

THE SOLDIER'S TRUE FRIEND. ALWAYS READY.

HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, bilious and inflamed feet, all the soldier's most endurable, **MOTHERS REMEMBER THIS**, when your sons are grasping their muskets to meet danger, think what relief a single pot of this **ALL HEALING & COOLING Salve** will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for **SABRE CUTS AND GUNSHOT WOUNDS** it stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS.

You can not put into the knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this **EXTRAORDINARY MILITARY SALVE.** The lonely soldier walking his rounds at night, exposed to dreaching rains and cold night air, is often seized with violent Pains Cough and suffocating hoarseness, faint symptoms of quick consumption but if supplied with Holloway's Pills and Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or Dangerous Cough. Therefore we say to the whole Army.

SOLDIERS ATTENTION!!

See to your own health, do not trust to the army supplies although most valuable. These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Dr. Hall has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these great remedies, many a time his special agent there has sold over a ton in weight of the ointment in a single day. These terrible and fatal enemies of the Soldier, Camp Diarrhea, Dysentery, Scorvy, Sore Throat, and Scrofulous Eruptions all disappear like a charm before these PILLS & OINTMENT, and now while the Cry rings throughout the land,

TO ARMS! TO ARMS!!

Do not let these brave men perish by disease in their hands these precious remedies, that will enable them to resist the dangerous exposures, the Fevers, the Chills and the wounds which they cannot avoid, and what is more cannot be put in their knapsacks in the most convenient manner. Only brave men have only to try their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible in a watermark in every leaf of the book of directions around each pot or box, the name may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one reading such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS. This machine has points of superiority peculiarly its own. **Stitching, Hemming and Felling with a Single Thread.** It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash-tub."

A Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress. Another feature which deserves particular attention is **THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.** Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supercede the use of the shuttle, and with one thread, produce all the practical results of the two thread machines; and more, for these will without basting, and hem the finest muslin without puckering.

Although at about half the price of the other first class machines, they will accomplish double the amount of work, and are especially the good, low priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.

"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." *Paladaius* Philadelphia Journal. "A mechanical wonder.—Scientific American." "Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—*Philadelphia Chronicle*. "Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—*Pennsylvania*.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—*Franklin Institute Exhibition Report of 1850*. "Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—*Pennsylvania State Agricultural Society's Report*. "We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great discovery has been supplied by it, in providing beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—*Christian Advocate and Journal*, June 21, 1850. "The use of these machines in use, and think more highly of it than of any of the number we have tried."—*Richmond Whig*. "The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience, with the Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and as the least liable to require repair." **OLIVER CRANE,** Boston, July 3, 1860. "The undersigned, during eighteen months has had in almost constant use, in his family, the Wilcox & Gibbs' Sewing Machine, upon which has been made the clothes of his large family—from muslin to pilot cloth—including the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and is in all respects, well appointed, efficient and durable." **JACOB CHICKERING,** Boston. "Send for a Circular." **JAMES WILCOX, Manufacturer,** No. 508 Broadway, New York, August 28, 1861.—ly.

TO THE PEOPLE OF THE UNITED STATES.

IN the month of December, 1858, the undersigned for the first time offered for sale to the public **DR. BOVEE DODS' IMPERIAL WINE BITTERS**, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the most important importance that a strict attention to the least and most trifling ailment should be had; for disease of the body must invariably affect the mind. The subscribers now only ask a trial of
