

Several Farmers advertised several tracts of land for sale in this week's Star.

Those merchants who advertise in their local papers are the men who are most deserving of patronage. They can appreciate printer's ink.

The columns of the Star are not burdened down this week with war news. The army has been active, but the reports of its operations come to us rather slow.

NOTICE TO THE DRAFTED MEN—All those who were drafted and have not reported at Troy, and all who have been routed out, will report on the 16th of December next, by order of the Board.

No information of the whereabouts of the returned prisoners that broke jail a few days ago has yet been obtained. It seems that so far they have made good their escape.

JAMES S. REYNOLDS, of Lancaster county, Pa., a brother of Major General Reynolds who was killed at Gettysburg, has lately been appointed to the position of Quartermaster General of the Pennsylvania Militia, Vice R. C. Hale, deceased.

The weather appears to have been on a "bender" for the last few days. On Friday last a "right smart" sleet storm commenced in the forenoon which lasted all an hour. The wind blew extensively around the corners; and ever since the weather has not been altogether easy; but rather blustery and cold.

We see it stated that the editor of the Sunbury American urges some one to enter the brick making business in that place, as there is no manufactory of the kind there, he thinks it might be made a profitable business.

The newly elected Legislature will have the districting of its State into Senatorial and Representative Districts, to remain as they shape them for a period of seven years.

The rumor that Governor Curtin had died in New York, last week, turns out to be false; nothing more than a report started by some malicious falsifier.

On Wednesday morning of last week a fire broke out in the roof of Thomas J. Thornton's blacksmith shop, in this place. Nothing serious resulted—the fire soon being extinguished by the use of a few buckets of water.

Governor Curtin's thanksgiving proclamation and a "call for volunteers" appear in this week's Star. The day set apart for the purpose of giving thanks is in accordance with a proclamation issued by the President recommending the 28th inst. to be observed as a national fast day.

Peter ENT the Administrator of the estate of Allen Marr, late of Scott township, will sell a tract of land, containing 57 acres, on the 28th inst., belonging to the estate of the deceased.

Mr. Geo. LAZARUS, of Fishing Creek, will make vendue of his personal property, on the premises, the 21st of Nov. 1863. The sale will consist of live stock and farming utensils.

WANTED: ON SUBSCRIPTION, AT THIS OFFICE, Wheat, Corn, Rye, Oats, Buckwheat, and grain of all kinds. Also, corn in the ear, good winter apples, potatoes, butter, lard, and produce of most all kinds. Money never refused.

DEAD—The little daughter of Jackson Knorr, of Centre township, this county, whom we mentioned last week as having had her skull fractured by an accident, has since died from the injuries received.—Berkwick Gazette.

Rev. DAVIDSON, a war bawling deist, of Trinity Church, said last Sabbath, that "the land is full of mourning." That, alas! is true, and it is a fulfillment of the Scriptures, which declare that "when the wicked rule the people mourn."

The Columbia County Teachers' Association will meet in Bloomsburg, on Saturday, the 14th day of November, 1863, at 10 o'clock, a. m., for the purpose of taking steps for the revival of the Association. A good turnout of Teachers is expected.

DIED IN THE CAMP—Daniel Bear, a soldier belonging to one of the Cavalry companies stationed at Scranton, died on the cats, on his way to Harrisburg, on Wednesday of last week. He had been sick for some time, and was on his way home in company with his brother, who had been there to effect his removal.—Berkwick Gazette.

We find on examining our last file of the Star that it is short three numbers, viz: Vol. 11 No. 29; No. 30, and No. 42; all the same volume. Some one has lifted them in our absence, and we put it down as being an act of a "very small man." Who would be guilty of stealing a Printer's file papers? We will pay a fair price to any person who will furnish us with the three numbers above mentioned.

Jack Frost is beginning to pay attention to our toes and fingers; and the pleasant winter evenings are coming on. We hope to make the Star a welcome visitor to the fireside during the long and stormy months of December, January, February and March. There is a beautiful spirit breathing now, in the richness of the colored woods; and dipping in warm light the pillared clouds.

