

STAR OF THE NORTH

BLOOMSBURG, PA.

Wednesday, Morning, March 13th, 1862.

The funeral of CYRUS BARTON, of E-py, was largely attended.

The frost coming out of the ground in this section pretty fast. The roads will soon be in good condition.

Simon Cameron proposes to leave about the first of April for the scene of his mission, at St. Peter-burg.

Our Western patrons are expected to pay their indebtedness to us by the first of April, if not we will be obliged to make an example of some of them.

Those of our patrons to whom we have sent their bill of indebtedness to us, will please bear in mind that we will not send the second bill.

Robert C. Kirk Esq., has been appointed Minister to the Argentine Confederation, in place of Robert M. Palmer, of Portville, who asked to be recalled on account of ill health.

The person who removed the key from our office door, one day last week, would do us a favor by returning it. We don't consider it a joke to have a key taken mischievously or otherwise.

Our Army correspondent—Toledo—is on hand again, this week, with a letter scolding the Republican party and the weak minded Democrats pretty effectually. His second letter came to late for this week's Star.

Daniel W. Robbins' wholesale liquor dealer in this place, desires 'tis to state that, he has been lately reinforced, at his establishment, with several barrels of choice liquors. Mr. Robbins bears the reputation of being an honest dealer in spirituous liquors, and it is believed keeps a good article.

The Federal troops are in Leesburg, a strong hold of the rebel forces. This place was evacuated on last Friday, the rebels going to what they deemed more comfortable and safe quarters. Their destination from Leesburg is not positively known; but it is presumed they have gone to Winchester, where they are strongly fortified.

Stephen Girard's name will have always considered advertising, liberally and long to be the great medium of success in business and prelude to wealth. And I made it an invariable rule to advertise in the fullest terms, long experience having taught me that money thus spent is well laid out, as by keeping my business continually before the public, it has secured me many sales that I would otherwise have lost.—Stephen Girard.

We published, last week, in common with our contemporaries generally, as a matter of news, the Message of the rebel President. The Republican of this place thinks it a awful thing that we should publish Old Jeff's Message "without a word of censure or condemnation." Now, we observe in the last issue of the Republican the late speech of Jim Lane, of bleeding Kansas notoriety, which is the very compound essence of Abolitionism, plunder and murder, and all of which is published "without a word of censure or condemnation."

"STOP BY PAPER."—Who says that? Is it the poor laboring man, or those in midling circumstances? No, for they know how to enjoy life too well, and love the luxury of reading the news and the local affairs of their immediate neighborhood, and many useful lessons of instruction by which their families are interested, but it is those that are rich in this world's goods, who call in and say they are taking a paper from New York of Philadelphia, and cannot afford to take more than one paper these hard times, not even if they can get it a whole year, delivered at their door or nearest post office for one dollar.

The funeral services of the Rev. Isaiah Bahl, of Berwick, on Sabbath last, were, we learn, largely attended. A special train of cars was run from this place, upon which members of the Masonic Order, and a number belonging to order of Old Fellows, were conveyed to Berwick and back. The funeral sermon was preached both in German and English. Rev. J. R. Dimm, of this place, preached a sermon in English. It is said to have been the largest funeral ever witnessed in Berwick. The deceased was much esteemed and respected by all who knew him, and enjoyed the acquaintance of a very large circle of friends.—He has been a Minister of the Gospel upwards of forty years, and has married more people than any two men in this county.

The Republican of this place seems to pick at an article, published by us two weeks ago, on the subject of "blotting out States." Our article simply stated that, the territorial Committee of both Houses had nearly matured a bill which proposed to divide the whole rebel county into Territories, organized as if embracing newly settled land under Territorial Governments, the organic law of which, taking no notice of any of the peculiar institutions of the late rebel States, shall treat them as free territory. This project does not, in our opinion, meet general favor, and we shall oppose it, as every true friend of the Constitution and the Union should do. Congress has no power to blot a single State out of the Union, taking any notice of any of the peculiar institutions of the rebel States or not. We care nothing about the Republican's "horse thief" argument, for it does not meet the case. But if the Republican editor sees fit to bolster up the Abolitionist, some in his plan of blotting out States, and thus over ride the Constitution, simply for the purpose of getting rid of Slavery (for it cannot possibly help the Union cause), then we have nothing further to say, but look elsewhere for true friends of the Union.

