TO THE PEOPLE OF THE UNITED STATES!

IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. BOVEE DODS' IMPE-RIAL WINE BITTERS, and in this short period they have given such universal sa'. staction to the many thousands of persons who have tried them that it is now an esrablished article. The amount of bodily and mental misery arising simyly from a neglect of small complaints is surprising. and it is therefore of the utmost importance itir a strict attention to the least and most hatfling bodily ailment should be had; for diseases of the body must invariably affect the mind. General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth .-To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about onethird stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing obstructions, and producing general warmth. They are also excellent for Diseases and Weakness peculiar to FE-MALES, where a Tonic is required to strengtheh and brace the system. No Lady
