THE LETTER received from our young friend at Camp Curtir, came to late for this week's Stan. I: will appear in our next.

ler Caram - We acknowledge the receipt of a quantity of Ice Cream not yet received from Stohner & Fox, this place. The delicions flavor and purity of the cream we opine, when tasted, cannot be excelled.

In THIS WEEK's paper will be found a proclamation, authorized by the Governor of this Commonwealth, calling for a special election in this Congressional District, to be held on the 22d of June inst. for the purpose of choosing a man to fill the vacancy occasioned by the demise of the Hon. Geo W. Scratton.

Down Town Angap! if not in every respect, in some respects at least. What we would here make known is that, L. T. Sharpless, at the Cheap Cash Store, has on hand an article of first-rate syrup molasses a little superior to any it has ever been our pleasure to speak of. The price is no object, only get the molasses and we'll guarantee that you will be highly pleased with your investment.

IMLEY & BICKNELL'S Bank Note Reporter is a useful and sale money guide. It is reliable, giving in each number explicit information of all counterfeits up to the time of its publication. They publish a semimonthly and a monthly; the former at \$2 per annum, and the latter \$1. Published in Philadelphia. Those of our patrons wish ing something in this line, we would advise them to send for this one in question.

ANOTHER PRINTER from this place has enlisted for the war and joined the Iron Guards of this county at Camp Curtin. That person is least Hartman, who has been an employee in the Stan office for over two years. We have no doubt in his ability to make a brave and courageous soldier -Success to him, and may he live to return after the rebellion is put down with honor to the craft. There are five Printers with the Iron Guards.

A DELEGATE MEETING will be held in this (Bloom) township as well as all the other townships in this county, on Saturday after noon next, for the purpose of selecting two persons as delegates to represent the township in County Convention at this place on the Monday following, when and where two persons will be appointed Conferees to meet similar Conferees from the different Counties, composing this Congressional District, for the purpose of placing in nomi nation some sound Union Democrat to be voted for and elected at the approaching

On SATURDAY last R. B. Ricketts left this place for Camp Curtin with six new recruits. These men were recruited to fill up a vacancy existing in the Iron Guards, caused from desertions and some few not being able to pass a critical examination by the acmy surgeon. The company we understand is full, still lying in Camp Cortin. They have been expecting marching orders for some time, but as yet have not received their uniforms or muskets. The hoys are all well and are in good spirits .-They speak well of their treatment, and of the people generally in and about Camp

DEATH OF A VOLUNTERR. - We learn that on last evening the body of Joseph Gilbor was taken over the Lack. & Bloomsburg R R by this place to Berwick, having been brought from Camp York, where he died of brain fever. He was one of the noble young men who enlisted in Capt. Stewart's Company and was taken to Camp Curin and from thence to Camp York. It was said that he was on duty so late as Friday last .-Once more we are admonished of the fact. "how uncertain is life." The deceased was quite a young man, having no parents living, but two or three brothers and one kind sister to mourn his untimely demise. Too much cantion cannot be taken by our volunteers lest more die of disease than from the effects of the bullet.

THE STATE CAPITAL HOTEL -This is the name of a well regulated public house kept by Mr. Henry Omit, in Harrisburg. It is a pleasant house to stop at-everything cozily arranged and in the best order .-No better entertainment can be bad in that place, if there can, we have not seen it .-The Clerk at this house-Chas. C. Cotter- osnally kept in country stores; to which they is quite a gentlemen, and knows well how to accommodate the guests. To those of our people who frequently visit Harrisburg, we would say stop at the State Capital Ho tel and you will be pleased that you have done so. The eatables and drinkables, which are of no little importance to a traveler, are at this house to be found of the best quality, and plenty of them.

Hollowey's Pills and Ointment -The voice in the "Old Arcade," in Bloomsburg, Co-Ministers of the Gospel are everywhere recommending them while eminent medical men prescribe them for their patients i all cases requiring tonic, disinfectant, antiseptic or alternative remedies. Letters are received from all parts of the United States and the Canadas enclosing orders from respectable physicians or certificates, from elergymen of every denomination, of extraordinary cures effected by the agency of these medicines. If but a tithe of these well authenticated documents were published it would form a respectable sized volume and an interesting addition to the literature of the day. Read the advertise-

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. and for the speedy cure of the following complaints: as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Biotches, Boils, Blains, and all Skin Diseases.

Blains, and all Skin Diseases.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Saraaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; cometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physiciaus, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Saraaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincianati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a monta, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while full off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can will believe that I feel what I am saying when I tell you, that I hold yougo be one of the apostles of the age, and remain ever gratefully.

But it yielded to my administrion of your Sarsaparilla; the ulcers healed, and he is wil again, not of course without some disfiguration to histor. A woman who had been treated for the same distler by mercury was suffering from this poison in her boes.
