

STAR OF THE NORTH

BLOOMSBURG, PA.

Wednesday Morning, Aug. 6th, 1862.

The proceedings of the last war meeting will be found in another column of the Star. Read them.

Mr. Isacher Evans has had several apple trees, loaded with very fine fruit, propped by some of the recent storms.

Berk county has appropriated \$30,000 as a bounty fund for volunteers for the six new companies from that county.

Benj. F. Hartman of this place was thrown from his sulky on Wednesday of last week and broke one of his legs. He is doing as well as can be expected.

Those wishing to enlist for nine or twelve months have but a short time, as after the 10th inst. no recruits will be received for a year period than three years or during the war.

The Young Ladies of Bloomsburg will hold an Ice Cream Festival in Robinson's Brick, on Main Street, on Thursday evening the 14th of August, the proceeds of which will be applied to ameliorate the condition of the sick and wounded soldiers.

We feel it our duty to announce that Dr. John has not volunteered. He is evidently holding himself "ready" for the draft—Valorous man, to express himself ready for a draft, when he knows that as Post Master he is exempt! Truly he is ready.

D. V. Moxey, who was reported to have been killed at the fight before Richmond, turns up since in one of the Hospitals in Baltimore, where he lies wounded. He was formerly a school teacher in this place. May he recover "to fight another day."

CATWISSA is ahead of this place in raising soldiers for the war. That place and this are expected to be able to send a Company to Harrisburg on Friday next, to be accepted as nine months men.

A. C. Messer, of this place, is busily engaged recruiting men for the war. He is more energetic than any other man about the place. He is going in the tented field himself. Andy will make an industrious and popular officer.

We learn that CHARLES P. XTON was not killed in the late battle before Richmond. He was formerly of this place but enlisted and joined a company from Lycoming county. Letter says he is a prisoner at Richmond. He is a relative of the Pastors in this county.

In another column will be found a circular issued by the officers of the "Washington Pennsylvania Soldiers Relief Association." Persons having friends or relatives in the hospitals at Washington, Baltimore, Philadelphia, New York or New Haven, can have assistance in learning their whereabouts and condition, by addressing or calling on the persons named in the circular.

CHARLES H. NOLL, formerly barber in this place has procured his discharge from the army, after a service of some nine months, on account of ill health, and returned home to his family. He designs opening his barber shop this week, and would ask a fair share of public patronage. He is a good shaver and a bar dresser, besides being worthy of a liberal patronage.

On a Visit.—We notice that our young friend, William Mellick, son of our townsman Samuel Mellick, who received an injury to the knee some time ago, but so far recovered as to be able to pay his parents and friends a visit. We saw him lying in the Hospital, from the effects of his wound, three weeks ago, at Alexandria, Virginia. He is a member of Mathew's Battery, and comrade of Lieut. Ricketts and Brockway.

MAJ. J. S. MOSKOW made a speech at the late war meeting at this place, the whole of which we report. He arose amid the cheers of the audience, and said: "I am as good a Democrat as the sun ever shone upon!" then resumed his seat which was upon the Vice Presidents of the meeting. This speech brought down the Abolition and Republican side of the house with rapturous applause, for they admire his Democracy, on account of its being so much the color of their own.

We learn that the Methodists of the Catwissa Circuit intend having a Camp Meeting on the ground of Mr. WILLIAM KIMBLE, near Sharp Ridge, about 7 miles from Catwissa, to commence on Monday, August 18th, and close on the following Saturday, 25th. T. M. Reese, Presiding Elder of the Northumberland district and several other eminent ministers are expected to be present.—Republican.

We are informed that the citizens of Millville are making extensive arrangements for a grand Union Festival, to be held in the grove near the village, on Saturday the 16th of August. The Festival will be under the auspices of the Ladies Army Aid Society of that place and the proceeds are to be appropriated to ameliorate the condition of the sick and wounded soldiers. Several distinguished speakers from a distance will be in attendance.

Strozer & Co's Letter "A" Family Sewing Machine, which is advertised in the Star, with all the modern improvements, is the best, cheapest and most beautiful of all Sewing Machines. We can safely recommend this Machine. It has been thoroughly tested and not found deficient in any particular. This Machine stands above all others—There is no other Machine in the Market at the present day, nor likely to be, which can execute so many kinds of work as this Machine in question. It is the leading Machine of the day.
