

WEDNESDAY MORNING, FEB. 3, 1864.

A team of dry wood is wanted at this office. Who will bring it?

The Mail of Tuesday evening brought the following of special importance.

A few bushels of potatoes will be taken at this office on subscription. The highest market price will be allowed.

As we go to press it is snowing quite heavily. We may yet have good sleighing; but it could not be expected to lay any length of time.

Rev. G. W. Scott, will preach in the Baptist Church of this place, on next Sabbath morning at 10 o'clock, and half past 6 o'clock in the evening.

Thanks.—Our thanks are due to the Hon. H. C. Tracy, M. C., Hon. Gen. D. Jackson and John C. Ellis, of the State Legislature, for documentary favors.

The statement of the receipts and expenditures of Columbia county for the year 1863 will appear in next week's paper.

Success! Success! Several writes to-day's Star. The property of Lazarus, Woods & Fisher, of Orangeville, this county.

Capt. Ricketts and Lieut. Blackway, of Battery F, 1st Pennsylvania Artillery, are spending a few days with their friends in this place. They are fine looking officers.

Jacob Knealy, Esq., lies dangerously ill, at his residence in this place. He has been ill several weeks, and little hopes are entertained for his speedy recovery.

The series of meetings in the Lutheran Church of this place, were closed on last Sabbath evening by Rev. J. K. Dimm, Pastor. We understand twenty-five souls were converted and added to the Church.

A J. Evans has just returned from the city with a new stock of goods, to replenish his already large assortment of cloths, customers and Ready Made Clothing. Give him a call.

The Draft.—The quota of men required from this county is now made known by the Provost Marshall, and an opportunity given to every township and borough to fill up the number by enlistment, and thus avoid the draft.

They must be a very disloyal people in California. They ignore "Greenbacks," and will recognize nothing but gold and silver as legal currency. What will our rulers at Washington say to that?

The State Senate goes into session to-day according to last adjournment. No speaker yet elected; and from present appearances there will not be one elected very soon. We pride the course of the Democracy.

We have heard of one Copperhead—in the sense in which the Administration papers use the epithet. It's the Abolition contractor for copper in Brooklyn, who tried to bribe an honest clerk to enter up 10,000 lbs. of copper to his credit without and delivery.

The attendance at Court is small. Joyce Elwell, and Associates, Baldy and McRumrout, on the bench. The business before Court this term is light—no common-law cases of any account; and the civil list ready for trial comparatively small.—The Grand Jurors were dismissed on Tuesday. Proceedings in our next.

We had the pleasure, on Tuesday last, of taking by the hand our young friend and ally, James Ramsey, of this place, who is home on furlough from the Army of the Potomac, visiting his relatives and friends. He is a son of Dr. James Ramsey, deceased, and enlisted in the first Company that left this town, when the rebellion commenced. He looks hale and hearty.

Lackawanna & Bloomsburg Railroad.—This Road has issued a new Time Table, which takes effect on Monday 18th. The first slow passenger train will pass this place, going North, at 2 P. M., and the third going South will pass this place at 4 P. M. Slight changes are made in the running of the freight trains, also. The public will take notice.

Watchman & Jeweler.—We would direct attention of the public to the Watch and Jewelry establishment of our worthy countryman, Henry Zimmerman, situated on Main Street. He is a reliable and skillful workman; and keeps constantly on hand Watches and Jewelry, which he will discount of cheap for cash. Give him a call.

The Rev. of the 8th Pennsylvania Regiment, and a visit to Bloomsburg a few days ago, and was warmly welcomed by the friends in this place. We all had the pleasure of a short conversation with him, and found him to be in every respect the reliable and high toned gentleman we have always heard him represented to be. He has now been in the military service three years and so, as in the case of many of our private life, has won the respect of all with whom he has come in contact.

WANTED.—A young woman to do house-work, to whom good wages will be paid. Apply to the editor of this paper.

Old Things Become New.

