

THE SOLDIER'S TRUE FRIEND.
ALWAYS READY.

HOLLOWAY'S OINTMENT.
Long marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure, **MOTHERS, REMEMBER THIS**, when your sons are grasping their muskets to meet danger, think what relief a single pot of this **ALL HEALING & COOLING Salve** will give to the one you love who has far from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for **SABRE CUTS AND GUNSHOT WOUNDS**, it stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS.
You can not put into the knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this **EXTRAORDINARY MILITARY SALVE**. The lonely sentry walking his rounds at night, exposed to dreaching rains and chill night air, is often seized with most violent Pains Cough and suffocating hoarseness, first symptoms of a cold, which if not quickly expelled with Holloway's Pills and Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or Dangerous Cough. Therefore we say to the whole Army.

SOLDIERS ATTENTION!
See to your own health, do not trust to the army supplies although most valuable. These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Dr. Holloway has supplied all the Armies of Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these great remedies, many a time his special agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of the Soldier in Camp, **DIARRHŒA, DYSENTERY, SCURVY, SORES, SCROFULOUS ERUPTIONS**, all disappear like a charm before these **PILLS & OINTMENT**, and now while the City rings throughout the land,

TO ARMS! TO ARMS!
Do not let these brave men perish by disease, place in their hands these precious remedies, that will enable them to resist the dangerous exposures, the Fevers, the Chills and the wounds which they cannot avoid, and what is more cannot frequently get cured in the moment of need, whereas if our brave men have only to put their hands into their knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

CAUTION!—None are genuine unless the words **HOLLOWAY, New York** and **London** are discernible as a watermark in every leaf of the book of directions, around each pot or box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same, knowing them to be spurious.

WILCOX & GIBBS'
SEWING MACHINES.

Price with Hammer and Feller,
\$35 00.
THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.
Stitching, Hemming, and Felling with a Single Thread.

It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash-tub."

A Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention is **THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.**

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the three thread machines; and more, for these left without pocket, and hem the finest muslin without puckering a stitch.

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.

It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.

"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." *Pall Mall Family Evening Journal.*

"A mechanical wonder."—*Scientific American.*

"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—*Pittsburg Chronicle.*

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—*Pennsylvania Freeman.*

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—*Franklin Institute Exhibition Report of 1858.*

"Taking into consideration simplicity, cheapness, durability and doing all the work the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—*Pennsylvania State Agricultural Society's Report.*

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—*Christian Advocate and Journal, June 21, 1860.*

"We have one of these machines in use, and find it much better than any of any number we have tried."—*Richmond Whig.*

The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs Sewing Machine, upon which he has been supplied by it, in his large family—from muslin to pilot cloth—including the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and is in all respects, well appointed, efficient and durable.

Ayer's Sarsaparilla

TO THE LADIES
OF THE UNITED STATES!

In the month of December, 1858, the undersigned for the first time offered for sale to the public **DR. J. BOVEE DODS' IMPERIAL WINE BITTERS**, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODS' Imperial Wine Bitters!!!
from all who have not used them. We challenge the world to produce anything equal to these Bitters for the cure of Weak Stomach, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth.

To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, and does all the work third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all the parts, by equalizing the circulation, removing obstructions, and inducing general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.

THESE BITTERS Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may use them. For **INCIPENT CONSUMPTION,** Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED?
For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, or persons of weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a beverage, they are wholesome, innocent and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and free from the poisonous and deleterious ingredients of the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely inoffensive, and safe, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disipation from the land.

In all Affections of the head, Sick Headache or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

COAL OIL.—Adelco Coal Oil for sale, 12 cts. per quart, by **JOHN K. GIRTAN.**
Bloomburg, Feb. 29, 1862.

RAYMOND'S FAMILY
SEWING MACHINE!
PATENTED MARCH 9, 1858.

PRICE \$10 EACH.
MESSRS. ZUPPINGER & ROBBINS, of Bloomburg, having purchased the exclusive right of the above valuable Improved Cheat Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families.

The following are some of the superior advantages this implement possesses, viz:
1. It sews from 400 to 600 tight stitches per minute.

2. Double thread Machines are from the more complicated character of their mechanism invariably managed and threaded 6 months or less; and it is no less so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a common needle.

3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism.

4. It can be attached to a board, table or stand, in operating order, and removed in less than half a minute.

5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a qualification not known to all kinds of Sewing Machines.

6. No unskilled hand is capable of producing a seam so regular and systematic. The seam is so strong if well done, that the strongest material will tear before the seam will give way.

7. Among the array of Patent Sewing Machines, there are none so cheap and durable as Raymond's Patent, but no Machine is so well adapted to all kinds of work as experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family circle, and at such a moderate price as RAYMOND'S PATENT.

8. The operator can shape his seam just as he pleases, waves, leaves and flowers, etc., can be represented or imitated.

9. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, bosoms, ruffs, collars, etc.—and all kinds of ladies' sewing, including, silks, laces, delaines, calicoes, dusters, etc., adapting for men's heavy wear, this Machine is rather too light of construction.

10. But he will admit, that the advantage to health, and principally to the vision of the eye, induced by the use of Sewing Machines, surpasses infinitely all other advantages.

11. This Machine fastens the seam as well as it will, if the operator wishes, it is unfastened or open, there is a way for it too, thus you can have it fastened or not, as you please, which is, sometimes, especially for beginners, a very favorable circumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.

For sale by the undersigned, at their respective residences, in Bloomburg, which will put the Machine in operation and give all necessary instruction.
HENRY ZUPPINGER,
DANIEL W. ROBBINS.
Bloomburg, July 11, 1860.

WILCOX'S LIFE PILLS & PHOENIX BITTERS.
THESE MEDICINES have now been tested for the public for a period of thirty years, during that time they have maintained a high character in almost every part of the globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing varieties of human diseases in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible.
DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stercoraceous kind; Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines, with a solvent, purgative, and without violence; all violent passages leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstructions in others.

The Life Medicines have been known to cure **RHEUMATISM** permanently in three weeks, and **GOUT** in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by treating and stimulating the kidneys and bladder, they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

ALSO WORMS, by dislodging from the turnings of the bowels the slimy matter which they create, and by the use of **SCURVITIC ERUPTIONS** and **BAD COMPLEXIONS**, by their alternative effect upon the fluids that feed the skin, and the blood, and which occasions such eruptions, scurvy, ulcers, and **INVERTERTE SORES**, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCURVITIC ERUPTIONS and **BAD COMPLEXIONS**, by their alternative effect upon the fluids that feed the skin, and the blood, and which occasions such eruptions, scurvy, ulcers, and **INVERTERTE SORES**, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

The use of these Pills for a very short time will effect an entire cure of **SALT RHEUM**, and a striking improvement in the clearness of the skin. Common Cold, Catarrhs of the Throat, and all other ailments, are cured by one dose, or by two in the worst cases.

PILES—The original proprietor of these Medicines, was cured of Piles, 35 years standing by the use of the Life Medicines alone.

FEVER AND AGUE—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—**TRY THEM**, be Satisfied and be Cured
