HOLLOWAY'S OINTMENT.

BAD LEGS, BAD BREATS, SORES AND ULCERS.

All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attmpt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased dondition remains underneath to break out with tenfold fury in a few days. The only rationanl and with the different Dressings, Sauces, and successful treatment, as indicated by nature, is to reduce the inflamation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

Knoxville, Tenn., March 13, 1859. Messrs. EVANS & WATSON, Phila'da. Gentlemen-It affords me great pleasure to say to you that the Salamander Sale which I purchased of you in February, 1858, proved to be what you recommended it-a sure protection from fire. My storehouse, together with several others, was burned to the ground in March last. The Safe fell brough into the celler, and was exposed to intense heat for six or eight hours, and when it was taken from the ruins and opened, all its contents were found to be in a perfect state, the books and the papers not being injured any whatever. I can cheerfully recommend your Safes to the community, believing, as I do, that they are as near fire proof as it is possible for any Safe to be made. THOMAS J. POWELL.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you and of order, with your system derrouged, and your feelings uncommentable? These symptoms are often the product to serious illness. Some at of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered hu-mors — parify the blood, and let the fluids move on unob-structed in health again. They stimulate the functions of the body into vigorous ac-tivity, purify the system from

the obstructions which make disease. A cold settles somewhere in the budy, and obdisease. A cold settles somewhere in the body, and obstracts its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation suffering, and disease. While in this condition, eppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. Aren: Your Fills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerons sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin affli in her hair. After our child was cured, she also tried your Fills, and they have cured her.

ASA MORGRIDGE.

From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Boltimore. Dean Bro. Aven: I cannot answer you what complaints I have cared with your Pilis better than to say all that see ever treat with a pargative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Dr. J. C. Aven. Sir: I have been repeatedly cared of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a fool stomach,

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of tiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe cu-

tiveness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E Suart, Physician and Midnife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent premotives of the natural scare-tion when wholly or partially suppressed, and also very effectual to cleanse the staunch and expel sorms. They are so much the best physic we have that I recommend

no other to my patients. From the Rev. Dr. Howbes, of the Methodist Epis. Church. PULASEI HOUSE, Savannah, Ga., Jan. 6, 1856.
