PILLS. Are you atck, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping apon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous as wirely, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease.

react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

From a Forwarding Merchant of St. Louis, Feb. 4, 1858. Dr. Aven: Your Pills are the paragon of all that is Da. Aren: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of nicerons sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotchas and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Cartwright, New Orleans, Your Pills are the prince of purges. Their excellent

qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily Headache, Stek Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore Dear Buo. Avan: I cannot answer you what complaints I have cured with your Pilis better than to say all that we

coer freat with a purgative medicine. I place great depen-dence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. Pressume, Pa., May 1, 1855.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stemach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Sleamer Clarion. Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as a aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of biliour com-

plaints than any one remedy I can mention. I sincerely rejoics that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. }
Sta: I have used your Pills in my goneral and hospital practice ever since you made them, and cannot heaitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Too much cannot be said of your Pills for the cure of conferences. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe carficeness to originate in the liver, but your Pills affect that fireness to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the

proper time, are excellent promotives of the natural secre-tion when wholly or partially suppressed, and also very effectual to cleanse the stounch and expel worms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Epis. Church. Peraski House, Savannah, Ga., Jan. 6, 1856.

Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your lls. Their effects were slow, but sure. By persevering SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855. Dn.
