

THE SOLDIER'S TRUE FRIEND, ALWAYS READY.

HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure. **MOTHERS, REMEMBER THIS**, when your sons are grasping their muskets to meet danger, think what relief a single rub of this **ALL HEALING & COOLING Ointment** will give to the one you love when far away from home and friends. It hardens and nukes the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for

SABRE CUTS AND GUNSHOT WOUNDS. "Islands unequalled, removing and preventing every vestige of inflammation and gently drawing the edge of the wound, it dries and completely heals the most frightful wounds."

WIVES AND SISTERS OF OUR VOLUNTEERS. "You can not put into the knapsacks of your husbands and brothers, a more valuable or more necessary gift than a supply of this **EXTRAORDINARY MILITARY SALVE.**" The lonely sentry walking his rounds at night, exposed to dreaching rains and chill night air, is often seized with most violent cough and cold, and suffering from the first symptoms of febrile consumption but if supplied with **Holloway's Pills and Ointment**, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the severest pain and stop the most distressing or Dangerous Cough. There are we say to the whole Army.

SOLDIERS ATTENTION! See to your own health, do not trust to the army supplies although most valuable. These Pills and Ointment have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Dr. Holloway has supplied all the Armies in Europe, and during the Crimean Campaign he established a depot at Balaklava, for the exclusive sale of these great remedies, many a time his special agents there have sold over a ton in weight of the ointment in a single day. These terrible and fatal enemies of the Soldier in Camp, **DIARRHÆA, DYSENTERY, SCURVY, SORES AND GORGOULOUS ERUPTIONS**, all disappear like a charm before these **PILLS & OINTMENT** and now while the Cryings throughout the land, "TO ARMS! TO ARMS!"

Do not let these brave men perish by disease, place in their hands these precious remedies, that will enable them to resist the dangerous exposures, the Fevers, the Chills and the wounds which they cannot avoid, and what is more cannot frequently get succor in the moment of need, where all our brave men have only to put their hands into their knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would have been saved who would otherwise perish before relief could be obtained.

CAUTION!—None are genuine unless the words "**Holloway, New York**" and "London," are discernible in red ink, on every leaf of the book of directions, around each tin or box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or ointments, using the same, knowing them to be spurious.

WILCOX & GIBBS' SEWING MACHINES.

Price with Hammer and Keller, \$35 00.
THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.

Stitching, Hemming, and Felling with a Single Thread.

It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash."

A patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention is **THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.**

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these will without beating, and hem the finest muslin without puckering.

At about half the price of the other first class machines, they will accomplish double the sewing in a given time.

"It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for."—Boston Transcript.

"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." Philadelphia Evening Journal.

"A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburg Chronicle.

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvania Evening Journal.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.

"Taking into consideration simplicity, cheapness, durability, and doing all work the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

TO THE PEOPLE OF THE UNITED STATES!

IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in this short period they have given universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask, a trial of

DR. J. BOVEE DODS' Imperial Wine Bitters!!
from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of **Sonnet's General Debility**, and for Purifying and Enriching the Blood, are absolutely surpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are an alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for **Dyspepsia**, **Weakness**, **Loss of Appetite**, **Indigestion**, **Stomachic**, **Weak Lungs**, **Indigestion**, **Dyspepsia**, **Diseases of the Nervous System**, **Painful Piles**, and for all cases requiring a Tonic.

THESE BITTERS Will not only cure, but prevent disease and in this respect are doubly valuable to the person who may be afflicted with an INFLUENZA, CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Painful Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm; and for persons of a weak constitution;—for Ministers of the Gospel, Lawyers, and all for Purifying and Enriching the Blood, and for strengthening the system. No Lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating or being a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors which which the country is flooded.

These Bitters not only cure, but PREVENT INFLUENZA, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as well as all who are desirous of spreading these valuable BITTERS over the land, and thereby essential aid in banishing Drunkenness and Disease. In all Affections of the head, such as Headache or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

REMARKS. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS. Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, pronounced them a valuable remedy for disease.

Although the medical men of the country as a general thing disapprove of Patent Medicines; yet we do not believe that a respectable Physician can be found in the United States, acquainted with the modern medicines, who will not highly approve of Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, those Bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS Are composed of a pure and undiluted Wine, combined with Barbary, Solomon's Seal, Confrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and he should not be considered among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced. These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND BEVERAGE.

RAYMOND'S FAMILY SEWING MACHINE!

PRICE \$10 EACH.
MESSRS. ZUPPINGER & ROBBINS, of Bloomsburg, having purchased the exclusive right of the above valuable Improved Cheap Patent Sewing Machine, for the County of Columbia, will be happy to supply their friends with the article for the accommodation of their lives and families. The following are some of the advantages (this implement possesses, viz):

1. It sews from 400 to 600 tight stitches per minute.

2. Double thread Machines are from the more complicated character of their mechanism invariably managed and threaded with more or less difficulty, not so with RAYMOND'S, a child can manage it in two hours, and it is threaded easier than a common needle.

3. One of the most valuable features of this Machine, is the smallness and the compactness of its mechanism.

4. It can be attached to a board table or stand in operating, and is removed in less than half a minute.

5. It greatly economizes the thread, and yet produces a seam, sufficiently strong for any work for which it is intended, a qualification not known to all kinds of Sewing Machines.

6. No human hand is capable of producing a seam so regular and systematic. The seam is so strong if well done, that the strongest material will tear before the seam will give way.

7. Among the array of Patent Sewing Machines, there are none so cheap and durable as Raymond's Patent, but no Machine is so good as the one we have, and our experience has proven. There are perhaps none so really useful, doing such a variety of work for the immediate use of the family circle, and at such a moderate price as RAYMOND'S PATENT.

8. The operator can shape his seam, just as she pleases, waves, saves, and flowers, etc, can be had, and is not of limited.

9. It is particularly adapted to all kinds of stitching—such as gentlemen's shirts, bosoms, ruffles, collars, etc.—and all kinds of ladies' sewing, including silks, lawns, delaines, calicoes, dusters, etc., excepting for men's heavy wear, this Machine is rather too light of construction.

10. It is so convenient to have in the house as to be used in any way for it, especially for beginners, a very favorable circumstance. If the seam is left unfastened, you can draw it out in three seconds and save the thread.

For sale by the undersigned, at their respective residences, in Bloomsburg, with full instructions in operation and give all necessary instruction.
