

STAR OF THE NORTH

BLOOMSBURG, PA. WEDNESDAY MORNING, JAN. 6, 1864.

On Tuesday morning last we had quite a smart fall of snow, not sufficient however, to make sleighing; but at present writing indications are that we will have more.

JOHN DILLINE, adm'r, advertises in to-day's Star, some valuable personal property for sale, belonging to the estate of Henry M. Dilline, late of Madison twp., deceased. Sale takes place on the 20th inst.

HAULING ICE.—On Monday last several of our citizens commenced hauling ice off Fishing Creek to fill up their ice houses. The ice was between four and five inches thick and of a good quality, clear as crystal.

ACCIDENT.—We learn that the Hon. JOHN McKEVLEY met with a rather serious accident on the 23d ult., by slipping upon the ice, at his residence, in Beckhorn, and breaking his collar bone, and not one of his arms as reported. It is hoped that his recovery may be speedy.

MICHAEL F. EVERLY, Esq., it will be seen by his card in to-day's Star, has opened an office, 2d door west of the Court House, on Main Street, where he is prepared to make out papers for exemption from the coming draft, with correctness and dispatch; as he has had considerable experience in that line.

The County Auditors are busily engaged making the annual settlement for the year 1863. The financial condition of the county is in a healthy state, but we will not vouch for its long continuance, if the condition of our country is not soon changed. Breakers are looming up in the distance, and indicate an approach sooner or later.

CAPT. C. J. JACKSON, of Berwick, is home on furlough. He paid his friends a visit, at this place, one day last week. The Captain looks well, especially after having gone through with so much hard fighting. He returns in a few days to his old illustrious Regiment, the 84th Pennsylvania, which is with the army of the Potomac, in winter quarters. We should think the Captain a good officer.—He certainly is a good looking one, and single at that.

RUFUS HOWELL, Esq., of the Espy Hotel, has lately purchased the Tavern Stand of Mr. Willard C. Green, at the Lower Lime Ridge, in Scott township, this co., where he will remove on the 1st of April next.—Mr. Howell was given possession of the property on the 1st inst. It is a tolerably good stand, as there is considerable teaming done to and from the Lime Kilns, besides quite a good many men to board, who are there employed. Success to Mr. Howell in his new enterprise.

The non-appearance of the Star last week, was caused from the fact, that the editor and all hands connected with the office, resolved to take a little recreation, during the holidays. At the issuing of our last paper we did not think but what we should put out a number during the holidays, hence our silence on the matter in our last Star. The suspension of papers this year, during Christmas and New Years, was never more general.

SABBATH BREAKERS.—We have been informed that a party in Greenwood twp., not long since, desiring to violate the laws of God and of their country, on the Sabbath day, very snugly arranged themselves, guns and hounds in a wagon, covering the gaming pieces and dogs with buffalo robes; and proceeded for the hunting grounds; when, on going through the town of Millville, the horse stumbled, dogs became alarmed, tearing an accident, and sprang from the wagon, exhibiting themselves and guns, thereby exposing the party. We will give the names of the parties concerned, but would state, try and find time to do your sporting on some other day more fitted for the occasion, and remember to observe the Sabbath day and keep it holy. Endeavor to be law abiding citizens, especially those of you who are supposed to dispense the law.

THANKS OF OUR CARRIER.—We have been requested by our Carrier, Noah C. Prentiss, to return thanks in his behalf to the patrons of the STAR OF THE NORTH and others, for the liberal contributions made him on New Year's Day, as a consideration for his neatly printed address and the service rendered them by weekly carrying to their doors the Star. The Carrier boy trundles around, making his weekly visits with the Star, through rain and through sun-shine, thus fully earning the little amount he receives. Fifty-two calls are made by him at the residence of each patron, in his district, in a year, and one cent per call from each one in a single year does not seem very much although it would amount to fifty-two cents for each patron. But that sum would satisfy him very well for his trouble.

