GREENWOOD SEMINARY

AND, COLUMBIA COUNTY NORMAL INSTITUTE AT MILLVILLE, PENN'A.

In portant Additions & Improvements

Antumn Term to ommence august 12 THIS Institution which has been in suc L cessful operation for the past ten year. is about undergoing a very important ler ovation, in order to place it on a more stable basis than ever, and present facilities which are not surpassed by ordinary Academies in Northern Pennsylvania, Among the improvements will be a large threestoried building which will give much ad- Flattering Testimontals of t . Reat Value ditional room and greater conveniences for boarders; a commodious hall for a fecture room and public vercises, convenient class rooms, a library and reading room containing a cabiner of minerals and enriosities. bath mom-, &c. An experienced and thoroughly qualified classical teacher and leginter will be at the head of the Board of Instruction, but the Principal will have the general superintendence of the institution and assume a share of the duties of teaching. Regular lerinses will be delivered moon various sejentific subjects, as well as upon the theory and practice of teaching, and a Normal Class of young men and women who wish to qualify themselves for teachers' profession, will receive especial

attention and assistance. The course of Justraction in the school will be thorough and systematic, calculated to embrace the various branches of a practical education. Ample provision will be made for the study of the higher Mathemattes, the elucidation of Physics, and the Natural Sciences, by means of suitable anparatus, and for the study of the latin, Greek, and German languages, to enable students to qualify themselves for commereral and scientific pursuits, or to enter any class at college:

The country location of this Seminary in a plessant village, in a healthy and flourishing neighborhood, well known for the elevated tone of its moral sentiment, and where the popils are not surrounded by those demoralizing influences, and temptations found in our cities, larger towns and many other localities, with no outside influences to divert their attention from hierature and the work of mental culture, presents attractions and inducements to considerate parents emulous students, seldom found surrounding large schools and acad-

The Literary Society also, one of the old- same, est and best conducted in this section of country, presents an auracuve feature and useful auxillary, to a practical education. The improvements will be under the immediate charge of an efficient Board of Trustees, appointed by the Seminary Company and will be completed in time for the Autumn term, to commence the 12th Main Street, two doors above the 'Amer'of August next.

While thankful for past patronage we wish to merit a continuance of similar fa- including the most fashionable vors, and as we intend to include a higher grade and wider range of instruction, we re-pecually solicit a careful examination into our facilities and claims.

Boarding, washing, tuition, lights and

ELIXIR PROPYLAMINE The New Remedy for

During the past year we heve introduced o the notice of the medical profession of this country the Pure Crystalized Chloride of

REMEDY FOR RHEUMATISM! And having received from many sources, both from physicians of the highest stand.

ng and from patients, the most in the treatment of this painful and obstinate disease, we are induced to prevent it to the public in a form READY FOR IM-MEDIATE USE, which we hope will commend itself to those who are suffering with this afflicting complaint, and to the medical practitioner who may feel disposed to test the powers of this valuable remedy. ELIXIR PROPYLAMINE, in the form above spoken of, has recently been exten-

sively experimented with in the Pennsylvania Hospital. and with MARKED SUCCESS (as will arpear from the published accounts in the medical journals)

It is carefully put up ready for immediate use, with full directions, and can be obtained from all the druggists at 75 cents per bottle, and at wholesale of