We want to put down this rebellion, and that without waging war for any purpose of conquest or subjugation, or purpose of overthrowing or interfering with the rights or established institutions of those States.

The Members of the Democratic Association are earnestly requested to meet at their room to-night (Wednesday evening) at half past seven o'clock.

David Lowenberg has just received from New York an assortment of spring Goods—Davy is the first in market with new goods and has the most fashionable. Call and see his Cloths, Casimers and vestings, with a general variety of other goods used in the clothing line. He also has a fine case of jewelry, all of which he will dispose of at fair rates; in fact cheaper than can be had elsewhere these Lincoln times.

Spring Election.—On Friday of next week will be the day fixed for the holding of our spring elections in the different boroughs and townships throughout this county. The officers to be filled, through local sites, have their importance, as well as those of a State or National character. Caution should be exercised that the best men be chosen.—Loyal democrats—men of experience and ability—are the men that should be chosen in every instance possible. The office of Justice of Peace, and that of School Director, are posts of considerable importance to the people generally. And we would say to our readers, elect Democrats whenever it is in your power to do so. Let the Republicans talk about party, we don't want them in our party. We have had fifteen years of their rule, and since this Republican party came in power we have got rid of them.—Floyd included—and that being the case we would insist on the Democratic party to not have anything to do politically with them for they are the father of all robbers. But, the Republican press of this place would seem to justify the thieving duty by its party upon the ground that they—the Republicans—were the first to expose the frauds. This is cool. The frauds were being carried on to such an extent that it had to be done by the Republicans, in order to save that party a little longer?

Not only are your Pills advertised for the purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice effected more relief for the Liver, than any other remedy I can mention. I also regret that I have not had time to write more fully of the efficacy of your Pills in the cure of the various diseases to which the Liver is so liable. I have had many cases of Bilious Disorders—Liver Complaints.

Headache, Sick Headache, Pool Stomach, &c. I have used your Pills with great success. I have cured with your Pills better than with any other I ever used with a purgative effect. I have given your Pills to many of my patients, and they have all been cured. I have had many cases of Bilious Disorders—Liver Complaints.

The war is going on in Arkansas in earnest. Our late intelligence states that three days hard fighting had been done, and a most glorious victory was achieved over the confined rebel forces. Our loss is stated at one thousand, the rebel loss much larger. The rebel Generals in the action were as follows: Van Don McCulloch, Price and McIntosh. The rebel force was led by Gen. McClellan by H. W. Halleck, Major General C. Mansfield, Gen. Sigel, provisions and ammunition in large quantities were captured. Our Cavalry are in pursuit of the flying enemy. The battle took place at Sugar Creek.

It is rumored and fully believed that Winchester was evacuated on the 9th inst. by the rebels. Intelligence from all quarters greatly encourage all friends of the Union, as indicating a speedy termination of this war. All prominent places between Charleston and Winchester are occupied by our troops.

We have information from Fortress Monroe of a naval battle which took place some few days since. Several of our ships were badly injured—we believe two sunk—in the engagement. We are unable to give the loss of lives, nor have we the space to give the full particulars. The whole affair is regarded by our officers as a victory, growing out of a severe and sharply contested naval engagement. We may expect to hear it thunder directly in all quarters and that pretty terrifically.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of humor, and your feelings unstrung, and your system deranged, and your bowels constipated? These symptoms are often the result of a disordered state of the bowels, and should be removed by a timely use of the right medicine. Ayer's Cathartic Pills, will cleanse out the disordered system, and restore the bowels to their natural state. They stimulate the functions of the body into vigorous activity, purify the system, and remove all obstructions, which may have accumulated in the bowels, and restore the natural functions. They do not irritate, and do not produce any of the dangerous effects of other cathartics. They are a safe and reliable remedy for all cases of constipation, and are highly recommended by the medical profession.

As a Family Physic. From Dr. E. W. Coster, of St. Louis, Mo. "I have used your Pills for several years, and they are a most reliable and safe cathartic. They are mild, but very certain and effectual in their action on the bowels, which makes them valuable in the early treatment of disease."