DEATH OF CALAS BARTON, Sen.—The Columbia County Republican says: "It becomes our painful duty to announce the death of our venerable townsman and esteemed friend CALAS BARTON, sr. He had been absent some two years, superintending improvements on his property in Ohio and returned to Rupert in the Tuesday night train from the West, arriving there about midnight. It appears that he then started on foot for home coming up the Lackawanna and Bloomsburg Railroad, when he must have been struck by the engine of a coal train and killed, as he was found yesterday morning dead, with cuts and bruises indicating the cause of his death in this way. This is sad news indeed. He was one of our oldest citizens and was much respected by all who knew him. He was about 70 years of age."

Wonder if the copperhead Merchant from this place has forgotten the castigation he got from the senior member of the firm of D. Foelt & Brother, at No. 215 N. Third Street, Philadelphia, early in October last? It is not the first time that Copperheads from this county have been taken down for talking treason when out from home. May it do them good.—Col. Co. Republican.

Wonder if the father of the above scurrilous attack knows what constitutes a "copperhead"? The editor of the Republican has a great deal to say about "copperheads" but never attempts to define the name.—He must see snakes or dream of them in his nightly reveries. If he has reference to Democrats he speaks of unconditional Union men,—men who are for the Union, the whole Union, under all circumstances, without an if or a but. The Abolition party, to which the editor of the Republican professes to belong, go for the Union if the institution of Slavery can be abolished; but if not, then they are in favor of a new Union.

We have two or three very respectable Democratic Merchants in this place, besides quite a number in the county, whom the author of the above squib chooses to designate as "copperheads" to gratify his own desire with that of D. Foelt & Brother, No. 315 N. Third Street, Phila. This firm certainly cannot profit by having their name heraled through the country, in the Republican, in connection with abusive language heaped upon our most esteemed and worthy Merchants of this place. The Merchants of this County buy goods and pay for them, call them "copperheads," Democrats, or what you may, and will continue to do so, with a distinct recollection that D. Foelt & Brother, 315 N. Third Street, Phila., allows the Republican to place call Merchants who choose to visit their establishment, "Copperheads," and charges them of "talking treason."

We see it announced in our dailies that the Reverend John Hughes, Archbishop of New York, died at his residence, in that city, at 7 o'clock on the evening of the 3d inst. The sad event cast a gloom over the Catholic church throughout the whole country. He had been seriously ill ever since the 9th ult. He was the controlling intellect of his church in this country. He was born in Ireland in 1798, and came to this country in 1817, and was 65 years of age.

THE LADY'S FRIEND.—This is a new candidate for public favor, published by the proprietors of that well known literary weekly, the "Saturday Evening Post," and edited by the wife of the editor of that journal, Mrs. Henry Peterson. It promises to be a work of great interest, especially to the ladies. The best literary talent is employed upon its pages. Terms: \$2.00 per annum; at less rates to clubs. Address Deacon & Peterson, 319 Walnut St., Phila. delphia.

APPOINTMENTS BY THE COUNTY COMMISSIONERS.—The following appointments made by the Commissioners of Columbia county, on Monday last, are good ones and well deserved.

HELMHOLD'S GENUINE PREPARATIONS.

Compound Fluid Extract Buchu, a positive and Specific Remedy for disease of the Bladder, Kidneys, Gravel, and Dropsical Swellings.

This Medicine increases the power of Digestion, and excites the Absorbents in a healthy action, by which the Watery or Calcareous depositions, and all Unnatural Enlargements are reduced, as well as Pain and Inflammation.

HELMHOLD'S EXTRACT BUCHU. For Weaknesses arising from excesses, Habits of Dissipation, Early Indiscretion of abuse, attended with the following symptoms:

Indisposition to Exercise, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Horror of Disease, Wakfulness, Dimness of Vision, Pain in the Back, Universal Lassitude of the Muscular System, Hot Hands, Flushing of the Face, Dryness of the Skin, Eruptions on the Face, Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follows IMPOTENCY, FATUITY, EPILEPTIC FITS, in one of which the Patient may expire.

Who can say that they are not frequently followed by those "Direful Diseases," "INSANITY AND CONSUMPTION." Many are aware of the cause of their suffering, but none will confess the Records of the Insane Asylums.

And melancholy Deaths by Consumption bear ample witness to the Truth of the assertion. Consumption once effected with Organic Weakness requires the aid of Medicine to Strengthen and Invigorate the System, which HELMHOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.

