The lateness of the STAR this week is owing to the want of help in office and the lowing real estate, to wit : "moving" of the editor's "goods and chatwie." We'll be "on time" next week.

Our "implied threat," Mr. Palemon of the Republican, will be kept good, and time will tell whether "any body trembles" or not, only you try and keep steady that you may not be the first to "tremble."

We might inter obentimes from the tone of little squibs in the Republican of this place, that every person who did not subscribe to Republican principles was not a true friend of the Union. We might add another nec essary qualification in order, to become a good Union man, in Palemon's estimation. and that is, to subscribe for the Republican

AYER'S CATHARTIC PILLS.

Are you sick, fissile; and complaining? Are you out of order, with your system deranged, and your fissilings uncomfortable? These symptoms are often the prelude to asrious liluese. Some fit of slekness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They etimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

From a Forwarding Merchant of St. Louis, Phb. 4, 1858. Dr. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pinnels on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpus any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. Aven: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever trait with a purgalire medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Dn. J. C. Arra. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleans at once.

From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their pur-pose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my prac-tice proved more effectual for the cure of bilious compictules than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.
Sin: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequent quently they are an admirable remedy for derangements of that organ. Indeed, I have seidem found a case of lesious discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dyscatery and diarrhea. Their segar-coating makes them very acceptable and convenient for the use

Prom Rev. J. V. Himes, Pastor of Advent Church, Boston. DR. ATER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.
