THE TESTIMONY OF THE WORLD.
HOLLOWAY'S OINTMENT.
BAD LEGS, BAD BREASTS, SORES AND ULCERS.

All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold force in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation and absorb the matter and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

DIPHTHERIA, ULCERATED SORE THROAT AND SCARLET AND OTHER FEVERS.
Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system and its influence is confined to the throat part, whereas the Ointment will do its work at once. Whoever tries the ointment in the above manner of the disease named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

PILES, FISTULAS, STRICTURES.
The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in the Ointment. Persons suffering from these distressing complaints should lose not a moment in procuring this progress. It should be understood that the Ointment is merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectively as though payable to the eye. Thereafter again bread and water would do great service. This is the only sure treatment for these cases of cancer in the stomach, or where there may be a general bearing down.

INDISCRETIONS OF YOUTH—SORES AND ULCERS.
Blisters, as well as swellings, use with certainty, be radically cured if the Ointment be used freely, and Pills be taken at night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place or break out in another; whereas this Ointment will remove the humor from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.
Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases, of such diseases, will yield to a comparatively short course of this Ointment is diligently rubbed into the parts affected. In all serious maladies the Pills should be taken according to the directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:
Aque, Bilious Complaints, Blisters on the Face, Bowel Complaints, Colic, Constipation of the Bowels, Consumption, Debility, Inflammation, Jaundice, Liver Complaints, Pleurisy, Rheumatism, Retention of Urine, Scrofula, or King's Evil, etc.
CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water mark in every leaf of the book of directions on each pot or box; the same is found on holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in pots, at 25c., 50c. and \$1 each.
There is a considerable saving by taking the larger sizes, as the exchange of bottles at each time, is avoided. Directions for the guidance of patients, in every disorder, are affixed to each box, dated October 10, 1860.

TO THE PEOPLE OF THE UNITED STATES!
IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental suffering, arising from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for disease of the body must invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODS' Imperial Wine Bitters!!
from all who have not used them. We challenge the world to produce their equal. These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely increased by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES, where a Tonic is required to strengthen and invigorate the system. Ladies, who are subject to lassitude and faintness, should be without them as they are reinvigorating in their action.

THESE BITTERS Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may use them. FOR INCIPENT CONSUMPTION.

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

DR. J. BOVEE DODS' Celebrated Wine Bitters ARE UNSURPASSED! For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution, for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading an ordinary life, they will prove truly beneficial. As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity. Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the head, sick Headache or Nervous Headache, Dr. J. Bovee Dod's Wine Bitters will be found to be most Salutory and Efficacious.

THE many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply. DR. J. BOVEE DODS' IMPERIAL WINE BITTERS ARE PREPARED BY an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dod's Celebrated Wine Bitters, has had them analyzed by two distinguished medical practitioners, pronounced them a valuable remedy for disease.

Although the medical men of the country as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medicinal properties, who will not highly approve of DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, those bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS Are composed of a pure and unadulterated Wine combined with Berry, Solomon's Seal, Confrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dod himself, who is an experienced and successful Physician, and his name should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEVERAGE.

Purchase One Bottle! It Costs but Little! Purify the Blood! Give Tone to the Stomach! Renovate the System! One 1/2 Bottle, 6 BOTTLES \$5; Prepared and sold by CHARLES WIDFIELD & CO., SOLE PROPRIETORS, 78 William Street, New York.

For sale by Druggists and grocers generally throughout the country. August 28, 1861—1y.
