**WILCOX & GIBBS' SEWING MACHINES.**

*Price with Hammer and Feller,*  
**\$35 00.**  
**THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.**  
*Stitching, Hemming, and Felling with a Single Thread.*  
It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and stands under all circumstances to survive the wash-tub.  
A patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.  
Another feature which deserves particular attention is, **THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.**  
Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.  
These Machines, so simple and accurate in their construction, supersede the use of the shuttle and with one thread produce all the beautiful results of the two thread machines; and more, for these will without busting, and hem the finest muslin without puckering.  
Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.  
It is simply the best priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.  
"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." Palladon Philadelphia Evening Chronicle.  
"A mechanical wonder."—Scientific American.  
"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Philadelphia Evening Chronicle.  
"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennysonian.  
"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine, than any exhibited at the Franklin Institute Exhibition Report of 1855.  
"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennysonian State Agricultural Society's Report.  
"As a matter of Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—Christian Advocate and Journal, June 28, 1860.

**TO THE PEOPLE OF THE UNITED STATES!**

IN the month of December, 1858, the undersigned for the first time offered in public to the public Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance to attract attention to the least and most baffling bodily ailments should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask a trial of  
**DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!!**  
from all who have not used them. We challenge the world to produce their equal.  
These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely un- surpassed by any other remedy on earth.— To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. The Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness of the Liver, Nerves, where a Tonic is required to strength and brace the system. No Lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.  
**THESE BITTERS**  
Will not only Cure, but Prevent Diseases in the respect are doubly valuable to the person who may use them.  
**INCIPENT CONSUMPTION.**  
Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.  
**Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!**  
For Sore Throat, so common among the Clergy, they are truly valuable. For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.  
As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.  
These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.  
Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.  
In all Affections of the head, sick Headache, and nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutory and Efficacious.

**RAYMOND'S FAMILY SEWING MACHINE!**

**PATENTED MARCH 9, 1855.**  
**PRICE \$10 EACH.**  
**MESSRS. ZUPPINGER & ROBBINS,** of Bloomburg, having purchased the exclusive right of the above valuable Improved Cheep Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families. The following are some of the superior advantages this implement possesses, viz:—  
1. It sews from 400 to 600 tight stitches per minute.  
2. Double-thread Machines are from the more complicated character of their mechanism, invariably managed and threaded with more or less difficulty; not so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a common needle.  
3. One of the most valuable features of this Machine, is the smallness and compactness of its mechanism.  
4. It can be attached to a board, table or stand, in operating order, and removed in less than half a minute.  
5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a quality not known to all kinds of Sewing Machines.  
6. No human hand is capable of producing a seam so regular and systematic.—The seam is so strong if well done, that the strongest material will tear before the seam will give way.  
7. Among the array of Patent Sewing Machines, there are none so cheap and durable as Raymond's Patent, but no Machine is adapted to all kinds of work as experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family, and at a moderate price as RAYMOND'S PATENT.  
8. The operator can shape his seam just as she pleases, waves, laces and flowers, etc., can be represented or imitated.  
9. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, bosoms, ribbands, collars, etc.,—and all kinds of ladies' sewing, including silk, laces, delaines, calicoes, dusters, &c., excepting for men's heavy wear, this Machine is rather too light of construction.  
10. But we all admit, that the advantage to health, and principally to the vision or eyesight, induced by the use of Sewing Machines, surpasses infinitely all other advantages.  
11. This Machine fastens the seam always itself, but if the operator wishes it unfastened or open, there is a way for it, too, thus you can have it fastened or not, as you please, which is, sometimes, especially for beginners, a very favorable circumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.  
For sale by the undersigned, at their respective residences in Bloomburg, who will put the Machine in operation and give all necessary instruction.

The following are among the distressing varieties of human diseases in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible.  
DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.  
COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.  
EVERY kind of kind, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.  
The Life Medicines have been known to cure **RHEUMATISM** permanently in three weeks, and **GOUT** in half that time, by removing the uric acid, and its elimination from the muscles and ligaments of the joints.  
DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

SCURVY, ULCERS, and INVERTERTEA SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.  
ACIDIC ERUPTIONS and BAD COMPLEXIONS, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy and other disagreeable complexions.  
The use of these Pills for a very short time will effect an entire cure of **SALT RHEUM,** and a striking improvement in the clearness of the skin. Common Colds and Influenza will always be cured by one dose, or by two at the worst cases.  
PILES—The original proprietor of these Medicines, was cured of Piles, 35 years standing by the use of the Life Medicines.  
EVER and AGUE—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, be Satisfied and be Cured.

**DARLING'S LIVER REGULATOR**  
It broke up my cold and liver at once. I was suffering from a severe attack of dyspepsia, with a very sore mouth; I have had nothing of it since.'  
Ous Sudley, Esq., 123 East 28th Street, N. Y., writes: 'August 13, 1860—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used almost all kinds of medicines, but found no permanent relief until I used  
**DARLING'S LIVER REGULATOR**  
I passed, clotted blood by the urethra—I am now entirely cured, and take pleasure in recommending these remedies.'  
Mrs. C. Tallow, 17 Christopher Street, N. Y., writes: 'Feb. 20, 1860—I have been afflicted with a severe attack of Piles, which confined me to the house. I took one bottle of

and was entirely cured. I have had no attack since.'  
D. Westervelt, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes: 'August 5, 1860—Having been troubled with difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try  
**Darling's Life Bitters,**  
I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a **FAMILY MEDICINE.**  
When our children are out of sorts, we give them a few drops and it sets them all right. I find it most useful in all cases of the stomach and bowels when disordered.'
