

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, corrects a weak and indolent stomach, and is the best remedy for all diseases of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly balaustine element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease and, so far as the human system can be protected by human means against malice engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found invaluable as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plagued with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not infrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Losses of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The Testimony on this point is most conclusive, and from both sexes.

The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-energize and re-establish health.

Last, but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present in most or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly said, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Sold by all Druggists, Grocers and Storekeepers everywhere.

The Great AMERICAN TEA COMPANY,

51 VESEY STREET, NEW YORK;

Since its organization, has created a new era in the history of

Wholesale Tea in this Country.

They have introduced their selections of TEAS, and are selling them at not over

TWO CENTS (.02 Cents) per pound above Cost.

Never deviating from the ONE PRICE asked.

A notable peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their TEAS as to quality, value, and particular styles for particular climates, but he also helps the TEA buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a Tea Buyer has in this establishment.

If he is a Judge of Tea, or the Market, his time is valuable, he has all the benefits of a well organized system of doing business, of an immense capital, of the judgement of a Professional Tea Taster, and the knowledge of superior salesmen.

This enables all Tea buyers to get the best if they are thousands of miles from the market—to purchase on as good terms here as the New York Merchants.

Parties can order Tea to be served by as well as though they came themselves, being sure to get original packages, true weights and tares; and the TEAS are warranted as represented.

We issue a Price List of the Company's Tea, which will be sent to all who order it; comprising

Hysen, Young Hysen, Imperial, Gunpowder, Twankay and Skin.

OOLONG, SOUCHONG, ORANGE & HYSON PERKEE.

JAPAN TEA of every description, color and uncolored.

This list has each kind of Tea divided into FOUR Classes, namely: CARGO, high CARGO FINEST, that every one may be derived from description and the prices annexed that the Company are determined to undersell the whole Tea trade.

We guarantee to sell ALL our TEAS at not over TWO CENTS (.02 Cents) per pound above cost, believing this to be attractive to the many who have heretofore been paying exorbitant prices.

WILCOX & GIBBS' SEWING MACHINES.

Price with Hammer and Feller, \$35 00.

THIS MACHINE HAS POINTS OF SUPERIORITY PECULIARLY ITS OWN.

Stitching, Hemming, and Felling with a Single Thread.

It forms a neat, even, and elastic seam, which is warranted not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "to survive the wash-tub."

A patented device of great utility to laundresses, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserves particular attention is THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.

Two thousand Stitches, or two yards of work, can be done in one minute without dropping a stitch.

These Machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these fell without beating, and hem the finest muslin without puckering.

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time.

It is emphatically the good, low priced Family Sewing Machine that the public have long been waiting for.—Boston Transcript.

It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it.—Philadelphia Evening Journal.

"A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to go out of repair."—Pittsburgh Chronicle.

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvania.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1853.

"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimous in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

"We must, in Justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed, necessary to a good instrument."—Christian Advocate and Journal, June 21, 1860.

"We have one of these machines in use, and think more highly of it than of any of the number we have tried."—Richmond Whig.

The undersigned, Missionary to Constantinople, has examined more than twenty different kinds of Sewing Machines, and after some six weeks' experience with Wilcox & Gibbs' Patent, he has purchased one of them as the best adapted to the wants of his family, and as the least liable to require repair. OLIVER CRANE.

Boston, July 3, 1860.

The undersigned, during eighteen months has had in almost constant use, in his family, Wilcox & Gibbs' Sewing Machine, upon which has been made the clothes of his large family—from muslin to pilot cloth—including the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and is in all respects well appointed, efficient and durable.

N. Y. WEEKLY NEWS.

The cheapest and best New York News-
paper. Only one dollar per annum. Eight
pages—forty columns. A complete record
of events, Benjamin Wood, editor and pro-
prietor. Published at No. 19 City Hall
Square, Daily News Building, New York
City.

THE NEW YORK WEEKLY NEWS is
unrivalled in its ability and enterprise as a
public journal, and in
EVERY DEPARTMENT

is most efficiently conducted, so as to form
a true record of events political, com-
mercial, financial and literary, throughout
the World. In addition to this it contains
all the Domestic Intelligence of each week
and full reports of every matter of public
interest.

