TO ARMS! TO ARMS!! Do not let these brave men perish by disease place in their hands these precious dangerous exposures, the Fevers, the Chills and the wounds which they cannot avoid, and what Is more cannot frequently get succor in the moment of need, whereas if our brave men have only to pot their hands into their Knap-acks and find there a sure remedy for all the casualities of the battle field. How many thou-ands of lives would thus be saved who would: otherwise perish

before relief could be obtained. CAUTION !- None are genuine vnless the words "Holloway, New York and London," are di-cernable as a watermark in every leaf of the book of directions, around each pot or box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be givon to any one readering such information as may lead to the detection of any party dr parties counterfeiting the medicines or vending the same, knowing them to be spurious.
