WILCOX & GIBBS' SEWING MACHINES.
Price with Hammer and Feller, \$35 00.
THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.
Stitching, Hemming, and Felling with a Single Thread.
It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash-tub."
A patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.
Another feature which deserves particular attention is THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.
Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.
These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machine; and more, for these will thread, sew, and hem the finest muslin without puckering.
Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.
It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.
"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." Palladium Evening Journal.
"A mechanical wonder."—Scientific American.
"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburg Chronicle.
"Has combined with its own peculiar merits all the really valuable improvements of other priced machines."—Pennsylvania.
"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.
"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.
"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that any of which has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—Christian Advocate and Journal, June 21, 1860.
"We have one of these machines in use, and think more highly of it than any of our other work we have tried."—Richmond Whig.
The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them, and has had it put up for his family, and as the least liable to require repair. OLIVER CRANE, Boston, July 3, 1860.
The undersigned, during eighteen months has had in almost constant use, in his family, Wilcox & Gibbs Sewing Machine, which has proved to be the best adapted to his large family—from muslin to plaid cloth—including the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and in all respects well appointed, efficient and durable. JOSEPH CHICKERING, Boston.

The Great AMERICAN TEA COMPANY,
51 VESSEY STREET, NEW YORK;
Since its organization, has created a new era in the history of
Wholesaling Teas in this Country.
They have introduced their selections of TEAS, and are selling them at not over
TWO CENTS (20 Cents) per pound
above Cost.
Never deviating from the ONE PRICE asked.

A other peculiarity of the Company is that their Tea does not only devote their time to the selection of their TEAS as to quality, value, and particular styles for particular localities of country, but he helps the TEA buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but points out to him the best brands.
It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others.
It is a Judge of Tea or of the Market, if his time is valuable, he has all the benefits of a well organized system of doing business, of an immense capital, of the judgment of a Professional Tea Taster, and the knowledge of superior salesmen.
This enables all Tea buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York Merchants.
Patrons can order Teas to be served by us as well as though they came themselves being sent to get original packages, true weights and tares; and the TEAS are warranted as represented.
We issue a Price List of the Company's Teas, which will be sent to all who order it, comprising
Hyson, Young Hyson, Imperial, Gunpowder, Twankay and Skin.
OLONG, SOUCHONG, ORANGE & HYSON PEKOE.
JAPAN TEA of every description, colored and uncolored.
This list has been divided into FOUR CLASSES, namely: CARGO, high CARGO FINEST, and every one may understand from description and the prices annexed that the Company are determined to undersell the whole Tea trade.
We guarantee to sell ALL our Teas at not over TWO CENTS (20 Cents) per pound above cost, believing this to be attractive to the many who have heretofore been paying Exorbitant Prices.

TO THE PEOPLE OF THE UNITED STATES!
IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. BOYCE DODS' IMPERIAL WINE BITTERS, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints in the digestive tract is of the utmost importance, and it is of the utmost importance that a strict attention to the least and most building bodily ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of
DR. J. BOYCE DODS' IMPERIAL WINE BITTERS!!!
from all who have not used them. We challenge the world to produce their equal.
These Bitters for the care of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the feet to the head. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all the parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Nervous and Weakness peculiar to FEMALES, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.
THESE BITTERS
Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may be them. For
ACQUINET CONSUMPTION.
Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic
Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!
For Sore Throat, so common among the Clergy, they are truly valuable.
For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tailors, Scribes, Clerks, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.
As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating qualities, and a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which this country is flooded.
THE GREAT CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.
Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.
FEMALES.
The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters give a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.
DR. J. BOYCE DODS' IMPERIAL WINE BITTERS
Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boyce Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, pronounced them a valuable remedy for disease.
Although the medical men of the country as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medicinal properties, who will not highly approve of DR. J. BOYCE DODS' IMPERIAL WINE BITTERS.
In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, those Bitters should be used every morning before breakfast.
DR. J. BOYCE DODS' IMPERIAL WINE BITTERS
Are composed of a pure and undiluted Wine, combined with Barbary, Scammony, Sea Confrey, Wild Cherry, Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.
These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND BEVERAGE.