STEPHEN H. MILLER has just opened out a new stock of Fall and Winter Goods. He invites his customers to call and examine his goods for their own satisfaction. We hesitate not in recommending his selection of goods to the public. Dry-goods can be had at his store at a more reasonable figure than any other in the place.

IMPORTANT INFORMATION—Col. J. G. Price keeps constantly on hand and for sale, at the Recorder's Office in Bloomsburg, "The Constitution of the United States," and of the "State of Pennsylvania," in various styles, at prices to suit; also, sundry other democratic books, documents, and speeches; together with legal, note and cap paper, pens, ink and envelopes, of all sizes and styles, as well as theological, poetical, historical and miscellaneous books, cheap.

MCCLELLAN IN MASSACHUSETTS—General Meagher gave a lecture at Tremont Temple, Boston, last week, entitled "Recollections of the Army of the Potomac." The name of McClellan was greeted by the audience with immense enthusiasm. This was significant in itself, and is reported to have taken General Meagher by surprise and somewhat disconcerted him. The Boston Republican papers make no mention of it.

New Goods at Light Street.—In today's Star will be seen an advertisement announcing the arrival of new goods at Peter Ent's Store in Light Street. His stock is the most extensive ever brought to that place, and will compare favorably with any ever brought to this county. He can sell goods cheaper, for cash or produce, than any other merchant in that place. In making his selections he has exercised the greatest care, and purchased no goods that will not bear recommendation. Give him a call, and examine his stock of Fall and Winter goods.

Two or three weeks since we showed our readers the war debt now already upon Columbia county. This the Abolition organ up town thought very wrong in us, and undertook to read us a lecture. The figures are too frightful, and, according to his notion of things, had ought not to be published, for fear they might terrify the people as to put a wet blanket on the war. There is no use, the figures will come out, and the debt will have to be paid, notwithstanding the pratings of the Republican. The daily expenses of the war—the current expenses—are set down at three millions per day—this, of course, will amount to three thousand millions in one thousand days. Now Pennsylvania's quota of men and money has been fixed, officially, at ONE SIXTH of the whole, which is five thousand millions of dollars! The interest on Columbia county's share of the war debt yearly is \$258,670 00! There is no prospect of this thing ceasing very soon, and the people will be obliged to suffer TAXATION in a short time in earnest.

EDITOR OF THE STAR.—Dear Sir:—With your permission I wish to say to the readers of your paper that I will send by freight mail to all who wish it, (free) a Receipt, with full directions for making and using a simple, Vegetable Balm, that will effectually remove, in 10 days, Pimples, Blisters, Tan, Freckles, and all Impurities of the Skin, leaving the same soft, clear, smooth and beautiful.

I will also mail free to those having Bald Heads or Bare Faces, simple directions and information that will enable them to start a full growth of Luxuriant Hair, Whiskers, or a Moustache, in less than 30 days. All applications answered by return mail without charge. Respectfully yours, THOS. F. CHAPMAN, Chemist, No. 831 Broadway, New York, August 26, 1863—3m.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS

HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better remedy can be sent them by their friends, than what have been proved to be the Soldiers, never-failing-remedy in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS.

Will be relieved and effectually cured by using their admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE, INCIDENTAL TO SOLDIERS.

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking what is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OF DEBILITY INDUCED BY OVER FATIGUE.

Will soon disappear by the use of these invaluable pills, and the soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that this would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as these famous medicines.

SORES AND ULCERS, Blotches and Stings can with certainty be radically cured if the pills are taken night and morning and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part, and break out in another. Whereas this Government issue the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure, FOR WOUNDS EITHER OCCASIONED BY THE BAYONET, SABRE OR THE BULLET, SORES OR BRUISES.

To which every Soldier and Sailor are liable, there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if it would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

CAUTION—None are genuine unless the words "Holloway, New York and London" are discernible as a Water-mark in every leaf of the book of directions around each pot or box: the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines of vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor Holloway, 52 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world in boxes at twenty five cents, sixty two cents and one dollar each.

There is considerable saving by taking the larger sizes.

Directions for the guidance of patients in every disorder are affixed to each box.
