changed their time table, again. It can be seen in another column. Those whom it may concern had better examine it. To keep the running of railroads now a days, it will require one to be pretty smart, for they are continually changing.

in the field unhusked. It is high time it was housed-the time for feeding it has arrived. The corn crop in certain districts in this county has turned out to be most ex- "I have been afflicted with piles, accomcellent. The crops generally this year have been good, better, to take them al! through, than they have been for several years past.

Frank Leslie's Monthly, or Gazette of Fashion has been received for the month of December. It is heavily laden with handsome illustrations and choice reading. It is a massive publication, surpassing all others fever. I took two doses of in quantity of matter, and ranks among the foremost ones in every other respect. Price \$2; published at 19 City Hall, New York.

INFORMATION is sought by Charles H. Maty, for the whereabouts of Montgomery Mason, a boy aged about 15 years, 51 feet high, a little cross-eved, and tight complexion, who left his parents on Tuesday ever used ning of last week. Any information of his whereabouts will be thankfully received.

Snow fell at this place on Sabbath last in large flakes, and in quantity sufficient to have made excellent sleighing had the bottom been in the proper condition to receive it. This is the second snow of the season, in this section. It looks quite wintery out, at present writing. Some of the "oldest inhabitants" tell us we are going to ough Liver and bilious remedy." experience a severe winter but we hope not. The condition the country is in, it would not be suitable.

Our subscribers in the country complain and was entirely cured. I have had no very much in regard to the non receipt of attack since." their papers. We can assure them that we mail the Star regularly to their address, and 8th Street, Williamsburg, L. L., writes we believe that the Postmaster at this place forwards our packages punctually. But there | bilions attacks, I was advised by a friend must be a"screw loose" somewhere among to try the P. M's and we are determined to find out where it is. We shall not hesitate a moment to report to the Department any wilful misconduct or careless negligence.

WE are requested to state through the columns of the STAR, that the Stores, Shops and places of business generally, will be closed on Thanksgiving Day, to-morrow, Thursday. This is a day set a part by the Executive of this State as the time for giv- take no other, but inclose One Dollar in a ing thanks to the Almighty for the many and letter, and on receipt of the money, the bountiful blessings he has bestowed upon the people of this Commonwealth during the past year. Of course, every body who can afford it, will get up a good dinner for themselves. How well we shall fare on that day, is a little too far a head for us to epeculate.

NEWSPAPER BLANKETS .- Sometime since an item ran the rounds of the newspapers to the effect that a newspaper placed between the bedcloths added greatly to the warmth of the covering. Very little attention was given to the statement at first, but intelligent per- ment of men and boy's wearing apparel, cons inform us that it is really true and that | including the most fashionable a newspaper under the counterpane or under the jacket is really very effective in Box, Sack, Frock, Gum, and Oil Cloth Coats keeping the body comfortable. Texture of of all sorts and sizes. Pants of all colors the paper is so close that it both keeps out shawls, stripes and figure vests, shirts, crathe cold air and keeps in the bodily warmth vals, stocks, collars, handkerchiefs, gloves, better than cloth.

LIEUT. ENT and SERGEANT PRICE, who have been home on furlough, left this place, on made to wear, and most of it is of home Saturday last, with a half dozen raw recruits | manufacture. for Camp Crosman, for the purpose of joining the "Hurley Guard," which company is attached to the 84th Regiment, commanded by Col. Murray, and is expected to march down upon the "sacred soil' in a very short time. This company has its complement of men, and no doubt will receive a prominent position in the Regiment which they justly merit. It is well officered, chants' Exchange, &c. &c. proficient in drill, men of a medium size, and excellently equipped

Passengers wishing to travel north on Class Resturant attached to the Hotel. the Catawissa railroad must be at Rupert Price according to the Bulls of Fare. Station by 3:44 P. M, and those desiring to go southward will be at the Station at 10:55, A. M. Those going to Philadelphia by this road, and upon the (mail) train here mentioned, will arrive there in good season; in time for early tea. This road is doing a pretty snug business from all accounts and safest and best managed roads in the State, ed from the eastern cities her fall and and few if any outside are more ably con-

lished the death of Mrs. EUPHAMIA SMITH, of Jackson. She had been confined to her room with an attack of fever and under the treatment of her physician was improving, but during a temporary derangement of mind she attempted suicide by cutting her throat with a razor. The attempt was made in the morning and she died in the evening. A more affectionate family did not reside in the county. The occurrence has cast a gloom over the whole neighborhood where they reside, and all deeply sympathise with the friends in their sad bereavement.-Re-

DARLING'S LIVER RECULATOR AND

BURE BUTTERS. Are pure vegetable extracts. They cure all billious disorders of the human system. They regulate and invigorate the liver and kidneys: they give tone to the digestive organs; they regulate the secretions, ex-SHERIFF SAYDER had several new boarders cretions and exhalations, equalize the cir culation, and purify the blood. Thus, all bilious complaints-some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness-are entirely controlled and cured by these remedies.