FEMALES.—FEMALES.—FEMALES. In many Affections peculiar to FEMALES the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Scirrhus state of the Uterus, Leucorrhoea or Whites, Scirrhy, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation, or in the Decline or Change of Life.

It causes a frequent desire and gives strength to Urinate, thereby removing obstructions, preventing and curing strictures of the Urethra, allaying Pain and Inflammation, so frequent in the class of diseases, and expelling all poisonous, diseased and worn out matter.

Thousands upon thousands who have been the victims of Quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "poison" was by the use of "powerful" astringents, had been dried up in the system, to break out in an aggravated form, and perhaps after Marriage.

Use Helmholt's Extract Buchu for all affections and diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating and no matter of how long standing.

Disperse these Organs requires the aid of a Diuretic. Helmholt's Extract Buchu is the Great Diuretic, and is certain to have the desired effect in all diseases for which it is recommended. Evidence of the most reliable and responsible character will accompany the medicine.

HOLIDAY PRESENTS! Magic Time Observers.

Being a Hunting or Open Face or Lady's or Gentleman's Watch Combination, with Patent Self-Winding Improvement, a most Pleasing Novelty. One of the prettiest, most convenient and decidedly the best and cheapest time-piece for general and reliable use ever offered. It has within it and connected with its machinery, its own winding attachment rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 18 Karat gold. It has the improved ruby action lever movement, and warranted an accurate time-piece. Price, superbly engraved, per case of half dozen, \$2.04. Sample Watches, in neat morocco boxes, \$35.

SILVER WATCHES. First Class Hunting Time-pieces for accuracy of movement, beauty of material, and, above all, cheapness in price, these watches must insure universal approbation.

An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or any prying, making it, not only in appearance, but in durability, the best resemblance of Solid Sterling Silver in existence.

The sale of these Watches in the army is a source of enormous profit, retailing as they very readily do at \$25 and upwards. Many hundred dollars can be made in a single day by any one of ordinary business tact.

AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, with enamel dial, and fancy cut hands, in good running order, by the half dozen, \$66. Sold only by the case of six! New Stock of Clothing. FRESH ARRIVAL OF FALL & WINTER GOODS. DAVID LOWENBERG.

INVITES attention to his stock of cheap and fashionable Clothing at his Store, on MAIN STREET, BLOOMSBURG, two doors above the American House, where he has just received from New York and Philadelphia, a full assortment of

Men and Boy's Clothing, including the most fashionable, durable and handsome, DRESS GOODS, consisting of Box, Sack, Frock, Gum and Oil Cloth, Coats, and Pants,

of all sorts, sizes, and colors. He also has replenished his already large stock of Fall and Winter Shawls; striped, figured and plain Vests, shirts, cravats, stocks, collars, handkerchiefs, gloves, suspenders and fancy articles.

UNITED STATES 5-20'S.

The Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will, in a very short period absorb the balance.—Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenue, and in the issue of the Interest bearing Legal Tender Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans, The Interest and Principal of which are payable in Gold.

Prudence and self interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan.—It will soon be beyond their reach, and advance in the hands of the Government, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.

IT IS A SIX PER CENT LOAN, THE Interest and Principal payable in Coin, thus yielding over Nine per cent per annum at the present rate of premium on Coin.

The Government requires all duties on Imports to be paid in coin; those duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the Interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.

The Loan is called 5-20 from the fact that whilst the Bonds may run for twenty years yet the Government has a right to pay them off in Gold at par, at any time after five years.

The Interest is paid half yearly, viz: on the first day of November and May. Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500, and \$1000; or Registered bonds of some denominations, and in addition, \$5,000 and \$10,000. For Banking purposes and for investments of Trust money, the Registered bonds are preferable.

These 5-20's cannot be taxed by States, cities, towns, or counties, and the Government tax on them is only 1 1/2 per cent, on the amount of income, when the income of the holder exceeds Six hundred dollars per annum. For investments, such as income from Mortgages, Railroad Stock and Bonds, &c., must pay from three to five per cent, tax on the income.

Banks and Bankers throughout the country will continue to dispose of the bonds; and all orders by mail, or otherwise, promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.
