

**WILCOX & GIBBS' SEWING MACHINES.**

Price with Hammer and Feller, \$35.00. THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.

**Stitching, Hemming, and Felling with a Single Thread.** It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances to give the work the desired finish.

A patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress. Another feature which deserves particular attention is the **WILCOX PATENT NEEDLE CANNOT BE SET WRONG.**

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch. These Machines, so simple and accurate in their construction, surpass the use of the shuttle, and with one thread produce all the practical results of the two thread machines; and more, for these fell without basting, and hem the finest muslin without puckering.

Although at about half the price of the other first class machines, they are completely double in their construction, and are emphatically the good, low priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.

It is indeed a wonderful production, and for family use especially. It will bear any comparison with the No. 1 Patented Sewing Machine.—Scientific American.

"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Fittsburg Chronicle.

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvania.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any exhibition."—Franklin Institute Exhibition Report of 1858.

"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving beyond doubt, by its own merits, that it is a simple, necessary to a good instrument."—Christian Advocate and Journal, June 21, 1860.

"We have one of these machines in use, and think more highly of it than of any of the number we have tried."—Richmond Whig.

The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and is perfectly able to require repair. —OLIVER CRANE, Boston, July 1860.

The undersigned, during eighteen months has had in almost constant use, in his family, Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family—from muslin to the heaviest including the clothing required for his several boys; and he has never had the least trouble in its use in his family has required no repair, and is in all respects, well appointed, efficient and durable. —JACOB CHICKERING, Boston.

**TO THE PEOPLE OF THE UNITED STATES!**

IN the month of December, 1858, the undersigned for the first time offered for sale to the public, his **ROYCE DODS' IMPERIAL WINE BITTERS**, and in this short period he has given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising from a neglected Stomach, is almost surprising, and it is therefore of the utmost importance that a strict attention to the least and most baffling bodily ailment should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask a trial of

**DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!!** from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely untraced by any other remedy on earth.—To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than the other wines, warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system, and give a fine tone and healthy action to all its parts by equalizing the circulation, removing obstructions, and promoting general warmth. They are also excellent general warmers. They are also excellent for all cases of Weakness peculiar to FEMALES, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.

**THESE BITTERS** Will not only cure but prevent Disease and in this respect are doubly valuable to the person who may use them. For the INCURABLE CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

**Dr. Dod's Celebrated Wine Bitters ARE UNSURPASSED!** For Sore Throat, so common among the Clergy, they are truly valuable. For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Teachers, and all others leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating, and are a valuable remedy for nervous debility, and the use of excessive strong drink, and which will refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and are long time used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease. In all Affections of the head, sick Headache or Nervous Headache, Dr. Dod's Imperial Wine Bitters will be found to be most Salutory and Efficacious.

**TESTIMONIALS.** The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women whose Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will all strive to keep a supply.

**DR. J. BOVEE DODS' IMPERIAL WINE BITTERS** Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dod's Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, pronounced them a valuable remedy for disease.

Although the medical men of the country as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medicinal properties, who will not highly approve of DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous mist is created, those Bitters should be used every morning before breakfast.

**DR. J. BOVEE DODS' IMPERIAL WINE BITTERS** Are composed of a pure and unadulterated Wine, combined with Barbary, Solomon's Seal, Confrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dod himself, who is an experienced and successful Physician, and whose name should be placed on each of the bottles, and never should be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that case after case is now made responsible as a TONIC, MEDICINE AND A BEVERAGE.

**Purchase One Bottle!** It Costs but Little! Purify the Blood! Give Tone to the Stomach! **RAYMOND'S FAMILY SEWING MACHINE!**

PRICE \$10 EACH. MESSRS ZUPPINGER & ROBBINS, of Bloomsburg, having purchased the exclusive right of the above valuable Improved Cheap Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families.

The following are some of the superior advantages this implement possesses, viz: 1. It sews from 400 to 600 tight stitches per minute.

2. Double thread Machines are from the more complicated character of their mechanism invariably managed and threaded with more or less difficulty, more so with RAYMOND'S, which can be done in two hours, and it is threaded easier than a common needle.

3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism. 4. It can be attached to a tread table or stand in operating order, and removed in less than half a minute.

5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a qualification not known to all kinds of Sewing Machines. 6. It is so constructed that a person of ordinary human hand is capable of producing a seam so regular and systematic.—The seam is so strong if well done, that the strongest material will tear before the seam will give way.

7. Among the array of Patent Sewing Machines, there are none so cheap and so durable as the one we offer. No Machine is adapted to all kinds of work as experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family, and at such a moderate price as RAYMOND'S PATENT.

8. The operator can shape his seam just as he pleases, waves, leaves and joins, &c., can be represented or imitated. 9. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, bosoms, ribbands, collars, &c.—and all kinds of ladies' sewing, including gowns, lawns, &c. It is also adapted to all kinds of heavy work, such as this Machine is either too light or too heavy.

10. But we all admit, that the advantage to health, and principally to the vision of the eyesight, induced by the use of Sewing Machines, surpasses infinitely all other advantages. 11. This Machine fastens the seam always itself, but if the operator wishes it unfastened or open, there is a way for it too, thus you can have it fastened or open, as you please, which is, some times, especially for beginners, a very favorable circumstance. 12. It can be run either connected, or set apart in five or ten seconds and save the thread.

For sale by the undersigned, at their respective residences, in Bloomsb., who will put the Machine in operation and give all necessary instruction. DANIEL ZUPPINGER, D. W. ROBBINS, Bloomsb., July 11, 1860.

**WORMS AND PHOENIX BITTERS.** THESE MEDICINES have now been tested by the public for a period of Thirty Years, and during that time have maintained a high character in almost every part of the Globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which these VEGETABLE LIFE MEDICINES are well known to be infallible. DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of a state and acid kind; Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Laugour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVE MEDICINES have no equal in the relief of the intestines, with a solvent process, and without violence; all violent purges leave the bowels colicive within two days. FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in the lungs, and the natural secretion of all intestinal obstructions, in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints. DROPPES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the windings of the bowels the slimy matter to which these creatures adhere, and creating ULCERS, and INVERTED SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors. SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids of the body, and the morbid state of which occasions all eruptions, complaints, sallow, cloudy and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. Common Cold and Influenza will always be cured by one dose, or by two in the worst cases. PILES.—The original proprietor of these Medicines, was cured of Piles, 35 years standing by the use of the Life Medicines alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a speedy and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, be Satisfied and be Cured. BILIOUS FEVERS AND LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of the Female System, have been cured with the most beneficial results in cases of this description: Kings Evil, and Scrofula, in its worst forms yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Pains in the Head, &c., are speedily cured.
