Aver's Sarsaparilla.

Are you sick, feeble, and complaining? Are you out of order, with your system diranged, and your feelings in comfortable? These symptoms are often the prelude to serious lilness. Some fit of sickness is creeping upon you and should be averted by a timely use of the right reriedy. Take Ayer's Pills, at deleanse out the disordered homes—purify the blood, at diet the fluids move on unonstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make the fluids move on the obstructions which make the surrounding organs, producing general aggravation. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, curad by the same means.
