disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. the disorders they cure.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AVER: I cannot answer you what complaints I have cured with your Pills better than to say all that we dence on an effectual cathartic in my daily contest with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. DR. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach,

which they cleanse at once.
Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion Billous Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoics that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. }
Sin: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consecuted that the same statements of the same statements. quently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspensia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston. Da. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR Sin: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of benest. If others of our fraternity have found then as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E Suart, Physician and Midwife, Boston, I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secre-tion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel norms. They are so much the best physic we have that I recommend

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. PULLSKI HOUSE, Savannah, Ga., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating ficuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent ageat in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855. Dr. Aven: I have been entirely cured, by your Pills, of Rheumatic Gost — a painful disease that had afflicted me for years.

Important Additions & Improvements Autumn Term to Commence August 12

THIS Institution which has been in suc L cessful operation for the past ten years. is about undergoing a very important rer ovation, in order to place it on a more sta. ble basis than ever, and present facilities which are not surpassed by ordinary Academies in Northern Pennsylvania. Among the improvements will be a large three-storied building which will give much additional room and greater conveniences for boarders; a commodious hall for a lecture room and public exercises, convenient class rooms, a library and reading room confaining a cabinet of minerals and euriosities, bath rooms, &c. An experienced and thoroughly qualified classical teacher and ecurer will be at the head of the Board of Instruction, but the Principal will have the general superintendence of the institution and assume a share of the duties of teaching. Regular lectures will be delivered noon various scientific subjects, as well as upon the theory and practice of teaching, and a Normal Class of young men and women who wish to qualify themselves in teachers' profession, will receive 'especial attention and assistance. The course of Instruction in the school

will be thorough and systematic, calculated to embrace the various branches of a practical education. Ample provision will be made for the study of the higher Mathematics, the elucidation of Physics, and the Natural Sciences, by means of suitable apparatus, and for the study of the latin.