N. Y. WEEKLY NEWS.
The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—four columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.
THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public journal, and in EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.
As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the
POLICY OF PEACE
to a ruinous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic rule without the pale of established laws. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of the despotic and tyrannical modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from intemperate and rash legislation, and to hold our public servants to a strict accountability for their conduct while carrying on the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new proposition may be expected as the only means of protecting the people from an abridgement of their rights.
COMMERCIAL & MARKET REPORTS
are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.
THE FOREIGN CORRESPONDENCE
will be found especially interesting and instructive and derived from some of the ablest writers of the day. It is written with the utmost avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.
In all other respects THE WEEKLY NEWS will be found to meet the public demand. It is the especial object of the Proprietor to render it a valuable and entertaining

FAMILY NEWSPAPER,
pure in its moral influence, enabling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit due to the themes discussed.
By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

DARLING'S LIVER REGULATOR
And now consider myself entirely cured." Hon. John A. Cross writes, "Brooklyn, March 15, 1860. In the spring of 1859 I took a severe cold, which induced a violent fever. I took two doses of
DARLING'S LIVER REGULATOR.
It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have had nothing of it since."
Otis Studley, Esq., 128 East 28th Street, N. Y., writes "August 13, 1860—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used
DARLING'S LIVER REGULATOR, and Life Bitters.
I passed, clotted blood by the urethra—I am now entirely cured, and take pleasure in recommending these remedies."
Mrs. C. T. Tew, 11 Christopher Street, N. Y., writes: "Feb. 20, 1860—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to
DARLING'S LIVER REGULATOR, in affording immediate relief. It is a thorough Liver and bilious remedy."
Mrs. Young, of Brooklyn, writes: "Feb. 28, 1860. In May last I had the severe attack of Piles, which confined me to the house. I took one bottle of
Darling's Life Bitters, and was entirely cured. I have had no attack since."
D. Westervelt, Esq., of South 8th, near 8th Street, Williamsburg, L. I., writes: "August 5, 1860—Having been troubled with difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try
DARLING'S LIVER REGULATOR.
I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a

They regulate and invigorate the liver and kidneys; they give tone to the digestive organs; they regulate the secretions, excite and exalt the circulation of the circulation, and purify the blood. Jas. L. Crumley, merchant, 184 Fulton street, New York, writes, August 18, 1860: "I have been afflicted with piles, accompanied with bleeding, the last three years; I used
DARLING'S LIVER REGULATOR
And now consider myself entirely cured." Hon. John A. Cross writes, "Brooklyn, March 15, 1860. In the spring of 1859 I took a severe cold, which induced a violent fever. I took two doses of
DARLING'S LIVER REGULATOR.
It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have had nothing of it since."
Otis Studley, Esq., 128 East 28th Street, N. Y., writes "August 13, 1860—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used
DARLING'S LIVER REGULATOR, and Life Bitters.
I passed, clotted blood by the urethra—I am now entirely cured, and take pleasure in recommending these remedies."
Mrs. C. T. Tew, 11 Christopher Street, N. Y., writes: "Feb. 20, 1860—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to
DARLING'S LIVER REGULATOR, in affording immediate relief. It is a thorough Liver and bilious remedy."
Mrs. Young, of Brooklyn, writes: "Feb. 28, 1860. In May last I had the severe attack of Piles, which confined me to the house. I took one bottle of
Darling's Life Bitters, and was entirely cured. I have had no attack since."
D. Westervelt, Esq., of South 8th, near 8th Street, Williamsburg, L. I., writes: "August 5, 1860—Having been troubled with difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try
DARLING'S LIVER REGULATOR.
I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a
FAMILY MEDICINE.
When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."
