

THE SOLDIER'S TRUE FRIEND. ALWAYS READY.

HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure. REMEMBER THIS, when your soles are grasping their markets to meet danger, think what relief a single pot of this ALL HEALING & COOLING Salve will give to the one you love when far away from home and friends.

WIVES AND SISTERS OF OUR VOLUNTEERS.

You can not put into the knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this EXTRAORDINARY MILITARY SALVE. The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized with most violent Pains Cough and suffocating hoarseness.

SOLDIERS ATTENTION!!

See to your own health, do not trust to the army supply, although most valuable these Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Dr. Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, many a time his special agents there passed over any in spite of the ointment in a single day. These terrible and fatal enemies of the Soldier: Camp DIARRHEA, GYSENARY, SCURVY, SORES and SCROFULOUS ERUPTIONS, all disappear like a charm before these PILLS & OINTMENT, and how white the Crj rings throughout the land.

TO ARMS! TO ARMS!!

Do not let these brave men perish by disease, place in their hands the precious remedies, that will enable them to resist the dangerous exposures, the FEVERS, the CHILLS and the wounds which they cannot avoid, and what is more cannot frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their knapsacks and find there a sure remedy for all the casualties of the battlefield. How many thousands of lives would be saved who would otherwise perish before relief could be obtained.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a watermark in every leaf of the book of directions, around each pot or box, the same may be plainly seen by holding the book to the light. A handsome reward will be given to any one reading such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the Manufactory of Prof. Holloway, 80 Maiden Lane, New York and by all respectable Druggists, Chemists and Medicine Vendors throughout the civilized world, in pots at 25c, 50c and \$1 each.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients, in every disorder are affixed to each box.

WILCOX & GIBBS' SEWING MACHINES.

Price with Hammer and Feller, \$35 00.

THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARY ITS OWN.

Stitching, Hemming, and Felling with a Single Thread.

It forms a neat, even, and elastic seam which is warranted never to rip wear, even if the garment is cut at frequent intervals, and also under all circumstances to survive the wash-tub.

A Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention is THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, support the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these will without basting, and hem the finest muslin without peckering.

Although at about half the price of the first class machines, they will accomplish double the sewing in a given time.

It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.

It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." Palmetto Evening Journal.

"A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing Machines. Light and cleanly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburgh Chronicle.

"This combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Penny-Van.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.

"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimously in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society Report.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in providing, beyond compare, the two threads and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS in their land, and thereby essential to the banishing Drunkenness and Disease.

In all Affections of the head, sick Headache or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutory and Efficacious.

TO THE PEOPLE OF THE UNITED STATES!

IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in this short period have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance to attract attention to the most and most hardy bodily ailments should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!!

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth.—To be assured of this, it is only necessary to make a trial. Wine itself is of a very superior quality, being only one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system, and give a fine tone and energy to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES, where a Tonic is required to strengthen and brace the system. Ladies who are subject to head-aches and faintness, should be without them as they are revivifying in their action.

THESE BITTERS Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may use them. For INCIPENT CONSUMPTION.

Weak Lungs, Indigestion, Dyspepsia, Paralysis of the Nervous System, Pains, Rheumatism, &c. For all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading an active life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are also entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS in their land, and thereby essential to the banishing Drunkenness and Disease.

RAYMOND'S FAMILY SEWING MACHINE!

PATENTED MARCH 9, 1858.

PRICE \$10 EACH. MESSRS. ZUPPINGE & ROBBINS, of Bloomsburg, having purchased the exclusive right of the above valuable Improved Cheap Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families. The following are some of the superior advantages this implement possesses, viz:—

1. It sews from 400 to 600 tight stitches per minute.

2. Double thread Machines are from the more complicated character of their mechanism, invariably managed and threaded with more or less difficulty; not so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a common needle.

3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism.

4. It can be attached to a board, table or stand, in operating order, and removed in less than half a minute.

5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a quality not known to all kinds of Sewing Machines.

6. No human hand is capable of producing a seam so regular and systematic.—The seam is so strong if well done, that the strongest material will tear before the seam will give way.

7. Among the array of Patent Sewing Machines, there are none so cheap and durable as Raymond's Patent, but no Machine is adapted to all kinds of work as experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family circle, and at a moderate price as RAYMOND'S PATENT.

8. The operator can shape his seam just as he pleases, waves, leaves and flowers, etc. can be represented or imitated.

9. It is particularly adapted to all kinds of stitching,—such as gentlemen's shirts, bosoms, ruffles, collars, &c.,—and all kinds of ladies' sewing, including silks, lawns, delaines, calicoes, dusters, etc., excepting for men's heavy wear, this Machine is rather too light of construction.

10. But we all admit, that the advantage to health, and principally to the vision of the eye, induced by the use of Sewing Machines, surpasses infinitely all other advantages.

11. This Machine fastens the seam always itself, but if the operator wishes it unfastened or open, there is a way for it too, thus you can have it fastened or not, as you please, which is, sometimes, especially for beginners, a very favorable circumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.

For sale by the undersigned, at their respective residences, in Bloomsburg, who will put the Machine in operation and give all necessary instruction.

HENRY ZUPPINGER, DANIEL W. ROBBINS. Bloomsburg, July 11, 1860.

Old Things Become New.

THE undersigned would beg leave to inform his old friends, and "the rest of mankind," that he has lately returned from the East of his country, and again reopened his OLD ESTABLISHED and improved TAILORING SALOON.

With a view of making up entire new garments, as well as mending old ones, for all mankind, [and any body else] who may favor him with their work in his line.

He is prepared to do work NEAT, FASHIONABLE and SUBSTANTIAL, and hopes by so doing, and strict attention to business, to merit and receive a due share of patronage. But remember, all, that these times require money, or something to live upon, he therefore hopes and trusts, that when he has done his part, his customers will do theirs, by furnishing the "ready John," or ready trade. For truly the "Laborer is worthy of his hire!"
