The Wine itself is of a very superior quality, being about onethird stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation LOWS . removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to FE-MALES, where a Tonic is required to strengtheh and brace the system.
