Attention is directed to the new advertisement of Simon Shive's Cabinet Rooms, at this place, in this paper.

Read minutes of the Teachers' Institute, in another column of our paper, which was held on the 26th ult. at Orangeville.

The Abolitionists had a Canteen supper served up for them at the "Forks Hotel," this place, on Tuesday evening, of last week.—It was not much of an affair.

Consistency.—The chestnut crop this Fall is unusually large, and great quantities of these nuts are offered for sale in our market. Ten cents per quart is the ruling price.

The Columbia County Teachers' Association will meet in Bloomsburg, on Saturday, the 14th day of November, 1863 at 10 o'clock, a. m. for the purpose of taking steps for the revival of the Association. A good turnout of Teachers is expected.

A Republican editor says, "the height of impudence is to ask a Copperhead if he believes slavery to be a sin?" No, sir, the highest impudence is to ask an Abolitionist if he loves the Union and the Constitution.

The Republican editors are greatly alarmed lest the Democracy shall "embarrass" the Administration. To read these papers would suppose the Administration as easily embarrassed as a young lady while waiting for her first beau. It must be a pity to embarrass a thief while stealing your treasure.

Stephen H. Miller has just opened out a new stock of Fall and Winter Goods. He invites his customers to call and examine his goods for their own satisfaction. We hesitate not in recommending his selection of goods to the public. Dry-goods can be had at his store at a more reasonable figure than any other in the place.

Mr. Lincoln and his proclamation for three hundred thousand more troops, of course wants loyal Union men. Now, if the abolition party have been telling the truth, this does not mean democrats, for they are Copperheads, rebels and Tories. Who would think of putting rebels in the Union army?

The Abolitionists seem to be more disappointed than jubilant over their victory for Governor in this State. The Democrats seem to enjoy the defeat more easily. The Abolitionists feel and look mighty guilty.—They told and circulated all manner of lies, misrepresented Judge Woodward, and practiced frauds to so great an extent, to carry the election, that they are really ashamed of the victory. Guilty party are they.

We find on examining our last file of the Star that it is short three numbers, viz:—Vol. 14 No. 25; No. 29, and No. 42, all the same volume. Some one has lifted them in our absence, and we put it down as being an act of a "very small man." Who would be guilty of stealing a Printer's file papers? We will pay a fair price to any person who will furnish us with the three numbers above mentioned.

Sad Accident.—We are reliably informed that a little daughter of Jackson Knorr of Centre township, this county, was violently thrown from a wagon, on Wednesday last, which fractured her skull in such a manner, that but slight hopes are entertained of her recovery. She is under the treatment of the skillful surgeon and accomplished physician Dr. H. L. Freas, of this place.—Bermick Gazette.

Our New Table.—We have lately added to our already good assortment of furniture, in our office, a new writing table, made by Mr. James HARMAN, of Orangeville, who carries on the Cabinet making business in all its branches. He is a capital mechanic, and employs nothing but skillful workmen to assist him. His work will compare favorably with any done this side of our large cities. He is prepared to make up the most fashionable furniture, at reasonable prices.

Too High.—This necessary article for our comfort—stone coal—is selling at too high a figure. Although it may have advanced in price to more rapid than other articles in our market. All brought about through the effect of this rebellion, instigated and carried on by the rebels of the South and the Abolitionists of the North. Coal, fit for use, is selling at \$4 per ton in our market. In New York it is bringing nine dollars and fifty cents, and in Philadelphia nine dollars a ton. When navigation closes we may look for the price to go up still higher.

Rev. T. M. Reese, according to the Abolition organ up town, "gave the Copperheads and Traitors another blast on Sunday evening" of last week, in the M. E. Church, at this place. This Rev. Reese seems to be bothered with Copperheads and Traitors quite considerably, as we scarcely hear him spoken of but in connection with the enemies of our country. He was proud to say that he was an "Abolitionist"—thanked God for it. We have pretty good Republican authority in saying that an "Abolitionist is as bad as a Secessionist," that they walk hand in hand together, their purpose being to destroy the Union and the Constitution. Such men as Rev. Reese declare that this rebellion shall not cease until every negro in set free. Is this what our soldiers in the field are sacrificing their lives for? Are we to support a negro war? We rather think it is a war to boldly declared for the abolition of slavery instead of a war for the Union. This it would have but few supporters.—These Riverend gentlemen are the "last dollar" men, and the "last man" to do any of the fighting! They go for a vigorous prosecution of the war.

Mr. Vallandigham at the recent election for Governor of Ohio, received a larger vote than any defeated candidate for Governor in the political history of that State.

The National Police-Gazette has been received at this office, after an absence of over a year. It looks natural, and reads with that same familiarity as in the past. It is a good chronicler of police affairs, as well as general information of criminal and civil matters of New York and other large cities. Subscription, \$3 a year. Geo. W. Maltell & Co., publishers, New York.

Suspended.—The Philadelphia Evening Journal has suspended for want of paper support. We regret this, as the Journal was an interesting paper.

FRANK Leslie's Lady's Magazine, for November, has been received. It is a handsome and interesting number. This Magazine ranks head and shoulders above many other periodicals purporting to be in the first class. The fashion plates in this work, alone, are well worth the price of subscription, which is \$3 per annum. The reading is choice, interesting and instructive. Send and get it.—Publication office, 72 Duane St., New York.

We are now sending out bills to all subscribers whose accounts have run over a year. On going through our books, we find that there is a large amount due us, in sums of \$1.50 up to \$10, \$15, and even \$20, which we most collect, in order to meet our obligations. We hope therefore, that every one who knows himself indebted to us, will lose no time in sending or bringing us the amount, may it be ever so small. It is a small matter for each subscriber to pay a bill of a few dollars; and we are satisfied that few, if any, who really wish to pay, need keep us waiting for our money. So far, few, to whom we have sent bills, have paid any attention to it; although we commenced sending them out two weeks ago. We have earned our money, and want it. Publishing a newspaper for glory, is a business we have grown tired of long ago. A word to the wise, &c., is sufficient.

A FORTUNE FOR ALL! EITHER MEN OR WOMEN!

NO HUMBURG, but an ENTIRELY NEW thing. Only three months in this country! No clap-trap operation to gull the public, but a genuine money making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! giving instructions in this art. Thousands of Soldiers are making money rapidly at it. It is a thing that takes better than anything ever offered. You can make money with it home or abroad—on steam boats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A more trifling is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make money in. There is a class of persons in this world who would think that because they have been humbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This act cost me one thousand dollars and I expect to make money out of it—and all who purchase the art of me will do the same. One Dollar sent to me will insure the prompt return of a card of instructions in the art. The money will be returned to those not satisfied.

FRIENDS AND RELATIVES OF THE Brave Soldiers and Sailors

HOLLOWAY'S PILLS AND OINTMENT. All who have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldiers, never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING THROATS. Will be relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APETITE, INCIDENTAL TO SOLDIERS. Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE. Will soon disappear by the use of these invaluable pills, and the soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation of the bowels, and the soldier who has these ailments should take care to keep his bowels in a regular and healthy state. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.
