

THE SOLDIER'S TRUE FRIEND.
ALWAYS READY.

HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, blistered feet, and inflamed feet, all these the ointment must endure. **MOTHERS, REMEMBER THIS,** when your sons are grasping their muskets to meet danger, think what relief a single pot of this ALL HEALING & COOLING Salve will give to the one you love when he has been in the front line. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for **SABRE CUTS AND GUNSHOT WOUNDS** it draws the matter out, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS.

You can not put into the knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this.

EXTRAORDINARY MILITARY SALVE.

The lonely sentry walking his rounds at night, exposed to drizzling rains and chill night air, is often seized with most violent Pains Cough and suffocating hoarseness, first symptoms of such consumption. If supplied with Holloway's Pills and Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or Dangerous Cough. Therefore we say to the whole Army.

SOLDIERS ATTENTION!!

See to your own health, do not trust to the Army supplies, which are most valuable. These Pills and Ointment have been long and honorably tried, they are the only remedies used in the European Camps and Barracks, for over forty years Dr. Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these great remedies, many a time his special agents have been ordered to issue bottles of the ointment in a single day. These terrible and fatal enemies of the Soldier in Camp DIARRHEA, DYSENTERY, SCURVY, SORES and SCROFULOUS ERUPTIONS all disappear like a charm before these PILLS & OINTMENT and now while the Cry rings throughout the land,

TO ARMS! TO ARMS!!

Do not let these brave men perish by disease in their hands, these precious remedies, that will enable them to resist the dangers of exposure, the FEVERS, the CHILLS and the wounds which they cannot avoid, and what is more cannot be frequently get sooner in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would be saved who would otherwise perish before relief could be obtained.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a watermark in every leaf of the book of directions, around each pot or box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

* Sold at the Manufactory of Prof. Holloway, 50 Maiden Lane, New York and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in pots at 25c. 50c. and \$1 each.

There is a considerable saving by taking the larger sizes.

WILCOX & GIBBS' SEWING MACHINES. Price with Hemmer and Feller, \$35 00.

THIS MACHINE HAS POINTS OF SUPERIOR PECULIARITY ITS OWN.

Stitching, Hemming, and Felling with a Single Thread.

It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash-tub."

A patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention, is, THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supercede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more for these fell without bobbing, and hem the finest muslin without puckering.

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.

"It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for."—Boston Transcript.

"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." Palatka Evening Journal.

"A mechanical wonder."—Scientific American.

Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburg Chronicle.

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvania.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1850.

"Taking into consideration simplicity, cheapness, durability, and doing all work the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in doing all work beyond coult, that two threads are not, as was supposed, necessary to a good instrument."—Christian Advocate and Journal, June 21, 1850.

"We have one of these machines in use, and think more highly of it than of any of the number we have tried."—Richmond Whig.

"The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and as the least liable to require repair."—OLIVER CRANE, Boston, July 8, 1850.

The undersigned, during eighteen months has had in almost constant use, in his family, Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family—from muslin to plush, including the clothing required for his several boys, and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and is in all respects, well appointed, efficient and durable.

Ayer's Sarsaparilla.
It cures the most distressing and dangerous diseases, and is the best blood purifier and skin medicine ever used.

TO THE PEOPLE OF THE UNITED STATES.

IN the month of December, 1855, the undersigned for the first time offered for sale to the public Dr. J. ROVEE DODS' IMPERIAL WINE BITTERS, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surpris-ing, and it is therefore of the utmost impor-tance to attract attention to the least and most trifling bodily ailments should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

DR. J. ROVEE DODS' Imperial Wine Bitters!!!

from all who have not used them. We cha-lenge the world to produce their equal.

These Bitters for the cure of Stomach-ic General Debility, and for Purifying and Enriching the Blood, are absolutely un-surpassed by any other remedy on earth.—To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-tenth stronger than other wines, sarsaparilla and invigorating the whole system from head to the feet. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole sys-tem and give a fine tone and healthy ac-tion to all its parts, by equalizing the circula-tion, removing obstructions, and exciting general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES where a Tonic is required to strengthen and brace the system. No Lad-y, who is subject to lassitude and faintness, should be without them as they are reviv-ing and strengthening.

THESE BITTERS
Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may use them. For INCIDENT CONSUMPTION. Weak Lungs, Indigestion, Dyspepsia, Dis-eases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speak-ers,—for Book Keepers, Tailors, Sarsaparilla, Students, Artists, and all persons lead-ing a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, in-cense, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons who have the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PRE-VENT Disease, and should be used by all who live in a country where the water is cold, or where Chills and Fevers are pre-valent. Being entirely innocent and harm-less, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BIT-TERS over the land, and by every means try and banishing Drunkenness and Dis-ease.

In all Affections of the head, sick Headache or Nervous Headache Dr. Dods' Imperial Wine Bitters will be found to be most Salutory and Efficacious.

RAYMOND'S FAMILY SEWING MACHINE!
PATENTED MARCH 9, 1858.

PRICE \$10 EACH.

MESSRS. ZUPPINGER & ROBBINS, of Bloomburg, having purchased the ex-clusive right of the above valuable Im-proved Chat Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families.

The following are some of the superior advantages this implement possesses, viz: 1. It is from 400 to 600 light stitches per minute.

2. Double thread machines are from the more complicated character of their me-chanism invariably managed and threaded with more or less difficulty; not so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a com-mon needle.

3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism.

4. It can be attached to a board table or stand, in operating order, and removed in less than half a minute, and a system of iron and yet produces a seam, sufficiently strong for any work for which it is intended, a qual-ity not known to all kinds of Sewing Machines.

5. No human hand is capable of produc-ing a seam so regular and systematic as the work of this machine. It will do it that the strongest material will tear before the seam will give way.

6. 7. Among the array of Patent Sewing Machines, there are none so cheap and durable as Raymond's Patent, but no Ma-chine is adapted to all kinds of work as experienced by these. There are perhaps no other so useful, doing such a variety of work for the immediate use of the family circle, and at such a moderate price as RAYMOND'S PATENT.

8. The operator can shape his seam just as he pleases, waves, leaves, and flowers, etc., can be represented or imitated, etc. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, bosoms, ristsbands, collars, etc.—and all kinds of ladies' sewing, including silks, lawns, delaines, calicoes, dusters, etc., ex-cepting for men's heavy wear, this Machine is rather too light of construction.

9. But not least, and which is the advantage to health, and principally to the vision or eyesight, induced by the use of Sewing Machines, surpasses infinitely all other ad-vantages.

10. This Machine fastens the seam al-ways itself, but if the operator wishes it, it can be opened, therefore, there is no fear, as you please, which is, sometimes, espe-cially for beginners, a very favorable cir-cumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.

For sale by the undersigned, at their res-pective offices in Bloomburg, who will put the Machine in operation and give all necessary instruction.
