning, March 27th, 1861.

Attention is directed to several Sheriff's Sales in this week's Star.

A load or two of good wood will be taken at this office.

There are but two prisoners lodged in our county jail at present; one on the charge of rape, the other for larceny.

In another column of our paper will be seen the appointments as made by the East Baltimore Conference for the ensuing year.

The Old Academy in this place is undergoing a thorough renovating. The interior part will be entirely remodeled.

A man by the name of Conrad Kapp was lodged in the County Jail on Saturday evening last on the charge of committing a theft.

Any of our patrons having potatoes to spare, will do us a favor by bringing a few bushels to this establishment.

The new Depot at this place, is fast approaching completion, under the directions of Cyrus Fry.

The County Commissioners were in session at their office, on Monday last, and drew the Jurors for our May term of Court. They will be seen in this paper.

On Monday last Sheriff Snyder had placed in his charge a prisoner by the name of DANIEL BAKER, of Beaver township, Columbia county.

INCONSISTENT.—The Columbia Democrat and Berwick Gazette approving of the course of Senator Bond, and denouncing that of Messrs. Kline and Osterholt.

The moving season will soon be here—Next Monday is the much dreaded day—a day when heavy payments and heavy pieces of furniture are to be dealt with. Rent is still tremendously high in this place.

ALL those who design applying for license at the May term of Court will bear in mind that the time is fast approaching when they should have their petitions filed and publication given in at least two Democratic papers in the county. Bonds and petitions for sale at this office.

MARBLE.—Kneckle down, fen cobs, say, let my white alley alone, greeted our ears, at almost every corner, during the fine weather we have lately been blessed with. We have no objections to this boys, providing you do not get to quarreling and pulling each other's hair.

The good times the Republican party promised last fall, has not yet made its appearance. They are now in power, and lots of laboring men out of employment. More, that tariff so much talked of has become a law, and the probabilities are that in the event of an extra session of Congress it will be repealed.

In publishing the returns of the local election of Hemlock township, a mistake occurred in the name of one of the School Directors as well as one of the assistant Assessors. The School Directors are—Reuben Fogart and Hugh A. Hartman; Assistant Assessors—T. J. Vandershice and Hugh D. McBride.

FIRST OF APRIL.—Those of our subscribers desiring to change their places of residence, and desiring their papers sent to a different place, will save much trouble by sending us early notice of the fact, always where they have moved from. The matter will be at once attended to, and subscribers will not be subjected to the loss of any papers.

The Republican ticket with two exceptions was elected.—Republican. How is this? We have been and are still under the impression that the Republican ticket "with three exceptions was elected." We claimed, as did our party, the Constable—Gorr—but if you say he belongs to your party, we have nothing further to say upon the subject.

A Convention of the different Literary Societies of Columbia and Montour county, was held in the Court House at this place on Saturday last. The object, we learn, was for the purpose of establishing upon a firm and sure foundation a Union of all the Literary Societies, Debating Clubs, &c., which shall present themselves at the Convention—There was a pretty fair turn-out. What they effected we have not yet been informed.

GREENWOOD TOWNSHIP has performed nobly in her late election; she has elected, with two exceptions, the whole Democratic ticket. This township, as every body knows, is a strong hold of the Republican party; a district that seldom, if ever, elects a Democrat. It is also well known that the editor of the Republican was, and has long been, the ruling spirit of this township; and that his paper circulates more, probably, in this than any other township in the county. So much for Republican papers in a strongly Republican district. We are of the opinion that a few Democratic papers must have found their way into this district.

TO CORRESPONDENTS.—Our correspondents are particularly requested to send us their names with their communications. We do not wish them for publication, but simply as a guarantee of the truth and sincerity of the writer. Anonymous correspondents of whom we impose upon us. We shall hereafter publish no communications unless accompanied by the name of the writer. This is necessary for our own safety. Such things are confidential with us, and correspondents need have no fears that we will divulge their names. The letter is contrary to the rules of the Editorial committee. Correspondents will please bear this in mind.

Henry Zuppinger's ESTABLISHMENT.

THANKS, my best thanks, to all; with a few exceptions, I have a bone to pick, and that is: I forgive them, gladly, very gladly; they have injured me very little; for listen what the "knowing" ones say: "It is a real good workman, the best we know an excellent Watchmaker and a first rate Silver Smith and Jeweller, and if you look right, 'you see gold'." Now mind! how can I demonstrate my gratitude for this popular good opinion? Answer: By a renewed, strong effort to do what is right and will last. New Watches, new Clocks; a lot of fine and of common Jewellery; a good assortment of Spectacles, and glasses for Spectacles, plated steel, and silver framed, with glasses to suit all eyes; a full assortment of watch glasses, buttons, and open watch materials and clock trimmings, and so forth. Also Sewing Machines kept going and repaired. Also a very fine article of gold pens, warranted 14 Carats, Band Desk, Mammoth and Commercial.
