WILCOX & GIBBS' SEWING MACHINES.
 Price with Hammer and Feller, \$35 00.
 THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.
 Stitches, Hemming, and Felling with a Single Thread.
 It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the washings."

Patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.
 Another feature which deserves particular attention is THE WILCOX PATENT NEEDLE CASE, NO BETTER WRONG.
 Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.
 These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for they will without basting, and hem the finest muslin without puckering.

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.
 "It is emphatically the good, low priced Family Sewing Machine that the public have been waiting for."—Boston Transcript.
 "It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it." Palmetto Evening Journal.
 "A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing Machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburg Chronicle.
 "Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvania.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.
 "Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—Christian Advocate and Journal, June 21, 1860.

"We have one of these machines in use, and think more highly of it than of any of the number we have tried."—Richmond Whig.
 The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and as the best table to require repair. **OLIVER CRANE,** Boston, July 3, 1860.

The undersigned, during eighteen months has had in almost constant use, in his family, Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family—from muslin to pilot cloth—including the clothing required for his several boys; and in no case has it been necessary to require repair." **OLIVER CRANE, Boston, July 3, 1860.**

TO THE PEOPLE OF THE UNITED STATES!
 IN the month of December, 1858, the undersigned for the first time, devoted for sale to the public Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. Arising simply from a neglect of small complaints, and surprising, it is therefore of the utmost importance, that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body most invariably affect the mind. The subscribers now only ask a trial of

The Wine itself is of a very superior quality, being about as potent as the other wines; warming and invigorating the whole system from the head to the feet. As they are tonic and alternative in their character, as they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

THESE BITTERS
 Will not only Cure, but Prevent Disease and in this respect are doubly valuable to the person who may use them.
INCIPENT CONSUMPTION.
 Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic.

Dr. Dods' Celebrated Wine Bitters ARE UNSURPASSED!
 For Sore Throat, so common among the Clergy, they are truly valuable.
 For the aged and infirm, and for persons of a weak constitution,—for Ministers of the Gospel, Lawyers, and all public speakers,—for Book Keepers, Tailors, Teachers, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

 to a rigorous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, in violation of which the inalienable rights of citizens, as guaranteed under the instruments by which they have extended to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of the democratic principle which to this time have been sustained against every effort to overthrow them. WHITE MEN MUST RULE AMERICA.

 FORTY-EIGHT columns of reading matter per week for \$1 20 per year. The only New York Paper made up exclusively for country circulation; and the news of the week, with the cattle, produce, and other markets, carefully reported.

The New York Day-Book for 1864.
 White Men's Liberties—State Rights—Federal Union.
 The New York Day-Book is an independent, Democratic Journal, holding with the late Senator Douglas, that "this government is made on the white basis, by white men, for the benefit of white men and their posterity forever." It is a large double column, with forty-eight columns of reading matter, and in all respects—whether for Markets, news, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is
