

MARK THESE FACTS!  
THE TESTIMONY OF THE WORLD.

HOLLOWAY'S OINTMENT.

BAD LEGS, BAD BREASTS, SORES AND ULCERS.  
All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin ulcer, a boggy diseased condition remains underneath to break out with tenfold force in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

DIPHTHERIA, ULCERATED SORE THROAT, AND SCARLET AND OTHER FEVERS.

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever tries the unguent in the above manner of the disease named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

PILES, FISTULAS, STRICTURES.

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time, two or three times a day, and that it will be taken into the system, and it will be as effectually as though palpable to the eye. There again bread and water poultices, after rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

INDISCRETIONS OF YOUTH—SORES AND ULCERS.

Bleaches, as also swellings, used, with activity, be radically cured if the Ointment be used freely, and Pills be taken nightly and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humor from the system, and leave the patient a healthy being. It will require time with the use of the Pills to ensure a lasting cure.

DROPSICAL SWELLINGS, PARALYSIS AND STIFF JOINTS.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. While it is the worst case, of such a disease, will yield in a comparatively short space of time when this Ointment is diligently rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

- Ague, Dropsy, Bilious Complaints, Erysipelas, Blisters on the Face, Skio, Bowel Complaints, Fevers of all kinds, Colic, Constipation of the Gut, Head-ache, Indigestion, Sore Throats, Stone and Gravel, Secondary symptoms, Typhoid, Typhus, Ulcers, Rheumatism, Retention of Urine, Scrofula, or King's Evil.

CAUTION—None are genuine unless the words "Holloway, Tew, York and London" are discernible in Water mark in every leaf of the book of directions are on each box or disc; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as will lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in pots, at 25c., 50c., and \$1 each.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients, in every disorder, are affixed to each box.

AYER'S CATHARTIC PILLS

Are you sick, feeble, and complaining, or do you order, with your system deranged, and your feelings miserable? These symptoms are often the result of a constipated bowels, and should be treated by the use of the superior

medicines—Purify the blood, and let the fluids move on unimpeded. They stimulate the functions of the bowels, and vigorously

act upon the system, and with it the buoyant feeling of health again. What is true and so apparent in the trial and common use of these pills, is also true in the deep-seated and dangerous distempers. The same purgative effect upon the bowels, and the same relief to the system, are obtained by the use of these pills, which will not neglect to employ them when suffering from the disorders they cure.

From a Flourishing Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the purgation of all that is great in medicine. They have cured my little daughter of a dangerous disease, and have done her good, and will do so for years. Her mother has been long and grievously afflicted with blotches and pimples, and she also tried your Pills, and they have cured her.

As a Family Physic. From Dr. W. W. Cutler, New Orleans. Your Pills are the prince of purgatives. Their excellent qualities surpass any cathartic in their action on the bowels, which makes them invaluable to us in the daily treatment of our families. I have used them in many of the most distressing cases of biliousness, and they have done me good, and will do so for years. I would ask a trial on the next principle, and will guarantee to all, that it will make long friends, and pay best in the end to pay cash and buy at reduced prices.

Headache, Sick Headache, Pile Hemorrhoids, &c. From Dr. E. D. Edwards, Baltimore. DEAR DR. AYER: I cannot answer you what complaints I have cured with your Pills. I have used them in many of the most distressing cases of biliousness, and they have done me good, and will do so for years. I would ask a trial on the next principle, and will guarantee to all, that it will make long friends, and pay best in the end to pay cash and buy at reduced prices.

DEAR DR. AYER: I have used your Pills in my practice, and find them to be a very valuable medicine. They regulate the action of the liver in quick and decided, and I have seen them cure many of the most distressing cases of biliousness, and they have done me good, and will do so for years. I would ask a trial on the next principle, and will guarantee to all, that it will make long friends, and pay best in the end to pay cash and buy at reduced prices.
