Ayer's Cherry Pectoral.

Are you sick, feeble, and complaining? Are you out of order, with your system de ranged, and your feelings un counfortable? These symptoms are often the prelude to surious illness. Some fit of alchess is creeping upon you and should be averted by timely use of the right remely. Take Ayer's Pills, and cleanse out the disordered humbers—purify the blood, and let the fluids move on unodistructed in health again. They stimulate the function of the body into vigorous a divity, purify the system from the obstructions which make of the body into vigorous a divity, purify the system from the obstructions which make of the body into vigorous a divity, purify the system from the obstructions which make of the body into vigorous a divity, purify the system from the obstructions which make of the body into vigorous a divity, purify the system from the obstructions which make of the body, and of the system, and the surrounding organs, producing general aggravation, suffering, and diseas. While in this condition, oppressed by the derangement, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in mary of the deep-seated and dangerous distempers. The san equivalent effect expels them. Billious Disorders - Liver Complain s. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their propose as an aperient, but I find their beneficial effects a ponthe Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious omplaints than any one remedy I can mention. I since ely rejoice that we have at length a purgative which is the confidence of the profession and the people.

DEFARMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

Sint I have used your Pills in my general and hos dial practice ever since you made them, and cannot hesita e to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangen ents of that organ. Indeed, I have seldem found a case of bilious discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
