

THE SOLDIER'S TRUE FRIEND.
ALWAYS READY.

HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, blisters and inflamed feet, all these the soldier must endure, **MOTHERS, REMEMBER THIS,** when your sons are grasping their muskets to meet danger, think what relief a single pot of this **ALL-HEALING & COOLING** Salve will give to the one you love when far away from home and friends. It chills and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for **SABIE CUTS AND GUNSHOT WOUNDS** it stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS.

You can not put into the knapsacks of your husbands and brothers a more valuable or more necessary gift than a supply of this **ALL-HEALING & COOLING** Salve.

EXTRAORDINARY MILITARY SALVE.

The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized with most violent Pains Cough and suffocating hoarseness, faint symptoms of quick consumption, but if supplied with Holloway's Pills at night, all ailments are averted, a few Pills taken right and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest pain and stop the most distressing or Dangerous Cough. Therefore we say to the whole Army.

WILCOX & GIBBS' SEWING MACHINES.
Price with Hammer and Feller, \$35 00.

THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.

Stitching, Hemming, and Filling with a Single Thread.

It forms a neat, even, and elastic seam, which is warranted not to slip, even if the seam is cut at frequent intervals, and also under all circumstances to survive the wash-tub.

A Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention is **THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.**

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these will without basting, and form the finest muslin without puckering.

Although at about half the price of the finest of the first class machines, they accomplish double the sewing in a given time.

"It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for."—Boston Transcript.

"It is indeed a wonderful production, and for family use especially, is a most valuable bear any comparison with it."—Palaetia Evening Journal.

"A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing Machines. Light and elegantly finished in construction, and simple in operation; it is almost impossible for it to get out of repair."—Pittsburg Chronicle.

"As combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvania.

"... machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.

"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it in the present time, and that its threads are, as we supposed, necessary to a good instrument."—Christian Advocate and Journal, June 21, 1860.

"We have one of these machines in use, and think more highly of it than of any of the number we have tried."—Richmond Whig.

The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and as the least likely to require repair. **OLIVER CRANE,** Boston, July 8, 1860.

The undersigned, during eighteen months has had in almost constant use, in his family, Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family—from muslin to pilot cloth—including the clothing required for his entire household, and in no case has it seemed to require repair, and is in all respects well appointed, efficient and durable.

JAMES WILCOX & GIBBS, New York, No. 508 Broadway, New York, Opposite St. Nicholas Hotel, August 28, 1861—ly.

TO THE PEOPLE OF THE UNITED STATES!

In the month of December, 1858, the undersigned for the first time offered for sale to the public **DR. J. BOVEE DODD'S IMPERIAL WINE BITTERS,** and in this short period they have given such a high satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that our attention should be directed to the disease of the body most invariably affecting the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODD'S IMPERIAL WINE BITTERS!!!

from all who have not tried them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomach, General Debility, and for Purifying and Enriching the Blood, are absolutely un-surpassed by any other remedy on earth.—To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being altogether healthier than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all parts, by equalizing the circulation removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES, where a Tonic is required, to strengthen and brace the system. No lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.

THESE BITTERS Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may use them. For

INCIPENT CONSUMPTION.

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure, entirely free from the poisonous contained in the adulterated Wines and Liquors which the country is flooded with.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and its attendant evils.

In all Affections of the head, Sick Headache or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutory and Efficacious.

RAYMOND'S FAMILY SEWING MACHINE!
PATENTED MARCH 9, 1858.

PRICE \$10 EACH.

MESSRS. ZUPPINGER & ROBBINS, of Bloomsburg, having purchased the exclusive right of the above valuable Improved Cheap Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families. The following are some of the superior advantages it implements possesses, viz:

