NERVOUS DISORDERS. What is more fearful than a breaking lown of the pervous system ? To be excltable or nervous in a small degree is most distressing, for where can a remedy be found ? There is one :- drink but little wine, beer, or spirits, or far better, rone; take no coffee,-weak tea being preferable; get all the tresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these gold en rules are followed, you will be happy in mind and strong in body, and forget you

have any nerves.

MOTHERS AND DAUGHTERS. If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. In the East and West Indies scarcely any other medicine is ever used for these dis-

whether they secrete too much or too little water; or whether they be afflicted with Which afford a stone or gravel, or with sches and pains settled in the lains over the regions of the kidneya, these Pills should be taken according to the printed instructions directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost imme hate relief when all other means have failed.
