FRIENDS AND RELATIVES OF THE

All who have Friends and Relatives in he Army or Navy should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sollars have neglected o provide themselves with them, no better resent can be sent them by their friends. They have been proved to be the Soldier's never-failing-triend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS.

Will be relieved and effectually cored by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF AP-PETITE, INCIDENTAL TO SOLDIERS. Those feelings which so sadden us usualy arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus dis surbing the healthful action of the liver and stomach These organs most be relieved, I you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE.

Will soon disappear by the use of these invaluable pills, and the soldier will quicky acquire additional strength Never let the bowels be either confined or andaly acted upon. I may seem strange that Hol-

loway's Pills should be recommended for Dysentary and Finx, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as his famons medicine.

VOLUNTEERS AFTENTION ! INDIS-CRETION OF YOUTH.

Sores and Ulcers, Blotches and Swellings can with certainty be railically cured if the pills are taken night and morning and the Outment be treely used as sated in the printed instructions. If treated in any other manner they dry op in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little per-everance in bad cases to insure a lasting cure. lands of Peter Rhoads, on the northwest by that the said Win. CORNER STONE LAVING .- The corner stone of the Evangelical Lutheran Church at Mordensville, Columbia co., Pa., will be laid with appropriate services, on Saturday the Std day of May next, at 101 A. Sharretts, Pastor.

Wg sotice some of our Republican exchanges have much to say about the "resuscitation of the locoloco party" They seem to fear that party and to keep it down is their whole object. The R-public p par ty has given evidence of short life; one by one the leaders of that party are being swamped under the heavy masses of cor raption wrought out by them. Some new name must hurriedly be applied. The stench of Republicanism is becoming too offensive to the nostrils of the masses of that party. Many are ready to seek shelter and protection under the guidance of the old democratic party, which has always been the true constitutional party of the country.

THE Republican of this place while giving Toodles' " antecedents" might have added the fact that John C Fremont, who appears to be a great lavorite of the Republican, was once tried before a Court-Martial, and had his guilt been clearly established no doubt would have received the penalty of his crime, by being ordered out and shot; yet this same Fremont some times writes Military Proclamations, which he invariably is compelled to medify. According to the Republican's estimation of men, who have been arraigned before a Court, a proper allowance 401200 should be made upon what this man Fre- jot190 mont writes for publication, military, political or otherwise.