1. It sews from 400 to 600 tight stitches per minute.
2. Double-thread Machines are of the more complicated character of their mechanism invariably managed and threaded with ease or less difficulty; not so with **RAYMOND'S,** a child can manage it in two hours, and it is threaded easier than a common needle.
3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism.
4. It can be attached to a board, table or stand, in operating order, and removed in less than half a minute.
5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a qualification not known to all kinds of Sewing Machines.
6. No human hand is capable of producing a seam so regular and systematic as the **RAYMOND'S**, so strong if well done, that the strongest material will tear before the seam will give way.
7. Among the array of Patent Sewing Machines, there are none so cheap and durable as **RAYMOND'S** Patent, but no Machine is adapted to all kinds of work as experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family circle, and at such a moderate price as **RAYMOND'S PATENT.**
8. The operator can shape his seam just as he pleases, waves, leaves and flowers, etc., can be represented or imitated.
9. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, bosoms, rishbands, collars, etc.—and all kinds of ladies' sewing, including silks, lawns, delaines, calicoes, dusters, etc., excepting for men's heavy wear, this Machine is rather too light of construction.
10. But we all admit, that the advantage to health, and principally to the vision of eyesight, induced by the use of Sewing Machines, surpasses infinitely all other advantages.

This Machine fastens the seam all ways itself, but if the operator wishes it unfastened or open, there is a way for it too, thus you can have it fastened or not, as you please, which is, sometimes, especially for beginners, a very favorable circumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.

For sale by the undersigned, at their respective residences, in Bloomsburg, who will put the Machine in operation and give all necessary instruction.

Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction; restores a natural and healthy action in the vital organs. It is a superior

FAMILY MEDICINE,
Much better than Pills, and much easier to take.

DARLING'S LIFE BITTERS
Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, female weakness, irregularities, pain in the side and bowels, bilious protruding and bleeding piles, and general debility.

READ THE FOLLOWING TESTIMONY
Jas. L. Crumley, merchant, 184 Fulton Street, New York, writes, August 18, 1860: "I have been afflicted with piles, accompanied with bleeding, the last three years; I used

DARLING'S LIVER REGULATOR, AND LIFE BITTERS
And now consider myself entirely cured."
Hon. John A. Cross writes, "Brooklyn, March 15, 1860: I have the honor to certify that I took a severe cold, which induced a violent fever. I took two doses of

DARLING'S LIFE BITTERS,
It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have had nothing of it since."
Oris Sudley, Esq., 128 East 28th Street, N. Y., writes: "August 11, 1860—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used

DARLING'S LIVER REGULATOR, and Life Bitters.
I passed, clothed blood by the urethra—I am now entirely cured, and take pleasure in recommending these remedies."
Mrs. C. Tebow, 11 Christopher Street, N. Y., writes: "Feb. 20, 1860—I have been subject to attacks of Biliousness for twenty years. I have never found anything equal to

DARLING'S LIFE BITTERS, in affording immediate relief. It is a thorough Liver and bilious remedy."
Mrs. Young, of Brooklyn, writes: "Feb. 28, 1860—I had a severe attack of Biliousness, which confined me to the house. I took one bottle of

DARLING'S LIFE BITTERS, and was entirely cured. I have had no attack since."
D. Westwell, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes:—"August 5, 1860—Having been troubled with difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

DARLING'S LIFE BITTERS, which I did so, and found it to operate admirably, removing the bile and bringing the liver to activity. I have also used it as a

FAMILY MEDICINE.
When our children are out of sorts, we give them a few drops—and it sets them all right. I find it removes the general cause of the stomach and bowels, and is a sure remedy for all the casualties of the bottle. How many thousands of lives would be saved who would otherwise perish before relief could be obtained.

ARMY TO ARMS!!!

Do not let these brave men perish by disease, place in their hands these precious remedies, that will enable them to resist the dangerous exposures, the Fevers, the Chills and the wounds which they cannot avoid, and what is more cannot frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would be saved who would otherwise perish before relief could be obtained.

CAUTION!!!—None are genuine unless the words "Holloway, New York and London," are discernible as a watermark in every leaf of the book of directions, around each pot of box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one who sends such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Do not let these brave men perish by disease, place in their hands these precious remedies, that will enable them to resist the dangerous exposures, the Fevers, the Chills and the wounds which they cannot avoid, and what is more cannot frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would be saved who would otherwise perish before relief could be obtained.

CAUTION!!!—None are genuine unless the words "Holloway, New York and London," are discernible as a watermark in every leaf of the book of directions, around each pot of box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one who sends such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
