BLOOMSBURG, PA.

Wednesday Morning, October 2, 1861.

## To Our Patrons.

We have placed all bills due this establishment at present, and those coming due between this and the first of January next, into the hands of our Collector, for collection. He will start out, in a few days, for the purpose of collecting the same, and soliciting subscriptions. We hope all those owing us will be prepared to meet his demands, as we are in need of money, and trust in his meeting with good success. All those who do not take a county paper should embrace this opportunity of subscribing. He will take subscriptions at a very low figure, cash in advance. We endeavor to give as much attention to our paper at present as our support will warrant; and in case of an increased subscription you may expect us to devote more of our attention to its columns. As a local newspaper we consider, and shall continue to make, "our Journal second to none in the county."

SAMUEL MILLER, of Catawissa Valley, had on Friday last, his large farm unrooted, by a heavy storm. It was completely unrooted, being full of grain and hay at the time.

The Democratic ticket is printed at this office, and ready for distribution. Candidates will see that they are gotten to the different election districts.

AT SEVEN, on Friday next, October the 4th, will be held a Mass Meeting. It will be addressed by the Hon. PAUL LIND, and Col. JOHN G. FAZEE. Democrats, turn out! and hear the issues of the day fairly and ably discussed.

EXCURSION TICKETS—Excursion tickets will be issued at half fare, by the Catawissa Railroad Company, to the Annual Exhibit of the Columbia County Agricultural Society, to be held at Bloomsburg, on the 17th, 18th, and 19th of October, inst. Tickets good from the 17th to the 20th.

STEUBEN JAXXINS, Esq., has our thanks for a complimentary ticket, entitling us to a Membership of the Luzerne County Agricultural Society. This Society will hold their Fair at Wyoming, on Wednesday, Thursday and Friday, of this week. This is their Third Annual Fair. We notice a very liberal premium list is offered to exhibitors.

We shall be obliged to any of our readers residing in this, or adjoining Counties, who will contribute to this department of our paper. Send us any news of local interest which may chance to fall beneath your notice. Every item, no matter how trifling in itself helps to make up the interests of the local department. Communications of this kind should be sent in before Tues day afternoon.

FATAL ACCIDENT.—We regret to learn that on Saturday last Mr. John Bine of Valley township, had one of his arms so badly bitten and crushed by a vicious horse, while in the act of unfastening him from the wagon, that he has since died from the injuries received. Amputation was found impossible, and he expired on Tuesday night last amid the most intense agony. His remains were interred in the Presbyterian burying-ground, in this place, yesterday afternoon.—Danielle Intelligencer.

SERIOUS ACCIDENT.—We learn that one of the brakemen, on the Lackawanna and Bloomsburg Railroad, met with a serious accident, on Monday last, about three miles above this place, by being struck by a bridge which crosses the Railroad track. He was standing on the top of a car while the train was in motion. It is feared that his injuries will result fatal. His name, we are informed, is SMITH, of Catawissa, this county.

We learn that John Snyder, of Mifflin township, sustained a heavy loss on Friday last, from the uprooting of over one hundred apple trees by a tremendous storm which swept over this section. We are also informed that a shed, belonging to the estate of Issiah Shuman, deceased, in Mainville, was blown over by the same storm, killing two very fine cows. Much damage was done in the way of tearing up fences and trees all over this county.

ATTENTION COMPANY.—We would state that W. H. EATON is recruiting men to fill up a Columbia county company for the war—Men wishing to join will apply to him at the Recorder's office, at Bloomsburg. The company will be accepted and mustered into service as soon as full. He has now a good number of men already on his roll of enlistment. This is a good opportunity to enlist for the war and attach to a Columbia county company. March up to the scratch, young men, and show your devotion to your country.

Are the candidates nominated by this Republican party, now styling themselves a Union party, better Union men than those nominated by the Democrats? Is not every man upon the Democratic ticket in favor of the Union of the States? We say yes! and that is just what you want. These are the kind of men the people wish and are going to support. The "Union of parties" in this county is a mere trick to catch votes. Do not allow yourselves, Democrats, to be ensnared in this kind of trap.

**ELIXIR PROPYLAMINE,  
The New Remedy for  
RHEUMATISM.**

During the past year we have introduced to the notice of the medical profession of this country the Pure Crystallized Chloride of Propylamine as a

**REMEDY FOR RHEUMATISM:** And having received from many sources, both from physicians of the highest standing and from patients, the most flattering testimonials of its great value in the treatment of this painful and obstinate disease, we are induced to present it to the public in a form READY FOR IMMEDIATE USE, which we hope will commend itself to those who are suffering with this afflicting complaint, and to the medical practitioner who may feel disposed to test the powers of this valuable remedy.

ELIXIR PROPYLAMINE, in the form above spoken of, has recently been extensively experimented with in the

**Pennsylvania Hospital,** and with MARKED SUCCESS (as will appear from the published accounts in the medical journals.)

It is carefully put up ready for immediate use, with full directions, and can be obtained from all the druggists at 75 cents per bottle, and at wholesale of

**WILCOX & GIBBS'**  
**SEWING MACHINES.**

Price with Hemmer and Feller,

**\$35.00.**

THIS MACHINE HAS POINTS OF SUPERIORITY PECCULAR ITS OWN.

**Stitching, Hemming, and Filling with a Single Thread.**

It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances to survive the wash-tub."

A Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention is THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.

Two thousand Sutures, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these will without basting, and keep the finest muslin without puckering.

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.

"It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for."—Boston Transcript.

It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it."—Pall Mall Evening Journal.

"A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburg Chronicle.

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennencyanian.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.

Taking into consideration simplicity, cheapness, durability, and doing all work, the Wilcox & Gibbs as a single thread machine.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—Christian Advocate and Journal.

"We have with your Pills the best and most serviceable medicine I ever used, and I have cured my little daughter with a purgative medicine. I place great dependence on your Pills, and am very anxious to have some more for my wife."—Pittsburg Chronicle.

Dr. AYER: Your Pills are the paragon of all that is good in medicine. They have cured my little daughter with a purgative medicine. I place great dependence on your Pills, and am very anxious to have some more for my wife."—Pittsburg Chronicle.
