**HELMHOLD'S EXTRACT BUCHU.**  
 For Weakness arising from excesses, Habits of Dissipation, Early Indiscretion of Abuse, attended with the following symptoms:  
 Indisposition to Exercise, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Horror of Disease, Wakefulness, Dimness of Vision, Pain in the Back, Universal Lassitude of the Muscular System, Hot Hands, Flushing of the Face, Dryness of the Skin, Eruptions on the Face, Pallid Countenance.  
 These symptoms, if allowed to go on, which this medicine invariably removes, soon follows IMPOTENCY, FATUITY, EPILEPTIC FITS, in one of which the Patient may expire.  
 Who can say that they are not frequently followed by the "Direful Disease" of "INSANITY AND CONSUMPTION." Many are aware of the cause of their suffering, but none will confess the Records of the Insane Asylums.  
 And melancholy Deaths by Consumption bear ample witness to the Truth of the assertion. The Constitution once effaced with Organic Weakness requires the aid of Medicine to Strengthen and Invigorate the System, which HELMHOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.  
**FEMALES--FEMALES--FEMALES.**  
 In many Affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Scirrhus state of the Uterus, Leucorrhoea or Whites, Scurvy, and for all complaints incident to the sex, whether arising from Indiscretion, Habit, or Dissipation, or in the Decline of Age.

 Thousands upon Thousands who have been the victims of Quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "poison" has, by the use of "powerful" astringents, been dried up in the system, to break out in an aggravated form, and perhaps after Marriage.

**THE NEW YORK WEEKLY NEWS.**  
 THE CHEAPEST and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.  
 THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public journal, and in  
**EVERY DEPARTMENT** is most efficiently conducted, so as to form a weekly record of news, political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.  
 As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the  
**POLICY OF PEACE** to a ruinous and exhausting system of Warfare, insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed; it urges the preservation of the fundamental principles of liberty, justice, and of more sacred importance than any, grandeur or consolidated power under despotic rule without the pale of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of the despotic, and to impede a modification of the democratic principles which in national time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from inconsiderate and rash legislation, and to hold our public servants to a strict accountability for their conduct while carrying on the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new proposition may be expected as the only mode of protecting the people from an abridgement of their rights.  
**COMMERCIAL & MARKET REPORTS** are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine them with the most scrupulous attention.  
**THE FOREIGN CORRESPONDENCE** will be found especially interesting and instructive and being derived from some of the ablest penmen in Europe must be read with the utmost avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.  
 In all our reports THE WEEKLY NEWS will be found to meet the public demand. It is the especial object of the Proprietor to render it a valuable and entertaining  
**FAMILY NEWSPAPER,** pure in its moral influence, enabling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit due to the themes discussed.  
 By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

**PROSPECTUS FOR 1864.**  
 LIBERTY AND UNION NOW AND FOREVER.  
**THE EVENING POST.**  
 THIS Journal, which is now in the sixty second year of its existence, is a thorough going, independent and fearless advocate of genuine practical democracy. It maintains the equal rights of all men to justice and freedom; it earnestly approves the war for the Union; it holds up the hands of our brave soldiers in the field; and it opposes treason in all shapes, whether open, as at the South, or covert or sneaking, as at the North. At the same time it is the enemy of all undue exercise of power, or all kinds of political jobbery and corruption, and insists upon economy in expenditures, and a strict adherence to the constitution.  
 Throughout the war it has advocated the most vigorous prosecution of it, but as the war draws to a close political questions take the ascendancy. A more stupendous, difficult and interesting problem was never presented to any people, than that of the restoration of the revolting states to their allegiance. It will require all the statesmanship and wisdom of the nation to bring it to a satisfactory solution. On that point the "Evening Post" will take definite grounds, and endeavor to bring about a condition of universal freedom and real democracy. Pledged to no party, and looking only to the interest of the whole country, it will use whatever energy and influence in the defence of the great principles of human right and human elevation which lie at the foundation of our institutions.  
 It aims chiefly, however, at being a good newspaper. In its columns will be found a complete History of the war, all important official or State Documents, extracts, Proceedings of Legislative bodies, Summaries of European Intelligence, and news from all parts of the world, accurate reports of financial and commercial matters, trustworthy Correspondence, and a carefully selected Literary Miscellany, comprising Poetry, Reviews of new Works, with literary extracts, Tales gossip and anecdotes—the whole forming an excellent variety in which every reader will discover something of his taste.

**WHILE MEN MUST RULE AMERICA.**  
 THE CHEAPEST PAPER PUBLISHED.  
 FORTY-EIGHT columns of reading matter per week for \$1.20 per year. The only New York Paper made up exclusively for country circulation; and the news of the week, news, poetry, produce, and other market, carefully reported.  
**The New York Day-Book for 1864.**—Federal Union.  
 The New York Day-Book is an independent, Democratic Journal, holding with the late Senator Douglas, that "this government is made on the white basis, by white men, for the benefit of white men, and their posterity forever." It is a large double sheet, with forty eight columns of reading matter and in its respects—a sheet for Markets, news, Literary or Agricultural information—is not inferior to any political or family newspaper. In its editorial department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the defender of the people's rights, but it is the upholder of no party, cheatery or trickery. It is not for peace, but it shows how, and how only permanent peace can be obtained, and the glorious white man's government of Washington restored to the Union, by the overthrow, and extermination of Abolitionism from American soil.  
 The Day Book is now the only weekly political paper in New York City made up exclusively for country circulation. All the others are rebuffed from the columns of some daily paper, which renders it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take into consideration. Democrats, also, must see to it that sound papers are circulated among the people, or abolitionism will swallow up the white man. All who desire to refute the arguments of Abolitionists, should read The Day Book.  
**TERMS:**—One copy, one year, \$2 00; Three copies, one year, \$5 00; Five copies, one year, \$7 50; Ten copies, one year, and one to the getter up of the club, \$14 00; Twenty copies, one year, and one to the getter up of the club, \$24 00. Additional copies, each \$1 20.  
 The name of the post-office, county, and State, should in all cases, be plainly given in every letter.  
 Payments always in advance, and all subscribers will be stopped when the time of subscription paid for expires.  
 Address,  
**VAN EVRIE, HORTON & CO.,**  
 162 Nassau St., New York.

