From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dn. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous screes upon her hands and feet that had proved incurable for years. After our child was cured, she also tried your Pills and they have cured her. your Pills, and they have cured her. ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we posses. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, SickHeadache, Foul Stomach From Dr. Edward Boyd, Baltimore.

DEAR BRO. ATER: I cannot answer you what complaints I have cursed with your Pills belter than to say all that we ever treat with a purgative medicine. I place great depen-dence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PRTENURG, PA., May J., 1855. DR. J. C. ATER. Str: I have been repeatedly cured of the worst *heudache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Their regu-lating action on the liver is quick and decided, conse-quently they are an admirable remedy for derangements of that organ. NEEDLE CANNOT BE SET WRONG

Is another column of our paper will be found the proceedings of the so styled Uni on Conterence, which met in this place on Wednesday last A copy of the proceedings was sent us, we presume, for publication. A resolution is attached to the proceedings asking all loyal papers of the District to publish them. As a matter of some interest to out readers, to know who was there and what was done we give them an insertion. We see by those proceedings that Emanuel Lazarus, of Orangeville, Columbia county, and Joseph T. Jennings, of Wyoming county, were nominated. They are now, considered the opponents of TATE and Turros, the Democratic nominess. which nominees we would not mind wagering a Summerbill farm will be triumphantly elected. This Union Ticket, as it is called, will receive nothing more than the usual Republican vote.

WE publish, in this week's STAR, the Act and Wines of various kinds of Assembly, passed July 2d. 1889, granting the right of Volunteers to vote. It needs no explanation, as it is clear and conclusive. There are quite a number of men from this county in the army, and we trust measures will be taken to have them enjoy their rights. They are men, of whom the remaining people of Columbia county may well fell proud. They have left their homes, every thing that was near and dear to them, to fight the battles of their once happy and prosperous contry. When the call was made for Vol unicers, these young noble hearts did not stop to enquire, who, or what, was the cause of all this; but immediately shoulmarched to the scene of conflict. They did all this and it is now the duty of every true friend of the Union, to do all in his power to make them comfottable and happy.

THE candidate for Assembly, on the Union ticket, from Wyoming county, gave us e-call, a few days since. He appeared like a very fine man, and was represented to us as being a Democrat of the Dickinson and Holt stripe. We had no fault to find with all that. He told us that he had not sought pination, had never been a candidate for any office before, and if elected he would represent the constituents of this District to the best of his abilities. Well,
