

STAR OF THE NORTH

BLOOMSBURG, PA.

Wednesday Morning, Oct. 15, 1862.

A few bushels of apples will be taken at this office.

A load of good wood is wanted at this office on subscription.

The returns come in too slow for this week's Star. In our next we will have the official.

The Democratic majority may reach 1400 in this county.

The Fair commences to-day, Wednesday on the old fair ground at this place. The weather is not very favorable, although the indications are that we will have a good turnout, and a fair representation of stock and produce.

Our streets were unusually quiet on the morning after the election. The Republicans kept their holes. The vote received at this polls was an index for them, as to the probable result of the vote throughout the county.

With the exception of a few little squabbles, which grew out of some misunderstandings, politically, the election passed off remarkably quiet, in this place. Capt. Whisky was on hand, ready to do his mischief; but he was not allowed much away from those better acquainted with him seemed to shun the tangle foot.

ROBERT F. CLARK, Esq., is a pretty clever fellow, "and all that," but he can't go to Congress this time. A year or two ago he would have made a much better run in this county. The Democracy owed him a debt for the labor done last fall, which little account they squared off, principal and interest, on Tuesday last. Let Laudon try the course next time, Eh!

Those of our patrons in arrears for the Star one, two, three and four years, will do well to come and square up. We intend our subscriptions to be settled and those who do not heed this notice will be obliged to force collections upon. We have published nearly five years, not receiving from some of our subscribers the first cent. We have men on our books amply able to pay, although they neglect the printer, pay every other bill, and leave the newspaper man go unpaid. This won't do with us any longer. Come forward and pay up, thereby save cost and trouble.

ELECTION.

The Vote in the following townships for Congress is as set out below:

Bloom—Clark 253; Tracy 149. Hemlock—Tracy 161; Clark 32. Scott—Clark 119; Tracy 101. Sugarloaf—Tracy 137; Clark 16. Mt. Pleasant—Tracy 96; Clark 51. Jackson—Tracy 88; Clark 10. Centre—Tracy 162; Clark 79. Benton—Tracy 144; Clark 43. Berwick—Clark 27; Clark—Briarcliff—Clark 76 for Tracy.

If other districts change in the same proportion with the above townships, the Democratic ticket will have gained over last year's vote in the neighborhood of some three hundred, at the lowest estimate. A more dispirited set of fellows you never heard of than just these Republicans and Abolitionists the morning after the election! They knew nothing, nor made no inquiries respecting the election. They were completely non-plussed; some of them not being able to go out to receive the returns. This was a large battle, one in which Andy Curtin's entire Militia force were engaged, under command of General Election. The engagement was a bloodless one, though the ground was warmly contested by the disputants. The troops in the battle outnumbered McClellan's army at the Antietam fight. His force was nothing to compare with those engaged in cleaning out Abolitionism on Tuesday last! It thundered all over old Pennsylvania, louder than did little Mac's guns at Sharpsburg!

THE ELECTION.

ABOLITIONISM CLEANED OUT.

Columbia county zone 1,400 majority for the Democratic Ticket! Tracy, for Congress, will have a handsome majority over Clark in this county. His election in the District looks safe. Republican majorities have been reduced as far as heard from. Large gains are received for the Democratic Ticket in all directions.

UPSET, AGAIN!

Not having a cut of an Abolitionist or a negro, we use the "same old Coon," as a substitute, expressive of the Republican party upset again! The "Old Coon" looks fat; just out of the meat tub; but as we have got him down, it won't be long before he will be reduced to his condition prior to stepping into office; which cut below is a fair representation of his Consensus.

The old coon was much reduced both physically and morally, but through a streak of most extraordinary good luck he came in power under the name of "Republicans," although not until he had been christened some half dozen times with as many different names. At present he is fast assuming the name of "Abolitionist." A beautiful looking creature is an Abolitionist, indeed. You can tell them as far as you can see them! Horrah for Democracy, she never changes, in cloudy or clear weather.

DIOPHANE'S LIFE PILLS & PHOENIX BITTERS.

THESE MEDICINES have now been before the public for a period of Thirty Years, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing varieties of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a new and healthy bile, instead of the stale and acrid kind; Flatulency, Loss of Appetite, Headache, Bilelessness, Indigestion, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

ASTHMA, by cleansing the whole length of the intestines, with a solvent process, and without violence, all violent purges leave the bowels active within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all internal obstructions.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

ALL kinds of all kinds, by freeing and strengthening the kidneys and bladder, they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter which these creatures adhere to.
