

THE CARRIER BOY OF THE STAR requests to return to his patrons his most profound thanks for the liberal manner in which they received him on New Year's day.

The Susquehanna river is completely frozen over at several places not far from this place; and it is being crossed by foot-bridges. This is proof of having pretty cold weather.

Those of our citizens who have ice-houses are busily engaged filling them with ice taken off Fishing Creek. It is as clear as crystal and about seven inches thick.

In another column of the STAR we print a few verses, which were taken from the pocket of a dead rebel, at the late battle at Drainesville, and sent us by a member of the 'Iron Guard.'

MINUTES.—In this number of our paper will be seen the minutes of the meeting of the Columbia County Teachers' Institute, which convened at Catawissa on the 24th, ult., and adjourned on the 26th. Read them, they are explicit and well prepared.

We would give special notice to all those who wish to discontinue the STAR at the commencement of the 14th Volume, which begins with this number, can do so, by stepping into the Captain's office and squaring up all arrears.

THE BOARD OF RELIEF, for this county, had a meeting in this place on Saturday last, and paid out to the relief of the soldier's wives (to those whose husbands have not yet received any pay from the Government) in the neighborhood of eighty dollars.

THE COUNTY AUDITORS are in session at the Commissioners' office, in this place, auditing the affairs of the county preparatory to having them published. GEORGE M. HOWELL, of Fishing Creek, JOSEPH B. KIRK, of Franklin, and JOHN F. FOWLER, of Pine, compose the board of auditors. They are fair and competent accountants.

DEDICATION.—The Methodist Episcopal Church Edifice, recently erected in Millville, Columbia Co., will, by Divine Permission, be dedicated to the worship of the Triune God, on Sabbath, the 19th day of January. Service to commence at 10 o'clock, A. M. The public are cordially invited.—Ad. M.

WE HAVE heard it said that DEXTER, LEV, Esq., was a secessionist! We don't believe it. Why would he allow two of his sons to go into the Federal army, which we know they did not do without his consent. If he was the kind of man some cowardly Republicans at this place would have the public believe. Shame on the slanderers!

COTILLION PARTY.—We would state to the public generally that, a cotillion party will be held on Friday evening next, at the Madison House, in Jerseytown, this county. The popular landlord, SAMUEL RIMBY, at the request of many friends, has made adequate preparations, for the entertainment of this party. We expect there will be a general turnout, as this is a desirable place to have social gatherings.

WE understand that the people of Jordan township, adjoining the upper end of this county, are considerably excited in consequence of finding a fine looking bay Mare, in the woods near "Balls Ridge," shot through the head. The animal had a black mane and tail, and both hind feet were white. There is some mystery about the matter. Who can explain it? Can it be possible there was any foul play?—Republican.

NEW YEAR'S DAY dawned as mildly as a morning in early Spring, closed with a violent hurricane. From sun set till midnight, the wind blew lively, leveling fences, in places, overturning chimneys, and doing other damage in its mad frolic. Since the gale, we have had cold weather, accompanied by a pretty good fall of snow, which bids fair to make sleighing. The snow fell on Sunday morning—On New Year's day, all was quiet in our peaceful village, nothing happening to mar the pleasures of the day. Stores and places of business were generally closed.

GEORGE S. TROTTER, Esq., of Tunkhannock, Wyoming county, one of our present members of the State Legislature and who was denounced by the Republicans last fall when a candidate on the Democratic ticket, as a rank secessionist, paid his friends and fellow Democrats in this place, a social visit on Friday last, while on his way to Harrisburg. He looked well, enjoyed good health, and talked more Democratic than ever. He with his colleague, Col. LEVI L. TATE, arrived in Harrisburg on Saturday last. They will be a tolerably strong team on local as well as State affairs. Our local interests will have safe guardians. Any thing of interest transpiring in the Legislative proceedings this winter we will endeavor to make our readers familiar with it.

THE GREENWOOD RANGERS.—Capt Miller and Capt. Utz, of the Greenwood Rangers, "those fellows mit long knives made of old scythes," which scared poor Staley so terribly, has left for the seat of war, in company with Capt. McClure, of the 1st Penna Heavy Artillery. Capt. Utz is accompanied by a large number of the Rangers, fine stalwart men of the true Democratic stamp. Thus it is, while such abolitionists as this Staley, go about slandering their neighbors denouncing them as "Jeff. Davis' Reserves," too cowardly to shoulder the musket themselves, the objects of their vituperation are off fighting the battles of the Union. We hope that hereafter, these whining satellites of the Tribune, will either follow the example of Captains Utz and Miller, and their men and shoulder the musket or stop their slanders for the future.—Danville Intelligencer.

Appointments by the Commissioners.

The Commissioners of Columbia county have made the following appointments for the ensuing year:
Commissioner's Attorney.—John G. Freeze.
Clerk to the Commissioners.—R. C. Fruit.
Mercantile Appraiser.—Wm. H. Jacoby.

SAD ACCIDENT.—On Monday evening week a son of Reed Noidig, aged about 5 years, residing near Sunbury, met with a sad accident which resulted in his death. A gun attached to the ceiling of the room became detached from its fastenings and fell to the floor. The concussion produced by the fall discharged the gun, shooting the boy in the body, causing his death in less than an hour.—Milltown.

GEORGE N. ADDISON, who carried on a barber shop in Court House Alley, in this place, has removed his place of business to the shop formerly occupied by Charles H. Noll, in the white frame building nearly opposite the "Arcade," Main Street, where he will be pleased to see his customers give him a call. He is a tolerably good barber, and by strict attention to business will do well.

THE up mail train on the Catawissa railroad ran off the track on Tuesday afternoon last, which caused some little detention of the train. Considerable snow being on the track has made it bad railroading for the last few days.

THE letter from our young friend at "Camp Overtueffer," came too late for this week's issue. Please continue them.

And now consider myself entirely cured."
Hon. John A. Cross writes, "Brooklyn, March 15, 1860. In the spring of 1850 I took a severe cold, which induced a violent fever. I took two doses of

DARLING'S LIVER REGULATOR,
It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have felt nothing of it since."
Otis Sudley, Esq., 128 East 28th Street, N. Y., writes, "August 13, 1860—I had a difficultly with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used

DARLING'S LIVER REGULATOR, and Life Bitters.
I passed colored blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."
Mrs. C. Tebow, 11 Christopher Street, N. Y., writes, "Feb. 20, 1860.—I have been subject to attacks of Asthma the last two years. I have never found anything equal to

DARLING'S LIVER REGULATOR, in affording immediate relief. It is a thorough Liver and bilious remedy."
Mrs. Young, of Brooklyn, writes, "Feb. 28, 1860.—In May last I had a severe attack of Piles, which confined me to the house. I took one bottle of

Darling's Life Bitters, and was entirely cured. I have had no attack since."
Dr. Westcott, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes, "August 5, 1860.—Having been troubled with difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

DARLING'S LIVER REGULATOR.
I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a

FAMILY MEDICINE.
When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."
