

STAR OF THE NORTH

BLOOMSBURG, PA.

Wednesday Morning, Oct. 22, 1862.

A Load of dry wood is needed at this office.

A few baskets of apples will be taken on subscription to the Star.

This Star is behind time a little this week, on account of the draft.

The official vote of Columbia county will be found published in to-day's Star.

Ketchum is beat for Senator in Luzerne county, and Stark is elected, by a handsome majority.

The last of drafted men from this county has not yet been furnished us. We may publish them in our next.

Over 200 men left this place to day, Wednesday, for Harrisburg, the place of encampment. Drafted men.

A number of the drafted men in this section have procured substitutes. The prices paid ranged from \$100 to \$500.

Maj Peterbaugh, Democrat, is elected Sheriff in Luzerne county, over a combination of forces. He beats Tripp and Lawell, some 2100 votes.

We have received the November number of Godley's Lady's Book. Its contents and embellishments, as usual, are unsurpassed by any other Magazine extant.

The Fair at this place last week was well attended, continuing four days. The receipts come fully up to the expectations of the Society. The Fair considering the state of the country, was equally as well patronized as any other held in this county.

Hale carries the Clinton district for Congress over Armstrong by about 1200 maj. Both are Republicans, Armstrong having the regular nomination, while Hale ran as an independent candidate. Hale is their old member. The defeat is a just rebuke to Armstrong. The people owed him a debt and they longed for an opportunity to cancel it, which they did on Tuesday, of last week.

The draft passed off in this county on Thursday. On Monday men began to report substitutes from various parts of the county, some paying as high as \$500. The drafted men did not report themselves as rapidly as was supposed they would. A present writing, Tuesday, there has been no move made towards taking the men away. The rendezvous will be Philadelphia, Pitsburg and Harrisburg. We may leave this week.

Husley Guards—Since the resignation of Capt. Frick and Lieutenant Ent and McDowell, this company has been officered as follows: Captain, Joseph J. Vaughn, who furnished the company with 40 men; Lieutenants, A. G. Thornton and J. W. Hunier. The first Lieutenant, Mr. Thornton, has been Orderly Sergeant in the company ever since its formation, over a year ago. He well deserves the place. He is from Light Street, this county. Capt. Vaughn is an old soldier, having been in the service some eight years. The Company is in a better condition at present than it has been for some time. They belong to the gallant 84th, Col. Bowman.

Personal—Capt. Alex J. Frick, of Co. D, of the famous Eighty-fourth Regiment, arrived in the city yesterday. Capt. Frick has been with the regiment since its formation. He has been engaged in much hard service, has been through the numerous battles in which the Eighty-fourth has been so greatly distinguished, and has become so broken down in health that he was compelled to resign. The Captain is a brave and gallant soldier, and regrets exceedingly that he was unable to continue at his post until the rebellion is crushed. He is accompanied by U. H. Ent, the First Lieutenant of the same company, who was also obliged to resign on account of ill health. The Lieutenant was yesterday the recipient of a very handsome cane, the gift of Capt. Frick.—See Bulletin.

Governor Curtin, upon application to the War Department, has been authorized to permit drafted men to become volunteers for three years. This is an important move, as it probably entitles those who change their time of service from nine months to three years, to the bounty, advance pay and premium, and is worthy of the consideration of drafted men. Those in this neighborhood who prefer going into the volunteer service can do so by applying to Lieut. Geo. W. Ut, at the Exchange Hotel, who is recruiting men for Battery F, 2nd Pa. Artillery, stationed at Fort Lincoln, near Washington. This is the most desirable branch of the service. Their business is to garrison Forts, principally. Any person having a desire to join this service would do well to attach himself to Battery F. Capt. McClure's Company, mostly men from this county. This is a good opportunity, and may be the last one.

Volunteers' Attention!—For the derangements of the system incidental to the change of diet, Wounds, Eruptions, and exposures, which every Volunteer is liable to, there are no remedies so safe, convenient and reliable as HOLLOWAY'S PILLS AND OINTMENT, 25 cents per box. 209

THE confessions and experience of a sufferer.—Published as a warning, and for the especial benefit of Young Men, and those who suffer with Nervous Debility, Loss of Memory, Premature Decay, &c., by one who has cured himself by simple means, after being put to great expense and inconvenience, through the use of worthless medicines prescribed by learned Doctors.
