

THE SOLDIER'S TRUE FRIEND,
ALWAYS READY.

HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure, **MOTHERS, REMEMBER THIS**, when your sons are grasping their knapsacks to meet danger, think what relief a single pot of this **ALL HEALING & COOLING** Salve will give to the one you love when he is away from home and friends. It banishes and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints leaving them supple, strong and vigorous, while for **SARFE CUTS AND GUNSHOT WOUNDS**, it is an unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS.

You can not put into the knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of his **EXTRAORDINARY MILITARY SALVE**. The lonely sentry walking his rounds at night, exposed to dreaching rains and chill night air, is often seized with most violent Pain Cough and suffocating hoarseness, first symptoms of quick consumption but if supplied with Holloway's Pills and Ointment all danger is averted. A new File taken right at morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest pains and stop the most distressing or Dangerous Cough. Therefore we say to the whole Army.

SOLDIERS ATTENTION!

See to your own health, do not trust to the army supplies, although most valuable. These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Dr. Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava for the exclusive sale of these great remedies, many a time his special agent there has sold over a ton in weight of the ointment in a single day. These terrible and fatal enemies of the Soldier in Camp, **DARRHÆA, FYSERY, SCURVY, SORES AND SCROFULOUS ERUPTIONS**, all disappear as soon as the Ointment and **PILLS & OINTMENT** and now while the Campaigns throughout the land.

TO ARMS! TO ARMS!

Do not let these brave men perish by disease, place in their hands these precious remedies, that will enable them to resist the dangerous exposures, the fevers, the Chills and the wounds which they cannot avoid, and what is more cannot frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would have been saved who would otherwise perish before their rifles could be obtained.

CAUTION!

None are genuine unless the words "Holloway, New York and London," are discernible as a watermark in every leaf of the book of directions, and in each pot or box the name may be plainly seen by holding the leaf to the light. A headsmaneward will give to any one reading such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

WILCOX & GIBBS' SEWING MACHINES.

Price with Hammer and Feller, \$35 00. THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.

Stitching, Hemming, and Felling with a Single Thread.

It forms a neat, even, and elastic seam, which is warranted not to rip or wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash-tub." A Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress. Another feature, which deserves particular attention is **THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.** Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch. These Machines, so simple and accurate in their construction, supersede the use of the shuttle, and with one thread produce all the practical results of the two thread machines; and more, for these fell without beating, and hem the finest muslin without puckering.

For all who have not used them. We challenge the world to produce the equal. These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES, where a Tonic is required to strengthen and brace the system. No Lady, should be without them, as they are revivifying in their action.

THESE BITTERS

Will not only cure Green Disease and in this respect are of great value to the person who may use them. For **INCIPENT CONSUMPTION**, Weak Lungs, Indigestion, Dropsical Swellings of the Nervous System, Pains in the Piles, and for all cases requiring a Tonic. **Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!**

For Sore Throat, so common among the Clergy, they are truly valuable. For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the head, sick Headache or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

REMARKS.

The many certificates which have been forwarded us, and the letters which we are daily receiving, are conclusive proof that among the women whose Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply. **DR. BOVEE DODS' IMPERIAL WINE BITTERS** Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, pronounced them a valuable remedy for disease.

Although the medical men of the country as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medicinal properties, who will not administer to the Bovee Dods' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, those Bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS

Are composed of a pure and unadulterated Wine, combined with Barbary, Solomon's Seal, Confrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. Old Things Become New,

The undersigned would beg leave to inform his old friends, and the rest of mankind, that he has lately returned from the service of his country, and again re-opened his **OLD ESTABLISHED DRESSING SALON**, with a view of making up entire new garments, as well as mending old ones, for all mankind, [and any body else] who may favor him with their work in his line of business. He is prepared to do work **NEAT, FASHIONABLE and SUBSTANTIAL**, and hopes by so doing, and strict attention to business to merit and receive a due share of patronage. But remember, all that these times require money, or something to live upon, be therefore hopes and trusts, that when he has done his part, his customers will do theirs, by furnishing the "ready John," or ready trade. For truly the "Laborer is worthy of his hire!" **BERNARD RUPERT.** Bloomburg, Sept. 10, 1862.

TO THE PEOPLE OF THE UNITED STATES!

IN the month of December, 1858, the undersigned for the first time offered for sale to the public **DR. J. BOVEE DODS' IMPERIAL WINE BITTERS**, and in this short period they have given such universal satisfaction that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask a trial of **DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!!**

RAYMOND'S FAMILY SEWING MACHINE!

PATENTED MARCH 9, 1858. PRICE \$10 EACH. **MESSES. ZUPPINGER & ROBBINS,** Bloomburg, having purchased the exclusive right of the above valuable Improved Cheap Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of themselves and families. The following are some of the superior advantages this implement possesses, viz: 1. It sews from 400 to 600 tight stitches per minute.

2. Double-thread Machines are from the more complicated character of their mechanism, invariably managed and threaded with more or less difficulty; not so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a common needle.

3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism, which can be attached to a board, table or stand, in operating order, and removed in less than half a minute.

4. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a qualification not known to all kinds of Sewing Machines.

5. No human hand is capable of producing a seam so regular and systematic.—The seam is so strong if well done, that the strongest material will tear before the seam will give way.

6. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, coats, ruffs, collars, neckties, and all kinds of ladies' sewings, including silks, wools, delaines, calicoes, dusters, etc., excepting for men's heavy wear, this Machine is rather too light of construction.

7. Among the array of Patent Sewing Machines, there is none so cheap and durable as Raymond's Patent, but no Machine is adapted to all kinds of work as experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family, and at a moderate price as RAYMOND'S PATENT.

8. The operator can shape his seam just as he pleases, waves, leaves and flowers, etc., can be represented or imitated.

9. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, coats, ruffs, collars, neckties, and all kinds of ladies' sewings, including silks, wools, delaines, calicoes, dusters, etc., excepting for men's heavy wear, this Machine is rather too light of construction.

10. But we all admit, that the advantage to health and principally to the vision of the eye, induced by the use of Sewing Machines, surpasses infinitely all other advantages.

11. This Machine fastens the seam always itself, and the operator wishes it unfastened or open, there is a way for it too, thus you can have it fastened or not, as you please, which is a very favorable circumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.

For sale by the undersigned, at their respective residences, in Bloomburg, who will put the Machine in operation and give all necessary instructions. **HENRY ZUPPINGER, DANIEL W. ROBBINS.** Bloomburg, July 11, 1860.
