CATHARTIC PILLS. Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings unconfortable? These symptoms are often the prelude to

ous illness. Some fit o sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Fills, and cleanse out the disordered bu-mors—purify the blood, and let the fluids move on unobtructed in health again. They stimulate the functions of the body into vigorous ac-

disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, stricts its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pillis, and see how directly they restore the natural action of the system, and with it the bnoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per-

J.RICE

Wis.

From a Forwarding Merchant of St. Louis, Feb. 4, 1858. Da. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Cartwright, Now Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the howels, which makes them invaluable to us in the daily Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Ballimore.

DEAR BRO. ATER: I cannot answer you what complaints I have closed with your Pills better than to say all that we ever treat with a purpative medicine. I place great dependence on an effectual cathartic in my dally contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. PITTSBURG, Pa., May 1, 1855. Dr. J. C. Aven. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach,

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion. Billous Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their pur-pose as an aperiont, but I find their beneficial effects upon the Liver very marked indeed. They have in my prac-tice proved more effectual for the cure of bilious conpictries than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR,

Washington, D. C., 7th Feb., 1856. Sm: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Haspital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperions I have ever found. Their advantive effect upon the liver makes than an excellent remedy, when given in small doses for bilious dysentery and distribute. Their sugar-coating a them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. Dn. Ayun: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and burily the blood, they are the very best remedy I have ver known, and I can confidently recommend them to by friends. Yours, J. V. HIMES.

Wansaw, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SER! I am using your Cathartic Pills in my prac-fice, and find them an excellent purpative to cleanse the system and purify the finations of the blood. JOHN G. MEACHAM, M. D.

Constinution, Costiveness, Suppression, Ithenmatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of

confinence. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe conriginate in the liver, but your Pills affect that organ and cure the discase.

From Mrs. E Ewart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secre-tion when wholly or partially suppressed, and also very effectual to cleanse the stanceh and experiences. They are so much the last physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawket, of the Methodist Epis, Church. Primaria Rev. Dr. Hamiez, of the Malhodist Epiz, Church.

Primari House, Savannah, Ga., Jan. 6, 1856.

However Sir I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic paint, which ended in chronic rhamatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Paton Rouge, La., 5 Dec. 1955. Dr. Aven: I have been entirely cured, by your Pills, of Rheumotic Gout-a painful disease that had afflicted me VINCENT SLIDELL. By Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful conse-quences that frequently follow its incantious use. These