**Special Offers.**—We desire this year to place before a million of northern readers the great doctrine "The Day Book" teaches on the question of the Races. We confidently believe if this Journal were placed in the hands of one half of the voters of the northern States between this time and November, 1864, the Democrats could not fail to carry the next presidential election. We therefore make the following offers, not in the light of prizes, and not even because it will be profitable for us, but because we believe it will save our country from a wide dissemination of the views which are profoundly believe will save our country.  
**Clubs of Twenty.**—For a club of 20, besides the extra paper now offered, we will send a copy of Dr. Van Evrie's great work on "The Races and their Slavery," the first edition of which is just ready. Price One Dollar.  
**Clubs of Fifty.**—For a club of Fifty subscribers, at \$10, we will send one extra paper, and a complete set of our Anti Abolition Publications, at the price of which, taken together, amount to \$2 75.  
**Clubs of One Hundred.**—In relation to Clubs of one hundred, we will say this: Whoever will send us one hundred subscribers at one time, the club to be sent to one address, and begin and end at the same time, will receive the pay of \$100.  
 November 18, 1863.

**A NATIONAL DEMOCRATIC NEWSPAPER**  
 TO be published Daily and Weekly in the city of Philadelphia, by A. J. Glossbrenner & Co. "The Age" will advocate the principles of the Democratic party, and will, therefore, necessarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and that of this Commonwealth.  
 It will freely and fairly discuss all legitimate subjects of new-paper comment, including, of course, and prominently at this time, all questions connected with the existing unhappy condition of our country.  
 It will fearlessly criticize the public acts of public servants, and defend the legal and constitutional right of individual citizens and of sovereign States, against assaults from any quarter.  
 It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magnitude of the task that lies before them, if they would check our downward progress—and to inspire them with patriotic determination to apply the remedy for our national ills. In brief, it will in all things aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well. The restoration of that party to general control of the Government, and to power in the legislative and executive governmental branches of the State and of the Union, we believe to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.  
 The news, literary, commercial and other departments, will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the general reader.  
 The many difficulties now surrounding an enterprise of the magnitude of that which the undersigned are engaged, require them to appeal to the public for a generous support, and to ask for "The Age" a liberal patronage and extended circulation.  
 The preparatory arrangements warranted the issuing of the first number of "The Daily Age" in the month of March 1863, and the Weekly was commenced soon after.

**HOLIDAY PRESENTS!**  
**Magic Time Observers.**  
 Being a Hunting or Open Face or Lady's or Gentleman's Watch Combined, with Patent Self-Winding Improvement, a most Pleasing Novelty.  
 One of the prettiest, most convenient, and decidedly the best and cheapest time-piece for general and reliable use ever offered. It was within it and connected with its machinery, its own winding attachment rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ruby action lever movement, and warranted an accurate time-piece. Price, superbly engraved, per case of half dozen, \$204. Sample Watches, in neat Morocco boxes, \$35.  
**SILVER WATCHES.**  
 First Class Hunting Time-pieces for accuracy of movement, beauty of material, and, above all, cheapness in price, these watches must insure universal approbation.  
 An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not only in appearance, but in durability, the best resemblance of Solid Sterling Silver in existence.  
 The sale of these Watches in the army is a source of enormous profit, retailing, as they very readily do, at \$25 and upwards. Many hundred dollars can be made on a single pay day by any one of ordinary business, if individuals apply at the office.  
**AT WHOLESALE ONLY!** In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good running order, by the half dozen, \$66. Sold only by the case of six!  
 Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is received. Send orders to the sole importer,

 Another peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their TEAS as to quality, value, and particular styles for particular localities of country, but he helps the TEA buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but points out to him the best bargains.  
 It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others.

**HOLIDAY PRESENTS!**  
**Magic Time Observers.**  
 Being a Hunting or Open Face or Lady's or Gentleman's Watch Combined, with Patent Self-Winding Improvement, a most Pleasing Novelty.  
 One of the prettiest, most convenient, and decidedly the best and cheapest time-piece for general and reliable use ever offered. It was within it and connected with its machinery, its own winding attachment rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ruby action lever movement, and warranted an accurate time-piece. Price, superbly engraved, per case of half dozen, \$204. Sample Watches, in neat Morocco boxes, \$35.  
**SILVER WATCHES.**  
 First Class Hunting Time-pieces for accuracy of movement, beauty of material, and, above all, cheapness in price, these watches must insure universal approbation.  
 An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not only in appearance, but in durability, the best resemblance of Solid Sterling Silver in existence.  
 The sale of these Watches in the army is a source of enormous profit, retailing, as they very readily do, at \$25 and upwards. Many hundred dollars can be made on a single pay day by any one of ordinary business, if individuals apply at the office.  
**AT WHOLESALE ONLY!** In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good running order, by the half dozen, \$66. Sold only by the case of six!  
 Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is received. Send orders to the sole importer,