The undersigned would beg leave to inform his old friends, and "the rest of mankind," that he has lately returned from the service of his country, and again re-opened his OLD ESTABLISHED ED TAILORING SALOON, with a view of making up entire new garments, as well as mending old ones, for all mankind, [and any body else.] who may favor him with their work in his line. He is prepared to work NEAT FASHIONABLE and SUBSTANTIAL, and hopes by so doing to attract attention to business, and merit and receive a due share of patronage. PERHAM'S INVALID SOLDIER NATIONAL HOME ENTERPRISE.

555 B BROADWAY NEW YORK

MIRROR OF THE REBELLION.

The Most Complete and Magnificent War Exhibition East.

Devoted to raising Funds for a National Home.

100,000 TICKETS, AT \$1 EACH.

A DONATION OF \$34.72 in Valuable Property to the Ticket Holders.

JOSEPH PERHAM, Agent for the Proprietors, has the honor to announce a plan for creating a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers.

The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass. where the enterprise was first projected.

Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 585 Broadway, New York City, or wherever else exhibited.

One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object.

According to the original advertised plan, a Mass Meeting of the ticket holders was held in Faneuil Hall, Boston, on Nov. 4th, and an adjourned meeting at the same place on Dec. 16th. The following named gentlemen were elected as a Board of Trustees, to receive the fund which may accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plans of the originator: Gen. John S. Tyler, Boston; his Excellency Governor James V. Smith, of Rhode Island; Hon. Gen. Briggs of New York; his Excellency Gov. A. G. Curtis of Pennsylvania; Major Gen. N. P. Banks, of Mass.; Major Gen. O. N. Howard of Maine; his Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every wise means will be used by the projector to effect the immediate sale of the tickets; and he calls upon the loyal and humane to assist earnestly in carrying this noble undertaking forward to a triumphant success.

Neither its importance, nor its feasibility, can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation.

Making the proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes in the utility of popular favor will flow to the desired direction, and accomplish the founding and insure the creation of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations as a blessing to mankind and an enduring monument to the liberality of the loyal people.

By combining this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his noble for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings.

ATTACHABLE BOUNTY TO PURCHASER

To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchaser.

As soon as the tickets shall have been sold in addition to one half the profits, as aforesaid, the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct board having been chosen for that purpose, at the mass meetings held as above stated, and which consists of the following gentlemen who, on receipt of the property, will dispose of the same, by lot, or otherwise, as the ticket holders in mass meeting may direct: there to be no violation of law in such disposal: Hon. C. O. Rogers, Hon. C. W. Slack, Gen. Bobt. Cowdin, Col. A. J. Wright, John C. Haynes, Esq. of Boston, Josiah Webster Esq. of Cambridge, Mass., Isaac S. Morse Esq. of Bridgewater, Mass.

UNITED STATES 5-20'S.

The Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue to supply the public. The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will, in a very short period absorb the balance.—Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it is well known that the Secretary of the Treasury has ample and unending resources in the Treasury, and in the large of the Interest bearing Legal Tender Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans. The Interest Principal of which are payable in Gold.

Prudence and self interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.

IT IS A SIX PER CENT LOAN, THE Interest and Principal payable in Coin, thus yielding over Nine per cent per annum at the present rate of premium on Coin.

The Government requires all duties on Imports to be paid in coin; these duties have for a long time been allowed to run on a quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the Interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.

The Loan is called 5-20 from the fact that while the Bonds may run for twenty years, yet the Government has a right to pay them off in Gold at par, at any time after five years.

The interest is paid half yearly, viz: on the first day of November and May. Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500, and \$1000; or Registered bonds of same denominations, and in addition, \$5,000 and \$10,000. For Banking purposes and for investments of Trust monies, the Registered bonds are preferable.

These 5-20's cannot be taxed by States, cities, towns, or counties, and the Government tax on them is only 14 per cent, on the amount of income, when the income of the holder exceeds Six hundred dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, &c., must pay from three to five per cent tax on the income.

Banks and Bankers throughout the country will continue to dispose of the bonds, and all orders by mail, or otherwise, promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.