WILCOX & GIBBS' SEWING MACHUNES.

Price with Hemmer and Feller, \$35 00.

THIS MACHINE HAS POINTS OF SUPE-RIORITY PECULIARY ITS-OWN. Stitching, Hemming, and Felling with

a Single Thread. It forms a neat, ever, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and which are not surpassed by ordinary Acadalso under all circumstances "to survive the wash-tub"

A Patented device of great utility to storied building which will give much adlearners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress. Another feature which deserves particular attention is THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG. Two thousand Sitches, or two yards of work, can be done in one minute without

dropping a stitch. These Machines, so simple and accruate in their construction supersede the use of and assume a share of the duties of teachthe shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these fell without upon the theory and practice of teaching. basting, and hem the finest muslin without

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time-"It is emphatically the good, low priced Family Sewing Machine that the public to embrace the various branches of a prachave long been waiting for."-Boston Tran- tical education. Ample provision will be

"It is indeed a wonderful production, and and for family use especially, no other will bear any comparison with it." Padadel phia Evening Journal." 'A mechanical wonder.' -- Scientific Amer

"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get

out of repair."-Pursburg Chronicle. "Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."-Pennsyl-1 "This machine, in the opinion of the

committee, fills more nearly the requirements of a perfect family machine than any on exhibition."- Franklin Institute Exhibition Report of 1858. "Taking into consideration simplicity. cheappess, durability, and doing all work. the committee were unautmous in favor o

the Wilcox & Gibbs as a single thread machine."-Pennsylvania State Agricultural Society's Report "We must, in Justice, express our confidence in the ments of the Wilcox & Gibbs Sewing Machine. We consider that a great desiderarum has been supplied by it, in proving, beyond coubt, that two threads are

not, as was supposed, necessary to a good instrument."-Christian Advocate and Journal, June 21, 1860. "We have one of these machines in use. and think more highly of it than of any of the number we have tried."-Richmond

The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and as the least liable to require regair. OLIVER CRANE.

Boston, July 3, 1860. The undersigned, during eighteen months has had in almost constant use, in his famv. Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family-from muslin to pilot clothincluding the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and is in all respects, well appointed, efficient and durable.

GREENWOOD SEMINARY AND COLUMBIA COUNTY NORMAL INSTITUTE

AT MILLVILLE, PENN'A. In portant Additions & Improvements

Autumn Term to ommence August 12. THIS Institution which has been in suc L cessful operation for the past ten year. is about undergoing a very important reovation, in order to place it on a more stable basis than ever, and present facilities variety of human diseases in which the emies in Northern Pennsylvania, Among the improvements will be a large threeditional room and greater conveniences for boarders; a commodious hall for a lecture room and public exercises, convenient class rooms, a library and reading room containing a cabinet of minerals and enriosities. Melancholy, which are the general sympbath rooms, &c. An experienced and thoroughly qualified classical teacher and legiorer will be at the head of the Board of Instruction, but the Principal will have the general superintendence of the institution ing. Regular lectures will be delivered upon various scientific subjects, as well as and a Normal Class of young men and

teachers' profession, will receive especial attention and assistance. The course of Instruction in the school will be thorough and systematic, calculated made for the study of the higher Mathemattes, the elucidation of Physics, and the Natural Sciences, by means of suitable apparatus, and for the study of the latin. Greek, and German languages, to enable students to qualify themselves for commercial and scientific pursuits, or to enter any

class at college. The country location of this Seminary in a plessant village, in a healthy and flourishne neighborhood, well known for the elevated tone of its moral sentiment, and where the pupils are not surrounded by those demoralizing influences, and temptations found in our cities, larger towns and many other localities, with no outside influences to divert their attention from literature and the work of mental culture, presents attractions and inducements to considerate parents emulous students, seldom found surrounding large schools and acad-

The Literary Society also, one of the oldest and best conducted in this section of country, presents an attractive feature and useful auxillary, to a practical education. The improvements will be under the immediate charge of an efficient Board of

Trustees, appointed by the Seminary Company and will be completed in time for the Automn term, to commence the 12th of Acquist pext. While thankful for past patronage we wish to merit a continuance of similar fas vots, and as we intend to include a higher

grade and wider range of instruction, we

re-pectfully solicit a careful examination into our facilities and claims. Terms: Boarding, washing, tuition; lights and incidental expenses, for one quarter of eleven weeks, will be Thirly Dollars, one half pavable in advance-the other half and all untion bills will be expected prompt-

ly at the expiration of each quarter. Boarding, with furnished rooms, one quarter

Fustion in common English brankes 5,00