As a political Journal The Weekly News
will be found on the side of the Constitu-
tion, and on the side of the country as it
is established by the Father of the Republic,
and will scan with care and fidelity every
public act that may tend to the violation of
the letter and spirit of that instrument of our
liberties. It prefers the

POLICY OF PEACE
to a ruinous and exhausting system of War.
Insisting upon the truth of the principle
embodied in the Declaration of Independ-
ence, that the just powers of the Govern-
ment are derived from the consent of the
governed, it urges the preservation of the
fundamental principles of liberty, in viola-
tion of which the rights of the people are
as of more sacred importance than national
grandeur or consolidated power under des-
potic rule without the pale of established
law. On all questions of national impor-
tance it is the inflexible champion of the
rights of citizens, as guaranteed under the
instrument by which they have decided to
be governed. It therefore boldly avows its
purpose to sustain the Freedom of Speech
and of the Press, with the view to protect
the people from the encroaching dogmas of
theorists who contemplate a modification
of the democratic principles which to this
time have been sustained against every ef-
fort to overthrow them. In all matters per-
taining to Government the purpose of the
newspaper is to protect the people from in-
considerate and rash legislation, and to
hold our public servants to a strict account-
ability for their conduct while carrying on
the machinery of power. To this end the
most careful study will be given to all
Federal and Legislative laws, and a firm
and impartial examination of every im-
political proposition may be expected as
the only means of protecting the people
from an abridgement of their rights.

COMMERCIAL & MARKET REPORTS
are given in the most succinct yet complete
manner. They claim particular notice
for their fidelity and truth, and all those
interested in comprehending the exact finan-
cial condition of the country should not
fail to examine the views which will be
found in this department of the journal.

THE FOREIGN CORRESPONDENCE
will be found especially interesting and in-
structive and being derived from some of
the ablest minds in Europe must be read
with the utmost avidity by those who desire
to comprehend that diplomacy of the Gov-
ernments of the Old World.

In all other respects THE WEEKLY
NEWS will be found to meet the public de-
mand. It is the especial object of the Pro-
prietor to render it a valuable and enter-
taining.

FAMILY NEWSPAPER,
pure in its moral influence, ennobling in
its character, and satisfying to the large
class in the community who desire to see
the Public Press treat all public questions
with arguments expressed in courtesy and
candor, thought, at the same time, with the
spirit due to the themes discussed.

By reference to the terms of The New
York Weekly News it will be noticed that
it is by far the cheapest newspaper in the
world, and the Proprietor feels that it may
invite those who approve of its principles
and conduct to see their influence in adding
to its present large circulation.

PROSPECTUS FOR 1864.

LIBERTY AND UNION NOW AND FOREVER.

THE EVENING POST.

THIS Journal, which is now in the sixty
second year of its existence, is a thorough
going, independent and fearless advocate
of genuine practical democracy. It main-
tains the equal right of all men to justice
and freedom; it earnestly approves the war
for the Union; it holds up the hands of our
brave soldiers in the field; and it opposes
treason in all shapes, whether open, as at
the South, or covert or sneaking as at the
North. At the same time it is the enemy
of all undue exercise of power, or all kinds
of political jobbery and corruption, and
insists upon economy in expenditures, and
a strict adherence to the constitution.

Throughout the war it has advocated the
most vigorous prosecution of it, but as
the war draws to a close political questions
take the ascendant. A more stupendous,
difficult and interesting problem was never
presented to any people, than that of the
restoration of the revolting states to their
allegiance. It will require all the states-
manship and wisdom of the nation to
bring it to a satisfactory solution. On
this point the Evening Post will take
definite grounds, and endeavor to bring
about a condition of universal freedom
and real democracy. Pledged to no party,
and looking only to the interest of the
whole country, it will use whatever energy
and influence in the defence of the great
principles of human right and human equal-
ity which lie at the foundation of our
institutions.

It aims chiefly, however, at being a good
newspaper. In its columns will be found
a complete History of the war, all impor-
tant political or State Documents entire,
Proceedings of Legislative bodies, Sum-
maries of European Intelligence, and news
from all parts of the world, accurate reports
of financial and commercial matters, trust-
worthy Correspondence, and a carefully
selected Literary Miscellany, comprising
