IT IS A SIX PER CENT LOAN, THE Interest and Principal payable in Coin. thus yielding over Nine per cent. per an num at the present rate of premium on Coin.

The Government requires all duties on Imports to be paid in coin; those duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the Interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities. The Loan is called 5 20 from the fact that whilst the Bonds may run for twenty years yet the Government has a right to pay them off in Gold at par, at any time alter five years.

The interest is paid half yearly, viz: on the first day of November and May. Subscribers can have Coupon Bonds, which are navable to bearer, and are \$50, \$100, \$500, and \$1000; or Registered bonds No. 1 of same denominations, and in addition. No. 2 \$5,000 and \$10,000.
